

### Several Local Boys to Graduate from Lake Forest Academy

Hundreds of alumni, patrons and friends of Lake Forest Academy living in all sections of the Central West, will gather on the campus Saturday and Sunday of this weekend to celebrate a dual anniversary—the completion of the school's 80th year, and to honor John Wayne Richards at the close of his 25th year as headmaster.

Class day exercises will be held on the front campus at 3:30 Saturday afternoon. At 5 o'clock, following the traditional ivy-planting ceremony by the outgoing class, ball teams composed of "odd" classes and "even" classes will engage in the annual ball game on the Academy diamond. The alumni stag dinner will be held in the Academy dining room at 7 o'clock with Headmaster Richards making the address of welcome. Also on the program will be Senior Master E. J. Rendtorff and Trustee James R. Offield, '99, and others of the alumni.

Concurrent with the alumni dinner, a buffet supper will be served women guests in Reid Hall. The annual Senior commencement dance to be held in the gymnasium will begin at 8:30 p.m.

The graduation exercises, weather permitting, will be held on the front campus at 12:15 p.m. Sunday, with Dr. Charles Reynolds Brown, Dean Emeritus of the Divinity School of Yale University, delivering the principal address, and representing Yale University, Headmaster Richards' Alma Mater, at the ceremony. Dr. Brown's address, the subject of which will be "What We Live By," will be broadcast over Station WGN, Chicago, starting at 12:30 p.m. In the event of inclement weather, the graduation exercises will be held in the Presbyterian church.

President Frank W. Read of the Academy Board of Trustees, will present diplomas to the sixty-one members of the graduating class, which includes the following local boys: Stever Aubrey, son of Mr. and Mrs. James T. Aubrey of 234 Central Ave.; Paul W. Haskins, son of Mrs. Virginia W. Haskins, of 256 Moraine road, and Kenneth G. Ives of 210 Laurel Ave.

## LIBRARY

Something to do during vacation: A whole year has passed, school is finished, vacation has arrived and there is time to do a great many things you have wished to do.

As in previous years, the Children's department of your Public Library offers a reading project for the summer.

"Fill Your Bookcase" is our suggestion for this year. A cheerful looking leaflet picturing a bookcase containing numerous books will be given to each child who registers. Lists of books suggested for the various grades have been prepared and will be distributed on request. The titles of the books that are read will be written on the backs of the books in the bookcase, and each book will then be gayly colored with crayon.

Those who can put seven books into the bookcase will be awarded a blue star, and those who may place twelve or more books in the bookcase will have earned a golden star at the end of vacation.

So come in and ask for your lists. There will be good old friends to rediscover and many new ones to get acquainted with.

The summer reading project begins on Thursday 16 and will continue throughout the summer, closing as usual with the opening of the schools.

The women of the Holy Cross church are continuing their rummage sale again this week in the store next to the Deerfield bakery shop. The sale will be held on Thursday, Friday and Saturday of this week.

### Father's Day Was Originated in 1910 in Spokane, Wash.

Father's Day, according to the most authentic information was first celebrated in Spokane, Wash., in 1910, originated by Mrs. John B. Dodd, sponsored by the Young Men's Christian association.

In the following years the event gained impetus in the Middle and Far West where it has been recognized officially for some years in many localities.

In 1933 the State of Delaware granted a charter to Charlotte K. Kirkbride, C. Carrie Sternberg and others for the celebration of Father's Day on a Sunday in June each year under the laws of that state.

On Oct. 2, 1913, Representative J. Hampton Moore of Pennsylvania introduced a bill in congress providing that a Sunday in June each and every year thereafter be designated as Father's Day but no definite action was taken.

In 1918 the Stars and Stripes, organ of the American Expeditionary Forces, arranged a Father's Day for the American troops in France.

In 1918 Representative Snell introduced a resolution in congress for the purpose of making a holiday for Father in June, but the measure was unauthorized.

Observance of Father's Day became more general in 1922 when the Associated Men's Neckwear Industries, Inc., decided to utilize it, encourage it and sponsor it.

About that same time a group of newspapers banded together in collaboration with the Greeting Card Association of Boston to determine the exact date on which the celebration should take place and officially decided that since some large associations had already selected and were using the third Sunday in June that day should be fixed as the one to be celebrated.

Accordingly the Greeting Card association since that time in its publicity matter, catalogs, etc., has adopted Father's Day as the third Sunday in June.

Some time prior to this Lions International had recommended the observance of a Father's Day and promoted and developed it, reaching the point in June 1923, when in convention at Atlantic City, they passed a resolution appointing a day as Father's Day.

### Staff Members Leave for Camp Ma-ka-ja-wan

Camp Ma-Ka-Ja-Wan will soon open. It is only nine days until the first period campers for Camp Ma-Ka-Ja-Wan will be on their way on the crack train of the Chicago & Northwestern railroad, the Flambeau.

The day after tomorrow, Saturday, twenty-five camp-staff members leave for Camp Ma-Ka-Ja-Wan to have camp in complete readiness for the scouts when they arrive on Saturday, June 25.

### Highwood Boosters Beat Waukegan 4-0

Harry Skidmore's remarkable pitching behind some very brilliant defensive team work gave the undefeated Highwood Boosters leaders in the Illinois State Amateur league a 4-10 victory over the fast stepping Waukegan nine at Waukegan last Sunday, for the fifth straight triumph of the season.

This was Skidmore, well known Northwestern university ace moundman who defeated such a team as Notre Dame baseball nine and many others. First starting assignment with the Boosters, and sure staged a very impressive performance by striking out 11 and allowing 2 scattered hits, one by Edwards, Waukegan star 2nd baseman who just returned recently from a trip out with the Milwaukee Brewers, and one by Day slugging 3rd baseman.

The Boosters next Sunday, June 19, will start their home stay as follows:

Highwood	Waukegan

Safe, attractive sidewalks that stay put are built with **CONCRETE**

TAKE a good look at your sidewalks. Compare the walks made of concrete with those of other materials. You'll discover that concrete's light, clean, even surface is pleasing to the eye and pleasing to walk on . . . that it drains quickly and is usually free from sloppy puddles . . . that it adds to the value of your property and the appearance of the whole neighborhood.

But there's more to the story. Concrete walks reduce pedestrian accidents; protect against costly damage suits. Their moderate first cost, durability and freedom from repairs make them cheaper, in the long run, than walks made of any other materials.

When it's sidewalk building time—public or private—concrete for economy, safety and satisfaction.
