

### Many Festivities Mark Closing of Dist. 108 Schools

A Field Day program was enjoyed Friday, June 3, by the parents and the children of the Ravinia school. An opening parade by the children of the school and a concert by the district band of the school lent color and interest to the day. The picnic supper followed by a father-son ball game concluded a very happy day for all.

Monday, the sixth of June, a similar Field Day was held at the Braeside school but with certain handicaps due to rainy weather and the unfinished condition of the grounds. A cafeteria supper was served in the new auditorium.

The Lincoln Field Day will be held on the park grounds across from the school on Monday, June 13. A program of relays and ball games and a picnic supper with the parents is being planned.

One of the features of the Ridge Field Day will be a Flag Day program by the Cub Scouts under the direction of Mr. Sternig. Track events, ball games and a picnic lunch will be other features of the day.

The graduating class at the Lincoln school is presenting Shakespeare's "As You Like It" in the Lincoln school auditorium on Friday night, June 10, at 8:15. A small admission charge is being made and the proceeds will be used to buy a gift for the school.

The Braeside graduating class presented "Midsummer Night's Dream" on Wednesday evening, June 8, in the new Braeside auditorium.

The new addition to the schools in District 108 are all finished and are in use with the exception of the Lincoln school. However, these rooms are rapidly being finished and will be occupied when school opens in September.

### City to Purchase Two New Squad Cars

Highland Park automobile dealers have been asked to submit bids for the new 1938 squad cars to supplant two Plymouths of last year's models.

Each year the city purchases three squad cars, but inasmuch as one of the 1937 cars was wrecked late last fall and a new 1938 automobile purchased immediately to replace it, there will only be two secured at this time. The 1938 car has only about 14,000 miles registered on the speedometer, so it will not be traded in.
