Speaking of rummage sales calls to mind this anecdote: Two local men meet—

First man: "What's the matter with your wife? She acts all broken up lately."

Second man: "She's had a terri-

ble shock. She was assisting at a rummage sale, took off her new hat, and someone sold it for thirty-five cents."

A WHITE DEPOT

The Deerfield Woman's club members at their recent annual election voted to make a request that the C. M. & St. Paul depot be painted white and have green shutters; that the interior of the building be renovated; and that a pay telephone be installed there. The secretary was instructed to write to the railway officials making the request. With the depot and the blacksmith shop (Hvale Forge) both painted white with the colonial touch of green shutters, no station from Chicago to the coast would be more attractive. The grounds are beautifully landscaped, through the efforts of the former Deerfield Garden club, and are well cared for by employees of the railroad. A shelter has been erected for north bound passengers and is being painted a deep brown. This, too, would be more attractive painted white.

The annual benefit card party sponsored by the Deerfield Woman's club will be held on Tuesday, May 24, at 2 p.m. at the Briarcliff Golf clubhouse.
