

North Chicago Days to Be Celebrated August 3 to 7

North Chicago and Lake county are awaiting the moment when the eleventh annual North Chicago Days Celebration will get under way on Wednesday, August 3.

Sponsored by Sharvin Post No. 397 of the American Legion, and backed by the business and professional men of the community, this affair has drawn crowds of as many as 12,000 people in previous years.

Featuring the first two days of the celebration will be the appearance of prominent republican and democratic candidates for public office.

Wednesday, August 3, has been designated as Republican Day, and in addition to Ferre C. Watkins, who will appear for Richard J. Lyons, Lake county's own candidate for United States senator, all candidates for county office will be introduced.

Thursday, August 4, has been set aside for the democratic party and this day will be highlighted by the personal appearance of Congressman Scott W. Lucas, who is the democratic candidate for United States senator. All county candidates for office will be introduced.

Free old time and modern dancing will be the feature attraction on both Thursday and Friday evenings, with Frank T. Stites, popular dance caller at the "mike." A cordial invitation has been extended by George Biederman, general chairman, to everyone who enjoys this form of recreation, to be the guests of North Chicago's business and professional men on these two evenings.

Wednesday through Saturday, there will be a baseball game at 6:30 p.m. on the ball diamond in Foss Park, bringing together the very best of the semi-professional ball teams of the district.

The program for Sunday will climax the celebration with the appearance of seven senior and ten junior drum and bugle corps in a parade which will start off promptly at 1 p.m. The parade, which will be reviewed by Lawrence Applequist, state commander of the American Legion, will be headed by the massed colors of all the Legion posts in Lake county, and is one of the most colorful spectacles to be seen, drawing thousands of interested spectators from all over the northern section of the state.

The finest talent in the state is represented in the registrants for the drum and bugle corps competition with Victory and Square Posts of Chicago, Elgin, Cicero. The junior corps, with members ranging in age from 8 to 18 years, will present a most recent activity of the American Legion in its Americanization program.

At 5 p.m. on the ball diamond in Foss Park, three each of the Senior and Junior Corps will compete for cash prizes amounting to \$500 and this colorful display attracts many thousands of interested spectators.

The celebration will be held in North Chicago's Foss Park overlooking Lake Michigan, where ample parking space, and every modern comfort and convenience will be provided for visitors.

Red Cross Issues Caution to Swimmers

With 7,000 death-by-drowning warrants signed and sealed, delivery awaits only the right combination of sweltering days and careless swimmers, according to the American Red Cross life saving service, which has done more than any single agency to reduce the annual occurrence of water accidents. Last year approximately this number of drownings were reported in the United States.

D. Melville Carr, director of life saving in the Chicago chapter, suggests the following safety precautions:

- "Learn to swim correctly.
 - "Swim only at supervised places.
 - "Swim only within easy reach of safety.
 - "Wait two hours after eating before entering the water.
 - "Do not try to show off skills not possessed.
 - "Never swim alone.
 - "Avoid long swims.
 - "Never dive into muddy or shallow water without first exploring the bottom with the feet.
 - "If caught in a swift current, swim with the current, making for the shore at angle.
 - "Avoid changing seats in small boats.
 - "When a boat overturns, stay with the boat.
 - "In paddling a canoe, keep the weight low in the boat."
- The Chicago chapter in cooperation with the Chicago Park district is now conducting a series of courses in safe handling of small craft.

The bride of a few weeks noticed that her husband was depressed. "Ernest, dearest," she said, "I know there is something troubling you, and I want you to tell me what it is; your worries are not your worries now—they are our worries." "Oh, very well then," he said; "we've just had a letter from a girl, and she's suing us for breach of promise."
