

Double Main Event To Feature Wrestling Card At Grayslake

A double main event and a special feature attraction will headline the fourth all-star heavyweight wrestling card of the season at Peg's Open-air Arena, Grayslake, Friday night, July 15.

Rudy Kay, the most hated wrestler ever to appear in Lake county, returns after a year's absence to match grips with Ralph Garibaldi, clean-cut and clever Italian star. Kay, it will be remembered, held Jim McMillen to a one hour draw at Round Lake a year ago, and before that won seven pro starts in succession over all comers. He will meet Garibaldi in a one fall match

to the finish in one of the feature goes Friday.

The other feature on the twin-windup show pits Fred "Legs" Gruber, famous Iowa scissor expert and tops as a Lake county favorite, against Hans Schnable, vicious and powerful German heavyweight who conquered Rudy Strongberg in a great match at Grayslake last week. The special feature attraction in-

roduces for the first time the crowned heavyweight champion of the world, undefeated Ralph "Ruffy" Silverstein. Ruffy, the greatest college wrestler ever developed, and thrice winner of the National Collegiate Championship while at the University of Illinois, defeated Jim McMillen before 23,000 people in the Chicago Stadium last winter to win the Illinois State Heavy-

weight Championship, and is rated by the Illinois Athletic Commission as the number one ranking contender for world's championship.

Ruffy will have a tough time of it going against "Slugger" Jack Conley of Boston, whose favorite hold is a sock in the jaw.

In the preliminaries, El Sayre, former captain of the University of Illinois' football team and now

coaching Colorado U, football and wrestling teams, will tangle with "Bull" Curley powerful tattooed mat artist. Sayre, whose home is in Waukegan, will have a world of friends at the ringside.

George Mansor, giant Arabian, meets Jim Hefner, diminutive Texan, in the other prelim. Lou Gordon will referee. Usual ticket prices of 50c and \$1 will prevail.
