Is a Loan the way out?
Before you borrow, make sure of two things. Will a loan help you get out of the red or will it get you in deeper? If you do borrow, will you be able to repay your loan? When a loan will help the borrower Household Finance plan described below.
Don't Get a Loan until you read these features of the Household Finance plan
1. If you can make regular monthly payments, Household Finance invites you to apply for a loan of \$20 to \$500 on furniture, car or other items.
2. Small monthly payments. Take up to 20 months to repay.
3. No co-signers required. No wage assignments.
4. Quick action—no tedious waiting.
5. Monthly charge—3% on balance of \$150 or less.
6. 2% on balances above—less than the lawful maximum on all loans above \$150.
7. No credit inquiries of friends or relatives.
