### CHRISTIAN SCIENCE CHURCHES

"Are Sin, Disease, and Death Real?" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, April 10.

The Golden Text was, "The light of the sun shall be as the light of the moon, and the light of the sun shall be sevenfold, as the light of seven days, in the day that the Lord bindeth up the breach of his people, and healeth the stroke of their wound" (Isaiah 30:26).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "And I heard a loud voice saying in heaven Now is come salvation, and strength, and the kingdom of our God, and the power of his Christ" (Rev. 12:10).

The Lesson-Sermon also included the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "The calm, strong currents of true spirituality, the manifestations of which are health, purity, and self-immolation, must deepen human experience, until the beliefs of material existence are seen to be a bald imposition, and sin, disease, and death give everlasting place to the scientific demonstration of divine Spirit and to God's spiritual, perfect man" (p. 99).
