

Miracle Cleaning Machine in Operation At Unique Cleaners

Large numbers of North Shore residents who have visited the Unique Cleaners at 24 N. Sheridan road during the past week to see the new dry cleaning machine recently installed by its owner, Ray Molendi, in operation, have been deeply impressed by the efficiency and thoroughness of the new "Miracle Machine."

As one visitor to the plant explained, "they say there is nothing new under the sun, but after visiting that machine, so modern in mechanism, so compact and completely efficient in operation that not even a thread can be displaced, it proves that this is truly a miracle machine, and there is something new under the sun."

The Crystal Clear Dry Cleaning Machine is a self-contained dry cleaning plant in one unit.

In this machine the garments automatically pass through the various stages of the complete dry cleaning process with a minimum amount of handling, and wear and tear.

At no time during the cleaning process are the garments subjected to any severe strain, rubbing, pulling or baking.

The Crystal Clear System of cleaning clothes is a cold system and absolutely dry. This eliminates any possibility of shrinking or stretching any fabric or affecting the most delicate coloring.

All of the solvent in the Crystal Clear Cleaning System is constantly filtered and distilled and supplied to the cleaning compartment at the rate of 1,000 gallons per hour insuring the garments being submerged in clean solvent every second during the cleaning cycle.

Garments cleaned in the Crystal Clear Dry Cleaning Machine will last longer as they are not subjected to any heat treatment for deodorizing purposes as is the case of other methods of cleaning.

The extreme high volatility of Crystal Clear Solvent leaves the garments absolutely odorless within a few minutes after removal from the cleaning machines. This guarantees the garments reaching you free of offensive odors and free of any solvent residue.

Mr. Molendi invites the public to view his plant and see this remarkable machine in operation.

F. Von Schacht to Meet King Kong at Grayslake, Friday

Friedrick Von Schacht, 6 foot 6 inch 245 pound giant heavyweight wrestling champion of Germany, and King Kong, famous bearded Abyssinian wild-man, will come to grips Friday night, Aug. 5, in the main event of an all-star professional wrestling card at Peg's open air arena at Grayslake.

King Kong two weeks ago met Jim McMillen in a return match at Grayslake following a riot a week before. In their second meeting, which developed into one of the wildest affairs ever seen in these parts, the going was so even at the end of the hour time limit that the referee declared the bout a draw. Last week Von Schacht made his Lake county debut and disposed of George Mansor so smoothly that fans everywhere requested he be sent against King Kong with the winner to meet McMillen.

The semi-windup of Friday's program may steal the show. Ralph "Ruffy" Silverstein, Illinois State Pro Champion and generally recognized as the uncrowned champion of the world, will get his first big time test at Grayslake. He will try to tame rough and tough Rudy Kay, a product of the Chicago gashouse district. Last week rough Rudy went to an hour draw with the great Fred Grubmier, who was especially sent in from the east to tame Rudy, and now as a last resort promoters have enlisted the services of Ruffy Silverstein to try to do what Grubmier failed.

BEACH PARTY?

Good appetites—good, satisfying Wilson's Tender Made Ham. Ready to slice and serve at the beach. No waste. More servings to the pound.

WILSON'S Tender Made HAM
"THE HAM YOU CUT WITH A FORK"

Bobby Bruns, long a favorite with local wrestling fans, returns from the eastern states after more than a year's absence to wrestle Ralph Garibaldi, popular Italian wrestling wizard, in one of the prelims. In the other preliminary bouts El Sayre, Waukegan's bid to wrestling honors, tangles with Jack Conley, the Boston Slugger.

Tickets at the usual prices will go on sale at the box office and ladies will be admitted free in the ringside section. In the event of rain the bout will be held the following night.

Highwood Boosters Beat Chicago Firemen in Fast Game 3-2

Coming from behind in the fifth inning to score three runs, the Highwood Boosters last Sunday won their 18th victory in 19 starts by defeating the touted Chicago Firemen 3-2 at the Highwood field. Credit for the victory before a near capacity crowd was given to Primo-Palmet, short stop, who returned to the line-up Sunday after a month's absence because of an injured ankle.

Besides fielding brilliantly, Palmet drove out two doubles the second one in the fifth inning driving in the trying and what proved to be the winning runs.

Boosters Get Going
After three very shaky innings because of wobbly support by second baseman Lenzini, the Boosters found themselves two runs in arrears. During that time Somenzi had allowed four hits. During the next six stanzas the firemen collected but five more.

Callahan, one of the most promising young right handers in semi-pro circles, had the Boosters completely in check in the first four innings. In the fifth, however, a couple of errors of omission and commission plus three hits enabled the Boosters to score three runs. And the day's scoring was wound up for both teams.

Sensational fielding by Todd and Humay, shortstop and second baseman respectively, of the firemen brought cheers from the throng on several occasions.

Somenzi Is Good
Somenzi besides pitching his usual steady, heady type of game cracked

out a single and a double in three times at bat. He and Palmet accounted for four fifths of his team's hitting with "Pat" Pasquesi crack Boosters center fielder obtaining the other hits.

Highwood to Half Sunday
Next Sunday, August 7th the Highwood Boosters will engage themselves in an Illinois State Amateur league game away from their home ball park, and travel to Half Day to play the strong Vernon A. C., a big following is expected to follow the Boosters at the Vernon A. C. The club is sponsoring a carnival on that same day starting at 12 o'clock noon till close for the benefit of the Half Day ball club.

On Thursday, August 11, the Boosters will resume their home stay at the Highwood Athletic field when they face the powerful Artistic Cleaners classy combine of Waukegan at 6 p.m.

Innocenzi Team To Play Simmons Of Kenosha Sunday

Last Sunday, July 31, the home team traveled to Rockford and defeated the Rockford City Champions 12-3. The Rockford team will come to Highland Park for a return game Sunday, August 14.

Innocenzi's softball club will play the Rival Dog Food team of Joliet on Sunday, August 7, at the Highwood Boosters Ball park. Starting time for the game will be 12:30 p.m.

On Monday night, August 8, Innocenzi's softball team will be the hosts of Simmons Labor Union team of Kenosha, Wis. The game will start at 9 p.m. and probably will be a close game, because of both teams previous games against the Somers Cardinals from Somers, Wis. The Simmons team beat

the Cardinals 7-2 while Innocenzi lost by the close margin of 7-6 losing in the last inning.

Lake County Chorus To Appear In State Event in Springfield

The Lake county chorus is busily engaged rehearsing for its appearance as a part of the state chorus of 1,500 voices that will present the cantata, "Harvest Caravans," at the annual rural chorus festival at the Illinois state fair, Springfield, August 19.

In addition to taking part in the state fair festival, members of the Lake county chorus of approximately 40 men and women will appear in selections from the cantata at the Chicagoland Music Festival, Soldiers' Field, Chicago, August 20. They will also assist with a presentation of the production at the farm sports festival at the University of Illinois, September 2 and 3.

Prior to the state fair performance, members of the Lake county group will take part in a district rehearsal to be held at Sugar Grove on August 17.

They will present a Lake county chorus festival at the Antioch county fair on August 25, 26 or 27.

Director of the Lake county chorus is Mrs. J. L. Magnuson. Miss June Van Zandt is accompanist. The group is part of a statewide organization sponsored by the extension service of the College of Agriculture, University of Illinois, in cooperation with Farm Adviser H. C. Gilkerson and Home Adviser Helen J. Volk to assist rural people in planning and executing their own

cultural and entertainment activities.

In charge of the work in the 38 counties having rural choruses are D. E. Lindstrom, assistant chief in rural sociology, and E. H. Regnier, extension specialist in rural organization. Director of the state chorus is L. F. Demming, of the University of Illinois School of Music. The cantata, "Harvest Caravans," was composed especially for the Illinois state rural chorus by R. H. Miles, also of the School of Music.

Week End Events At Exmoor Club

The first mixed foursome event of the season will be held today at Exmoor. An outdoor steak and corn supper will follow the event with dancing to Lind Johnson's orchestra from 8 to 11:30 p.m. This mixed foursome event is for members only.

Another event for Thursday is the mixed Tennis doubles which take place at 5:30 p.m., for which prizes will be awarded.

Friday (tomorrow) will be ladies' day with luncheon and bridge. A bridge lecture will take place at 11:30 a.m.

On Saturday the men's Golf event will be low net foursome, Fullerton cup event, 2nd round match play.

In the evening the usual dinner dance is held with Joe Rudolph's orchestra furnishing the music.

A buffet supper is planned for Sunday, August 7.
