Bellarmine Club Dance to Be May 21

George McMahon and his orchestra, who are well-known to many North Shore dancers, will furnish the music for the second annual Anniversary Ball of the Bellarmine Club to be given on Saturday, May 21, at the Arlington Country Club, located on Dundee road, two miles west of Wheeling.

The ball given last year at the Arlington Club was enjoyed by everyone who attended, and every effort is being made by the committee in charge to outdo the successful affair of last year. The Bellarmine Club was formerly known as the St. James Young People's Club.

Jerry Nugent is the chairman of the ball, and Marie Leskie is co-chairman. Assisting them is Phil J. Muzik as ticket chairman. The public is invited to attend, and tickets are now on sale by the board members of the club, or can be purchased from Ambrose Cantaglio at St. James Rectory.

1921 he has become widely known and highly respected. He was married in 1922 and is the father of eight children, seven of whom are students at St. James school and one who attends Mallinocroft. His many friends wish him success in his new business venture.

Mrs. S. J. Johnson Is President League Of Women Voters

Repercussions of the excellent survey of Highland Park's local government by members of the League of Women Voters which was presented at the annual meeting held on April 20 have resulted in an invitation to present the reports to the State Convention of the League being held in Winnetka next week. They will be used as models for other Leagues throughout the country. The survey was the result of a year's intensive work and covers every phase of life in Highland Park and how it compares with other cities of its size as well as how it measures up to the high standards set by the League. Introduced by Mrs. G. V. Gaidzik, program chairman, who presented the League's stand on each of the problems undertaken in the study, the following women gave the reports which had been made up from facts gathered with the help of the entire membership. Mrs. Norman Meiners presented the material on Highland Park's local governmental set-up. Mrs. Monroe Ottenheimer discussed our educational institutions, Mrs. George Lyman gave the report on our labor situation and economic relations in general and Mrs. Wm. V. Bridle outlined what Highland Park does for the welfare of its children.

Following the survey the retiring president, Mrs. Walter Rubens, gave her report and the nominating committee under the chairmanship of Mrs. Roy E. Wyle, presented the slate for the following year, which was unanimously elected. Mrs. J. S. Johnson was made the new president, Mrs. P. E. Ringier, second vice president, and Mrs. L. P. Haller, corresponding secretary. The new precinct chairmen are Mrs. W. H. Gartside, Mrs. James Becker, Mrs. H. R. Pomper, Mrs. Walter Rubens, Mrs. E. R. Jerome and Mrs. C. T. Grimes.

Highland Park will be well represented at the Illinois State Convention of the League of Women Voters which takes place this year in Winnetka May 9, 10 and 11. The meetings will be held at the Community House under the leadership of Mrs. Lolita Bogert, wife of Professor Bogert of the Law School, University of Chicago, who is president of the State League. The program will open with a luncheon on Monday the 9th at which Governor Henry Horner will speak. The subject for discussion will be "Ways in Which the League Program is Hampered by Our Present State Constitution."

On Tuesday members will have an opportunity to see the City Manager Plan as it operates in Winnetka. At a luncheon Mrs. W. W. Ramsey of Chicago will speak on permanent registration. Mrs. Bernice Vandervries, a member of the State House of Representatives, will speak on "Advice from a Legislator," and Mr. Benjamin Adamowski, democratic leader in the Illinois House of Representatives, will discuss "Simplifying a Legislator's Job."

Tuesday evening there will be a Lunquet at the Shawnee Country club at which Prof. Jerome Kerwin of the University of Chicago, Adlai Stevenson and Graham Aldis, all members of the Legislative Voters League, will discuss "What Can We Do to Make Democracy Work Better in Illinois?"

On Wednesday, May 11, a final

luncheon meeting will be held at Community House at which Miss Marguerite Wells, president of the National League of Women Voters, will speak.
 Highland Park members of the State Board of the League of Women Voters are Mrs. A. F. Ghidlen, Mrs. Marc Law, Mrs. Maurice Pollock and Mrs. R. F. Simons.

Doris Kleinschmidt to Model Costumes at Style Show

Several distinctive costumes which she designed and made will be modeled by Miss Doris Kleinschmidt, 2620 N. Deere Park, at the annual spring style show of the American Academy of Art, where Miss Kleinschmidt is studying dress design. The show will be held in Kimball hall the nights of May 19 and 20.

Miss Kleinschmidt has named one of her creations "Parlor Pink," it being an organdie formal with three skirts in layers of pink, white and pink successively, giving a very soft effect. The second skirt will be adorned with artificial flowers.

She will also exhibit "Waikiki," a summer wash dress of Hawaiian raw silk in a deep tangerine shade and "Conchita," an afternoon dress with a white blouse, coral doekin girle and gray swing skirt.

Miss Kleinschmidt is the daughter of Mr. and Mrs. E. E. Kleinschmidt.

Unlike most style shows, all the costumes exhibited at the Academy show are made by the girls who model them. Starting with the original design which they create, the students cut their own patterns and perform every step of the work involved in completing the costume.

May 9th Tag Day For Adult Charities

"When your dime or your quarter clinks into the box of a tag day worker, May 9th, you can be assured that every penny of it will go to charity." This statement comes from Mrs. Arthur Brumback, president of the Chicago Federation of Aged and Adult Charities.

Mrs. W. F. G. Ross of this city will be in charge of tagging to be done in various towns from Evanston to Lake Forest on behalf of the Scottish Old People's Home. Because Highland Park has established a Community Chest, tagging is not permitted in this city. However, the Highland Park computers are tagged when they get to Chicago.
