## Social Dancing Classes Reopen at Y.W.C.A. in October

Social dancing classes will be offered by the Highland Park Y. W. C. A. for the sixth year, beginning the first week in October. Mrs. Edwina Martine Weckler, well known dancing teacher, will instruct all classes. Mrs. Claude J. Dyer, Y. W. C. A. educational chairman, will be in charge of the classes.

New departures will include a class for adults and one for boys and girls of any ages below the 7th grade. Another change will be the

separation of the 7th and 8th grade pupils into two classes. High school freshmen also will have a class of their own. New swing steps will be introduced and ballroom etiquette stressed.

Ballet dancing will be taught in three classes on Tuesday afternoons. The class for babies will be held from 3:15 to 4 p.m.; beginners will meet from 4 to 5 p.m., and the advanced pupils will meet from 5 to 6 p.m. These ballet classes will be held for eleven weeks, the first meeting being held on October 4. This first class will be a free class for children of all ages and will serve as a demonstration of Mrs. Weckler's work. Mothers are invited to bring their children, and stay to watch the class. Eleven weeks work will follow.

The adult class will meet from 8 to 10 p.m. for ten consecutive Mondays, beginning October 3. The class for boys and girls below the 7th grade will meet at 4 p.m. Friday afternoons, beginning October 7.

The first class for 7th grade boys and girls will be held from 7 to 9 p.m. Friday, October 7 and will be followed by the freshman high school class from 9 to 11 p.m. These classes will continue for ten alternate Fridays. The first meeting of the class for 8th grade pupils will be from 7 to 9 p.m. Friday, October 14 and will be followed by the first meeting of the upper high school group from 9 to 11 p.m. These classes will meet for ten lessons, on alternate Fridays.

Classes will be limited and as pupils will be registered in the order of application and payment of fees, those interested will do well to enroll early. Enrollments are being conducted now at the Y.W.C.A. office, 374 Laurel.

The Y.W.C.A. is fortunate in obtaining Mrs. Weckler as teacher. She is the daughter of the late Prof. James Edwin Martine, who established his dancing school in Chicago in 1857 and the classes have continued in Chicago without interruption from that date until now under his direction and later under the direction of his daughter. Among the places where Mrs. Weckler has taught in the past 20 years are the Francis Parker school, Lake Shore Athletic club, Edgewater Beach hotel, Evanston Womens club, Kenilworth club, Glencoe P.T.A., Wilmette Woman's club, and Shawnee Country club. Many of her former pupils are not teachers and several are in Hollywood.

## D.A.R. Adds Three Flags to Collection

During the past summer, the North Shore Chapter of the Daughters of the American Revolution has added three flags to its collection of "flags that have flown over America." The Swedish in 1638, the Mexican 1824 and the Republic of Texas 1836, now make the number of flags 21. As part of the Americanism or Patriotic Education work of the chapter, a lecture illustrated by these flags, is available for any school organization or group of people which is interested in our flag.

The Illinois Daughters of the American Revolution have a student loan fund which is supported by the North Shore Chapter. Sums of money are loaned to young people in Illinois who are receiving their education in Illinois colleges or institutes. The student loan fund offers an opportunity for them to become intelligent, competent, loyal American citizens. As soon as possible the loan is repaid this making the money available for others to use. The students are sponsored by the chapters.

Sister Mary Leonette (Lucy O'Connor) and her companion, Sister Mary Joesetta, of the Immaculate convent in Chicago spent Labor day at the home of the former's father, James O'Connor and with the families of her two brothers, Frank and Joseph.

## Town and Country Association Stage Final Show Sept. 25

Important meetings this week brought a perfection of plans for the final horse show of the season in this area, the first annual of the Town and Country Equestrian Association with the cooperation of the Mary Crane League, whose worthy charitable work will benefit from the proceeds.

Committees of both sponsoring organizations got together, and the reports submitted reveal that those who converge upon Harms road and Route 58 on Sept. 25 will witness a highly interesting and colorful show.

Nor is this difficult to understand, considering the personnel of the organization that will stage the show. The Mary Crane League is made up of an extremely hustling group of women engaged in a great humanitarian effort in behalf of underprivileged children.

As for the Town and Country Equestrian Association, it has long been engaged in stimulating interest in horsemanship. Furthermore, its membership includes men who have taken an active part in the promotion of leading horse shows in this area. They include Joy Morfitt, Elmer Holdorf, James A. Hannah, Herbert J. Lorber, president of the association; John C. Bowers, whom Mr. Lorber has named as chairman of the horse show committee, J. C. Thompson and others.

Of especial interest in connection with the forthcoming Town and Country Equestrian Association horse show is the fact that encouragement will be given to amateur riders—those who own their horses and those who use the for-hire horses at various riding academies, of which there are many in the north shore section.

## Old Fashioned Prayer Meeting Will Be Broadcast Daily

A novel kind of religious radio program has been scheduled to begin this season, starting on Wednesday, September 7, and from then on every Wednesday through the season. The speaker every week will be the Rev. John Clover Monsma, an ordained Presbyterian minister but one whose activities have been strictly inter-denominational for many years. Dr. Monsma is widely known as a minister, journalist and author.

This new program will be known as the "National Mid-Week Service," and will practically be the old-fashioned prayer meeting on the air. Station WCBD, Chicago (1080

kilocycles), will carry the program. The time is 2:30 in the afternoon, daylight saving time (C.S. time one hour earlier).

WCBD used to be the powerful 5,000 watt station operated by Voliva, of Zion City. It reaches a possible audience of fifteen million, in five states. Its wavelength is the same as that of Moody station.

It is hoped that especially the shut-ins, the discouraged, those who need a real and powerful lift, will be benefited. Dr. Monsma announces that he will preach "the straight Bible, without frills of fads."
