It is with deep regret that the township supervisor's office announces the project in the Deerfield Grammar school for nurse and office assistant has been closed by the WPA authorities. Mrs. Judith N. Kerrihard, the nurse, and Miss Margaret Pfister, the secretary, have served the school so efficiently the past year and they have received high commendation from their superior officers. The reason given by WPA for the closing is that the pro-

ject with only two members is too small to be renewed and that funds allotted the present project have been depleted. The services of the nurse and her assistant have been entirely free to the school.

Mrs. Richard Supple sends her renewal to the Press from her home in Miami Beach, Florida with these words: "I often look back to the old friends and I have felt much sorrow at the loss of those it had been my privilege to know." The Supples lived on County Line road and Mrs. Supple was one of the founders and charter members of the Deerfield Grammar school Parent-Teacher association. The entire family was active in community affairs and the eldest daughter, Winifred, was a teacher in the local grade school when there were but four teachers in 1913.

VILLAGE BOARD

The usual routine of business was quickly disposed of last Tuesday evening at the May meeting of the Deerfield Village Board. Trustee Ralph Peterson was appointed by Mayor C. M. Willman to attend the hearing of the Illinois Commerce Commission Country Towns busline project in Chicago on May 26, representing the village.

The board authorized the purchase of hose for the fire department. Nothing further was mentioned concerning the buying of a police squad car.
