"Collegiana" To Be Presented May 4-7 At Oak Terrace School

Mr. Arthur Kerwald, chairman of the Show Committee and his committee members are making final arrangements for the cast and rehearsals of "Collegiana," which the Community Recreation Association will stage at the Oak Terrace school auditorium May 4-5-6-7. The professional director arrived last Saturday and actual rehearsals are being held. The younger people meet after school and the principals and older groups in the evening at 7:30. Local musical, dramatic and dancing talent has responded splendidly and there seems to be no doubt that this will be the winning production of the show season.

The scene is a college campus. Other than clever characterization who carry the collegiate plot are attractive and most effective singing and dancing choruses, beautiful costumes, including fine male student songsters, athletic, wealthy, wise, hotcha, co-ed choruses, a lovely campus moon waltz routine, and riotous "Gay Coney Island" number featuring the Bathing Belles of the 90's.

This snappy musical comedy "Collegiana," is being sponsored by the Community Recreation Association of Hghwood at the Oak Terrace School Auditorium May 4-5-6-7 for the benefit of recreation projects.

Annual Spring Card Party May 6th at Lincoln School

Lincoln School P.T.A. will hold its regular monthly meeting next Wednesday, May 4th, at 8:15. There will be the election of officers for the coming year. This will be followed by a lovely afternoon program of piano numbers by Sarah Towner of Chicago. We extend an invitation to all music lovers to come and enjoy this program with us.

The annual spring card party of the Lincoln School P.T.A. will be held on May 6th at 2 o'clock in the school auditorium. The chairman, Mrs. Felix Norden, assures us the table prizes are very unique and

desirable. Another favorable point is the price which is extremely nominal. This is to be a dessert bridge and there are lovely door prizes also. Surely this would be a splendid opportunity to do some entertaining with a minimum amount of effort and yet a good time is assured to all who come.
