

### League of Women Voters Convene in Winnetka This Week

Starring in a take-off of Charlie McCarthy and Edgar Bergen Mrs. George Gaidzik of Highland Park made one of the hits of the Illinois State Convention of the League of Women Voters held in Winnetka Monday, Tuesday and Wednesday of this week. "Charlie" represented one of the less bright legislators, Mr. "Bergen" one of the less stupid. Together they discussed the city management plan of government, decided good naturedly that Winnetka liked talking about itself and that since the League of Women Voters was in favor of city management perhaps it was something legislators like themselves should reckon with. Mrs. Gaidzik's impersonation took place after the luncheon at Community House on Tuesday, May 10 when league delegates were listening to a program on legislation.

Other features of the program included an address by Honorable Benjamin S. Adamowski, Democratic member of the State legislature and member of the recently created Legislative council. Mr. Adamowski discussed the background of the new council and what a similar council in the State of Kansas had accomplished in simplifying the legislator's job. The Honorable Bernice T. Van Der Vries, a resident of Winnetka and former president of the Winnetka League of Women Voters and now a state representative from the Seventh District spoke on "Advice from a Legislator" which included the plea that legislators be treated as human beings and not as criminals. Mrs. W. W. Ramsey of Chicago gave a most enlightening report of the success of permanent legislation in eliminating unqualified voters from election lists. Permanent registration is one of the recent legislative achievements which the Illinois League of Women Voters helped materially to bring about in this state.

Highland Park women have had a prominent part in the program of the recent convention. Mrs. Marc Law, vice president of the State league presided at the session held Monday evening at Community house. Among the speakers that evening were Mrs. Raymond Simons, chairman of publicity for the state and Mrs. Jay Glidden finance chairman. Mrs. Maurice Pollak presided at the dinner honoring local league presidents held at Matz hall, Community house Monday evening.

Among the delegates from Highland Park were the new president of the Highland Park league Mrs. J. Sigurd Johnson and the former president Mrs. Walter Rubens and the Mesdames George Carr, George Lyman, Robert Grinnell, Louis Haller, Douglas Boyd, Herman Black, Monroe Ottenheimer, Wm. Bridle, A. W. Kramer, Carroll Binder and Paul R. Kuhn.

Statistics show that the number of traffic accidents increases after sundown despite the fact that there are fewer cars on the road at that time of day.

### Dr. C. W. Balke Is Honored for Work with Rare Metals

(Continued from Page 1)

industry which holds an important place in the manufacture of equipment and parts for the chemical and communications industries. In 1929, Dr. Balke made the first specimens of pure columbium in large sheets, and although development of commercial markets for this new metal has been slow, they have been accelerated only recently by improvements in processes which have resulted in reductions in cost.

Another important work of Dr. Balke has been the development of hard carbide of tantalum and columbium for use in machine cutting tools and wire drawing dies. This work has resulted in the creation of the Vascoloy-Ramet Corporation, one of the three largest manufacturers of carbide tools and dies.

Dr. Balke is the author of many scientific papers, published for the most part in the journals of the American Chemical Society, of which he is an important member. He has made thirty-six patent applications in the United States, of which twenty-one have become issued patents, many of them with corresponding patents in foreign countries.

Dr. Balke is a resident of Highland Park and the father of five children, one of whom, Claire C. Balke, is closely associated with his father in the Fansteel research laboratory.

### Auxiliary Board of Park Ridge School for Girls, Formed

The new board formed as an auxiliary board to the Park Ridge School for Girls is to raise money for an endowment for Solomon cottage. The cottage is one of the important school buildings and one of the two oldest on the campus. It was given in 1908 by Mr. Julius Rosenwald who named it in honor of Mrs. Henry Solomon.

President of the schools board from 1906-1908, Mrs. Solomon's administration had found the school in debt, in need of reorganization and still housed by then inadequately, in the Soldiers Home in Evanston. Here it had opened in 1877 as the Illinois Industrial School for Girls.

Under Mrs. Solomon's energetic guidance, reorganization was accomplished. The Chicago Woman's club and the Illinois Federation of Woman's clubs had become backers of the project and gifts of money from Mr. Rosenwald and Mr. James Patten for two buildings had assured the removal of the school to its forty acre farm in Park Ridge. At luncheon on Monday, May 16, Mrs. Solomon is to be guest of honor and meet the new board and later in the afternoon a gathering of friends of the school will greet her at tea.

The Solomon Cottage Auxiliary board was organized with the assist-

ance of four of Mrs. Solomon's nieces. It is not yet completed but to date it includes: Mrs. R. C. Ingerson, Winnetka, chairman; Mrs. Walter T. Rice, Highland Park, treasurer; a niece, Mrs. Alfred S. Alschuler, Mrs. John J. Adams, Mrs. Walter Cherry, Mrs. Morton D. Cahn, Mrs. Hubert E. Howard all of Winnetka; Mrs. F. Y. Coffin, Evanston.

Highland Park members include Mrs. Richard Kuhns, Mrs. Milton Hirsch and Mrs. Cloud Nathan a niece of Mrs. Solomon; Mrs. Francis W. Parker, Mrs. L. Lewis Cohen, Mrs. Harold Florsheim, Mrs. Hugo Sonnenschein, Mrs. Lawrence Stein and Mrs. Wm. F. G. Ross.

### Exhibition Tennis at Exmoor Club

Exhibition tennis matches will be held at the Exmoor Country club on Sunday afternoon at 3:30 o'clock. The players will be Robert L. Riggs, second ranking United States player, and William and Chester Murphy, who hold first and second places, respectively, in the Western Tennis association; John Hennessey, former Davis cup player, and Marvin Wachman, captain of the Northwestern university tennis team.

### Fire Destroys Everglades Club Sunday Afternoon

The Everglades Country club, roadhouse and gambling establishment located at Dundee and Skokie roads near Northbrook was completely destroyed by fire Sunday afternoon. It was the second time in four months that fire had attacked the club. The fire on January 13th, only partially damaged the club while the conflagration on Sunday totally destroyed the building and contents.

Fifteen employees and seventy five patrons, fled from the building when smoke began pouring out. One of the employees was badly burned while trying to aid George Turner, the manager in carrying out a few pieces of furniture and the money which was waiting for a play from the usual Sunday night crowd. Damage was estimated at about \$50,000, including the destruction of equipment, bars, a large liquor stock and the building. Defective wiring is believed to have been responsible for the fire.

As daylight grows dim, decrease your speed and increase your cautiousness.

### Bernard M. Baruch Keeps A Copy Always Handy

"Your magazine has become the standard by which I judge a current article. If you publish it, I know you think it good enough for ordinary folks like me to read. I hope you will always keep up that standard. My reading table, and Mrs. Baruch's table are never without it. Other copies I scatter around the house for friends to read or carry off."

If you do not already know The Reader's Digest, you may have a sample copy free, by addressing your request to Dept. V, The Reader's Digest, Pleasantville, N.Y.

THE EDITOR.

### Pneumonia Fatal To Railroad Chef

Albert Dughi, 55 of 343 Prairie Avenue, Highwood, died Thursday at the Highland Park hospital following a brief illness of pneumonia.

Mr. Dughi, who had resided in Highwood for 15 years was head chef of the New York Central lines. A streptococcus infection following pneumonia caused his death.

Funeral services were held Monday morning at 9:30 o'clock at St. James church. Interment was in Mooney's cemetery.

The deceased is survived by his wife Anna and one sister.
