Four Runaway Lads Picked Up Here

During the past week, four youngsters have been picked up by Highland Park police for running away from home. Theodore Polington and Dale Vaughn, both 11 years old, of Winthrop Harbor, were picked up here Friday evening, flagging rides on the highway. The two youths were headed for Texas.

Tuesday noon, two 14 year old lads, Robert Jones and Leighton Chapman of Kenosha, were picked up here, enroute to Chicago.

Golf Team Places Third In League Competition Monday

The High school golf team won third place in the Suburban league competition a result of a defeat New Trier handed us last Monday.

The golfers would have taken second position in the league standing if it hadn't been for the 13 1/2 to 1 1/2 defeat that the New Trier squad handed them at Sunset last Monday.

First place went to Waukegan, when they defeated Proviso at Waukegan last week.

May ninth, the team defeated Oak Park at Oak Park, when Julio Campagni played superb golf and came in with a score of 78, only to lose one down to Earl Wilde.

Campagni, the number one man of the team, has played the toughest men the league has to offer, and has come through in the crucial moments with the needed points to win. Usually playing in the second spot this year, is Deno Tamarri, the little "boy blue" of golf. Deno's perfect swing helped him to come in with a neat 79 at Lake Forest academy.

"Harry Mussato, number three man, is the key man of our victory pursuit," said Mr. Bolle, the coach, referring to the fact that Harry has compiled twelve and one-half points out of a possible fifteen in his five matches.

High School Students Entertain The Aged With Stunts Program

What proved to be a great treat and an afternoon of rare enjoyment was given to the Presbyterian Old Peoples Home in Evanston Tuesday afternoon when Mrs. Harry Pier, chairman of Social Service of the Womens association of the Presbyterian church arranged a program for them.

Mrs. Pier had the cooperation and interest of the Highland Park High school, and was delighted at her good fortune in having so many of the splendid acts of the recent Student Stunts repeated down there.

It was a touching and lovely sight to see the many silver-haired men and women all gathered together in the large audience room, eagerly awaiting the coming of the young people, and their delight and thorough enjoyment was manifested in their smiling faces and vigorous applause.

It was indeed an unusual array of talent, and the young people all did so well, and seemed to enjoy giving this pleasure.

At the close of the program the entire group gathered together to sing Happy Birthday to all the folks

who had May birthdays and the girls presented each of these with a little gift, also a little bouquet of pansies and forgetmenots which had been sent down by one of the women of the church, and a smiling "Happy Birthday."

Every act deserves special mention but they were all charmingly given and of a very fine artistic quality, and because so many of the audience do not hear well they loved the music and the dancing and the chance to see these fine young people. Those who gave so generously of their talent were the string quartette, Dorothy Burnham, Peggy Bingham, Louise Lyman and Morton Raff, the vocal trio Marjorie Haworth, Anne Griffith and La Verne Meinhard; Frank Moran and Ruth Chalmers danced, Daniel Cobb sang, Eva Dinelli and Robert Lundin pianists, and Jasmine Sesso played the accordion.

They will not soon forget this happy afternoon, and the young folks felt equally blessed in entertaining so many who never leave the home.

It is important for the driver of a car to be in first class physical condition as it is for the motor of the car to be in good mechanical repair.
