

**Deerfield Legion Carnival Planned for August 12-14**

August 12-13-14 finds the thirteenth Deerfield Legion Days in full swing on Waukegan road in Deerfield. Despite handicaps imposed by a previous carnival of imitative name, Deerfield Post of the American Legion plans this annual festival to far exceed that of previous years, both in the number of booths, rides, amusements, concessions and other popular features.

As customary the registration booth will be operated by the Auxiliary and judging from the way gifts are pouring in this booth will contain the largest number of articles in its history. Always a popular feature of Deerfield Legion Days, this year it bids high for exceptional patronage.

For the first time in many years Deerfield Post has as its main feature a beautiful new Chevrolet sedan. The committee handling this event are now displaying the car in the nearby towns and in Deerfield itself with loud speaker equipment loaned by Frost's Radio Shop.

Free dancing will be a feature this year—an innovation that will prove highly popular to both young and old. These free dances will be announced from time to time over the Frost public address system on the grounds.

For three days, August 12-13-14, Deerfield Post will do its best to delight youngsters from 1 to 100 years with a festival of fun and frolic. And to start it off with a bang there'll be a kiddies' parade on Saturday at 1 p.m. with many prizes and free gifts for each child attending and taking part in the parade.

Boogy: I wish I could be like you. You seem to make light of your financial troubles.

Woggy: Yes, I burn all my bills.

**Mrs. Adelaide Sims Buried Yesterday**

Funeral services for Mrs. Adelaide Sims, age 86, were held Wednesday (yesterday) in Chicago and burial was in Woodlawn cemetery. Mrs. Sims, who passed away on Sunday at the home of her son, George Sims, in Chicago, was a resident of Deerfield for fifteen years, making her home with her daughter, Mrs. Philip Scully Sr. Mrs. Sims was born April 16, 1852 in Columbus, Ohio. Her husband, Richard Sims, preceded her in death about seven years ago. They celebrated their Golden Wedding anniversary while living at the Scully home in Deerfield. Mrs. Sims' first husband, Mr. Longworth, was a second cousin to Nicholas Longworth, the late husband of Alice Roosevelt. Mr. Longworth was Mrs. Scully's father. The five children who are living to survive their mother are Mrs. Hattie Longworth Scully, and four sons John Sims, George Sims, Walter Sims, of Chicago and Clarence Sims of Columbus, Ohio. There are 24 grandchildren and 13 great-grandchildren. Phil Scully Jr., one of the grandsons, is an employe of THE PRESS.

**Playground Worker Returns from Camp**

Miss Margaret Pfister, who has charge of the recreational activities for younger children at the Deerfield Grammar school playground project, has returned from the Recreation Camp at Batavia, where she enrolled in a course in play-school work. Miss Marjorie Merritt, her assistant, is attending camp this week.

Last week's activities at the playground included a hike, conducted by Mr. Seyl and Mr. Waterman, on Friday afternoon, and the use of lantern slides for demonstration purposes in the Camera club under the direction of Mr. Wiley on Thursday.

Playground hours continue as scheduled—Afternoons, 1-5, Monday through Friday; evenings 7-9, Monday through Friday, and mornings, 9-12, Tuesday through Saturday.

**County Tuberculosis Sanitarium Job to Start in Fall**

Construction of the Lake County Tuberculosis sanitarium in Waukegan will be started early this fall with a PWA allotment of \$193,091 and a bond issue of approximately \$250,000.

The cost of the 92-bed hospital and other buildings for the sanitarium has been placed at \$427,326. The structures, including the hospital, laboratories, administration offices and nurses' quarters, will be erected on the Belvidere road site purchased by the tuberculosis board composed of Dr. Theodore S. Proxmire, Lake Forest, Victor Woertz, Waukegan, and James F. Stiles, Jr., Lake Bluff.

Chairman Dan Hentges of the county board of supervisors has been notified by David R. Kennicott, regional director of the public works administration, that the PWA allotment of \$193,091, would be made available to Lake county as soon as the county raises the other necessary funds.

Under the enabling act passed by the special session of the legislature, the board of supervisors has the power to float a bond issue for the sanitarium. Such bonds are to be retired entirely from tax funds received from the 15-cent tax levy per \$100 property valuation voted November, 1936, for a ten-year period.

The tuberculosis advisory committee of the board of supervisors comprised of Supervisors Harold E. Pillifant, W. W. Steele, David Van Patten and Leonard E. Hook suggested the bond issue.

Proposals for a bond issue were first made last spring. Bids were taken for a \$400,000 issue before the enabling act was passed. The committee then rejected all bids and decided to await the action of the state legislature.

When the enabling act was approved, the board of supervisors authorized Chairman Hentges to apply for a PWA allotment. By receiving the federal grant the county will be in a position to cut the proposed bond issue in half.

At the next meeting of the board of supervisors on Aug. 9, action will be taken to float the \$250,000 bond issue.

Stingo: They say Eskimos wear the same suit of clothes the year round.

Bingo: Yes, sometimes I'm tempted to move up there where such things are fashionable.

Says Abie: "Cohen, I've been to the bank to borrow some money, and they say all I need is that you should sign to this note your name. Then I shall have all the money I need. Ain't that fine?"

"Abie," says Cohen reproachfully,

"you and I have been friends for many years, and yet you go to the bank when you need money. Abie, you just go again to the bank and say that they should sign the note, and then Cohen will lend you the money!"

**SINGER SEWING MACHINE CO.**  
39 S. St. Johns Ave. - Phone 995 - Highland Park, Ill.

Complete line of  
Singer Vacuum Cleaners

**An Unusual Opportunity**

With a view to testing out the real estate market, we have decided to offer the beautiful residence pictured here at about one-half its fair value, namely . . . . .

**\$8,500.00**

The property is located in the attractive Krenn & Dato Subdivision, Highland Park. All improvements are in and fully paid. The lot is 90x106 ft. The house is comparatively new, of solid brick and stone trim, 1 1/2 story and basement, seven rooms, one tile bath, one lavatory and fireplace; hot air heat, two car garage attached. We have reduced our price from \$9,500.00 to \$8,500.00, creating an unusual opportunity to secure a beautiful home at a real bargain. The offer is good for ten days. Will you be the first to look into this proposition?
