Nat'l Air Mail Week Is Enthusiastically Received By Citizens

The old Highland Park day spirit of enthusiasm and interest was witnessed last Thursday afternoon, when several thousand residents turned out to participate in National Air Mail Week and the first air mail flight from Highland Park.

A parade of the largest proportions that has ever marched through the main streets of the city, recalled to many of the "old timers" how the town turned out "in full" waiting for hours for the greatest event of the year, "The Highland Park Day parade" to march down main street, several years ago.

Leading the parade was Melvin Moon with his special delivery motorcycle. Then followed the color guard and Infantry band from Fort Sheridan, the Boy and Girl Scout troops, postal employees and officials and the mail trucks.

Three former postmasters, Hugo Schneider, William E. Brand and Mayor William M. Dooley, also rode in the parade.

The Highland Park fire department with its old 1912 hook and ladder, the 1929 fire engine and the new 1938 streamliner made a very impressive addition to the occasion.

Harry Hart with his covered wagon and the old pony express recalled the pioneer methods of transporting mail.

Many of the local merchants also participated, for which Fred Moon, assistant postmaster is deeply grateful. Due to the lack of time for arrangements, some of the merchants may have been overlooked, but it was not because they were not wanted.

The line of march began from in front of the post office, proceeded south to Central on Sheridan, west to St. Johns, south to Laurel avenue, north on First street to Central avenue, west to Hickory street, south on McDaniels and west on Deerfield avenue to Golf court and the Sunset Valley course.

Here Mayor Dooley and Postmaster Cobb gave short talks, after which the pony express arrived with the air mail which was placed aboard a plane piloted by a Highland Park postal clerk, Joseph P. Ugolini, who had received a one day commission as a regular air-line pilot for this special flight.

Postmaster Daniel Cobb and Fred Moon are deeply grateful for the cooperation of the citizenry for making this celebration so successful an affair.

SCOTCH SCONES

(May 16, 1938)

- 2 teas. baking powder
- 2 cups flour
- 1/2 teas. salt
- 1/2 tbsps. sugar
- 2 tbsps. shortening
- 2 eggs
- 1/2 cup milk

Sift flour, baking powder, salt and sugar together. Cut or rub shortening into flour mixture. Beat eggs, add milk and stir into dry ingredients, stirring gently. Roll out about 1/4 inch thick and cut in pie shaped pieces keeping the edges straight. Place on greased baking sheet and bake in hot oven (425 degrees) 15 to 20 minutes. If desired, before baking brush with milk and sprinkle with sugar.

RHUBARB CHARLOTTE

(May 17, 1938)

- 2 tbsps. gelatin
 - 1/2 cup cold water
 - 3 cups cooked, sweetened rhubarb.
 - 2 tbsps. orange marmalade
 - 1 cup whipping cream
- Soften plain gelatin in cold water. Dissolve by placing cup in pan of hot water. Add to rhubarb and orange marmalade and stir occasionally until mixture begins to set. Fold in whipped cream, turn into mold and set in refrigerator to become firm.

STRAWBERRY JAM

(May 18, 1938)

- 1/2 cup unstrained lemon juice
 - 1 qt. strawberries (4 cups)
 - 4 cups sugar
- Wash; drain and hull berries, measure. Place in layers in large preserving kettle, covering each layer with sugar. Let stand 4 hours. Put on to cook. Bring to a full roll-

ing boil, and boil 8 minutes. Add lemon juice and again bring to full rolling boil, then boil 2 minutes longer. Turn into hot sterilized jars and seal at once; or into hot sterilized glasses. Cover with melted paraffin.

APPLE SAUCE CAKE

(May 19, 1938)

- 1 cup butter
 - 2 cups sugar
 - 2 eggs (optional)
 - 1/2 teas. cinnamon
 - 1 teas. cloves
 - 1 cup chopped nut meats
 - 2 cups raisins
 - 2 teas. baking powder
 - 2 cups unsweetened apple sauce
 - 1 teas. vanilla
 - 3/4 cups flour
- Light gas oven and set regulator at 375 degrees. Cream butter and sugar, add eggs if used, and cream again. Sift salt, spices and flour; into this stir the chopped nuts and raisins and mix thoroughly. Beat the soda into the unsweetened apple sauce until sauce is foamy; stir into butter and sugar mixture. Add dry ingredients and vanilla. Make a large sheet cake or three 9 inch layers. Bake layers 25 to 30 minutes or in a loaf pan in a moderate oven (350 degrees) for 45 to 50 minutes.

N. S. Gas Company Collaborates in Nation Wide Contest

Emphasizing the demand for up-to-date household refrigeration existing not only in this community but throughout the nation, T. P. Clark, sales manager of the North Shore Gas Company, announced today that the company is collaborating in a nation-wide competition in which 300 modern refrigerators will be awarded to the same number of winners. The period of the contest is from May 20 to July 1.

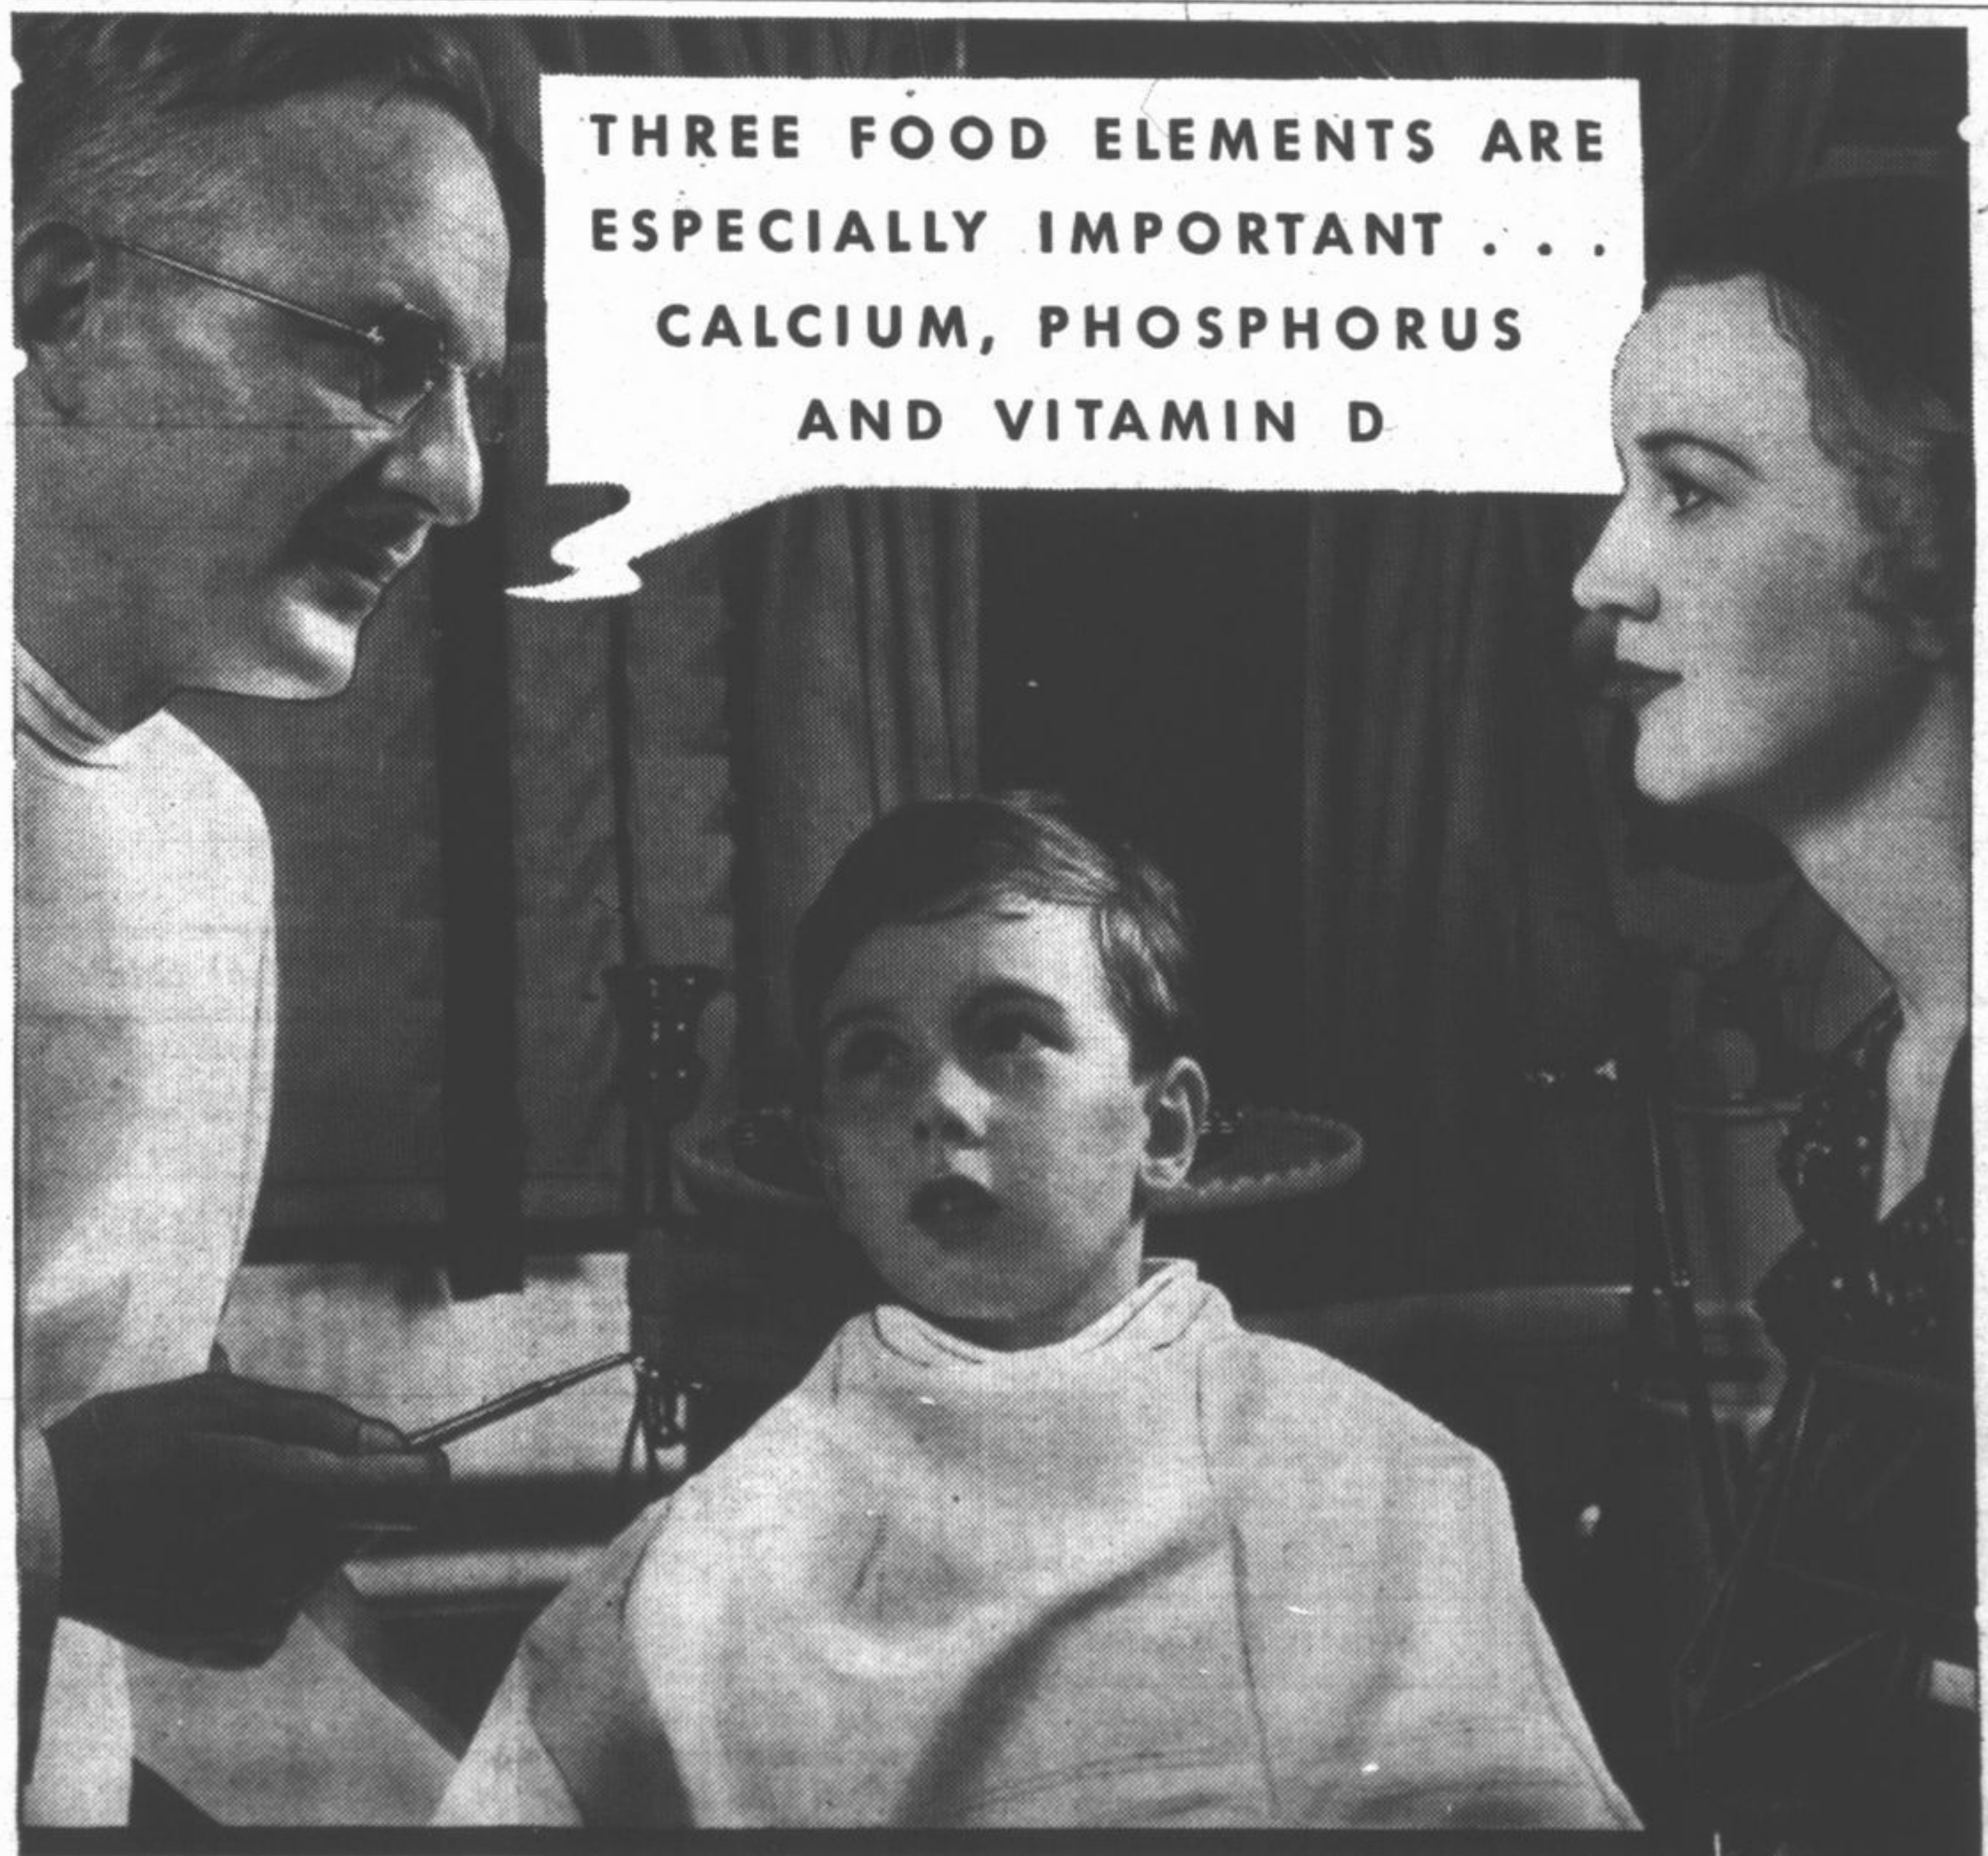

"The current increased interest among the people in this community in up-to-date refrigeration will be heightened through this competition and our company therefore takes pleasure in announcing its cooperation in the contest," Mr. Clark stated. "For this reason we are inviting all interested persons to call at our salesrooms where free entry blanks will be available, and where complete information regarding the contest can be obtained."

"The contest is conducted by Procter and Gamble, the well-known soap manufacturing concern, in collaboration with Servel, Inc., makers of Servel Electrolux refrigerators operating on gas and kerosene.

"The terms of the contest are simple. Contestants are invited to submit a statement of twenty-five words or less to complete the sentence: 'I like P & G White Naphtha Soap because'. The 300 refrigerators will go to those who are adjudged as the best writers of the twenty-five word sentence. The sentences will be judged on their originality, sincerity and aptness of thought.

"The contest is carried on as part of the soap company's 'Guiding Light' program which is broadcast over an NBC network every afternoon excepting Saturday and Sunday. On each of these days for the six weeks between May 20 and July 1 ten of the refrigerators will be offered as prizes.

"We would like those who feel that they have an aptitude for participating in contests of this kind to try to win a refrigerator. It would be a source of satisfaction to our company to have one or more persons in this vicinity numbered among the winners. Three hundred persons in all will win. Therefore, we say 'Why not try to be one of the three hundred?'"

THREE FOOD ELEMENTS ARE ESPECIALLY IMPORTANT . . .

CALCIUM, PHOSPHORUS AND VITAMIN D

Bowman's Irradiated Vitamin D Milk
