300 Board Members to Attend Picnic at Arden Shore July 18

Preparations are under way this week for the annual highlight in July festivities at Arden Shore, the board picnic, on the 18th of this month, to which all board and committee members, chairmen and other friends of the camp are invited. The guests (300 strong, if the weather gods are kind), are taken on a tour of the camp when they arrive, after which they eat their box lunches out under the trees, around hospitable picnic tables.

After luncheon, the Arden Shore campers give a program to demonstrate the different kinds of work done there during the summer... nature study, dancing, drills, sewing, swimming and lifesaving, with a surprise pageant as the grand finale. This year word has leaked out that the pageant will concern itself with the career of the loveliest little prima donna of the hour... Snow White.

The summer camp, which will provide two weeks' outings for some 2,000 children, mothers and grandmothers from Chicago's hot and crowded tenement districts, opened on June 23. Five hundred is supposed to be capacity at Arden Shore, but Miss Anna Belle Ferrer, executive head of the camp, and her competent staff always manage to squeeze in and care for those extras who manage to come along every year.

Not even the flood of June 30 could dampen the ardor of the first group at camp. The grandmothers were marooned in their cottage, and thought it fun; the mothers splashed happily about, taking care of their babies; and the children enjoyed every minute of it. The water was warm, the mud plentiful, they were allowed to go barefoot from morning till night, and the damage done to camp equipment was none of their business. They had a wonderful time!

Mrs. Robert B. Gregory is honorary president of the Arden Shore board of directors, and Mrs. Herbert S. Nock, president, with Mrs. Richard E. Cambill, Jr., Julianna Holmes, Chicago; Mrs. Henry C. Ponscher, Evanston; Mrs. Roy R. Marquardt, Wilmette; Mrs. Julius A. Peterson, Kenilworth; Mrs. Clark L. Keator, Winnetka; Mrs. Reed G. Landis, Glencoe; Mrs. W. Ross Marvin, Ravinia; Mrs. S. H. Bingham, Highland Park; Mrs. Thomas Connors, Lake Forest; and Mrs. Horace F. Ferry, Lake Bluff.

"100 Men and a Girl" at Deerpath Theatre

"100 Men and a Girl," "Doctor Rhythm," and "Test Pilot" at the Deerpath this week.

"100 Men and a Girl," starring Deanna Durbin and Leopold Stokowski, comes to the Deerpath Thursday and Friday for a return engagement by popular request. Besides the incomparable singing and astonishing acting ability of Deanna Durbin, and the superb music and screen presence of Stokowski, the supporting roles raise the picture to great heights. Adolphe Menjou, Alice Brady, Mischa Auer, Eugene Palette, and Billy Gilbert are stars with enviable records for the portrayal of character roles, and in "100 Men and a Girl" they have presented their best efforts.

Bing Crosby, as the melodious medico and Beatrice Lillie, London reigning queen of satire, form a partnership that showers dividends of laughs and rhythm and gives screen musical comedy a zest, charm and warmth heretofore only seen on the stage. "Doctor Rhythm" is a lighthearted O. Henry story of a New York physician who dons a policeman's uniform for a day only to fall in love with the beautiful young lady, Mary Carlisle, he is assigned to guard. A talented cast of comedy players includes Andy Devine, Laura Hope Crews, Frank Elliot and Sterling Holloway. Coming to the Deerpath Saturday, Sunday and Monday.

"Test Pilot," which opens at the Deerpath Theatre Tuesday for a three day run, is the story of a man whose life is a constant gamble with death. It is a strong drama, but so realistic and so authentic in all flying sequences that every aviator in the land will undoubtedly point to it as a milestone in the progress of motion pictures. Clark Gable, Myrna Loy, Spencer Tracy and Lionel Barrymore head the cast. Gable handles his part superbly, returning to the type of characterization which has made him the number one star of the world. Myrna Loy, as an unsophisticated, yet brilliant country girl, is the central figure of an unusual triangle. Spencer Tracy, as Gable's bosom pal and severest critic, has another powerful and dramatic role. Lionel Barrymore, here given his biggest role in years, once again proves an artistry which has made screen history.

Iredale's to Add Attractive Line of Values in Furniture

Before very long, Iredale's will present to the people of Highland Park and its vicinity a new high quality furniture group including period reproductions and modern styles. For the first time correctly built and carefully tailored at new low prices.

This group will be known as the Veluxea, that can be had in authentic 18th century reproductions including French, Modern, plus Swedish Modern. These designs have been selected by the nation's foremost designers aided by the judgment of some of America's finest retailers.

It has the same fine workmanship, careful tailoring and wide selection of smart fabrics for which the regular Valentine-Seaver line has long been famed.

This new Veluxea group is the result of a revolutionary furniture manufacturing and merchandising plan. Heretofore furniture of this quality and styling has been available only at custom built prices. But now, for the first time real style furniture of superior quality is being manufactured on a planned

production basis. This great achievement could only be successfully undertaken by the largest furniture manufacturer with vast financial and production resources.

In the next six or eight weeks watch for this display at Iredale's.

Over \$1,000 Cleared at Recent Carnival of Holy Cross Church

The summer festival and carnival conducted by parishioners of the Holy Cross church, Deerfield, was a decided success. "Holy Cross Topics," the church weekly publication, states:

"The summer festival conducted over last week-end was a decided success. No small number of visitors were kept away by the radio and paper reports that Deerfield was under water. Judging by their conduct, those who came enjoyed themselves and comments about the dinner were uniformly favorable. From the very important financial angle again it was successful with a net return of about \$1075. All bills are not yet checked and possibly there may still be some returns but that at present is the estimated net. Thanks are certainly due our workers before, during, and after the party. It would certainly be hard to match them and again many thanks. So too with many of our business men and especially Phil Johnson who donated and cooked nearly 300 pounds of meat.

"The prize winners were as follows:
"Card table and chairs, Evelyn O'Connor; electric fan, William Murphy, Chicago; set of dishes, J. Daly, Chicago; Silex coffee and tea maker, Mrs. Jas. McLaughlin, Prairie View."

The annual Murphy day celebration on Sunday drew a large crowd. Proceeds of the carnival (\$1075) will be used on the new church rectory.

THE WHOLE NEIGHBORHOOD LOOKS BETTER SINCE WE PAVED WITH CONCRETE

"I WISH we had put concrete on our streets long ago. Aside from being the best to drive on, it keeps itself clean, looks better, and has made our neighborhood more desirable. Property values are up."

That's not half the story. Your own experience tells you that concrete helps you to drive safely; that it effectively checks skidding; that its light-grey surface helps you see at night.

And concrete saves you money because it is moderate in first cost, low in upkeep and long lasting.

Be guided by your experience and observation. When your streets come up for paving—insist on concrete.
