

William Milham Is Buried Saturday

Mr. William Milham, aged 80, a resident of Highland Park for the past fifteen years, passed away on Thursday in his home at 1537 S. St. Johns avenue, following a long illness.

Funeral services were held Saturday afternoon at Kelley's mortuary on N. Sheridan road.

He is survived by his wife, Hanna, and a daughter, Miss Gladys Milham.

Mrs. Raymond Watts Gives Nature Talk

The second lecture of Mrs. Raymond Watts will be given on Tuesday, Sept. 27, at 3 o'clock at the home of Mrs. Edwin Tullis, 233 Central avenue. The subject will be "Tongues in Trees" and everyone who has heard Mrs. Watts' other talks will look forward with much pleasure to this one. These lectures are being given for the benefit of Ridge Farm Preventorium. Tickets may be obtained from Mrs. Milton Hardacre in Ravinia or from Mrs. Everett Millard in Highland Park.

Local Police Soon To Join Four City Radio Network

Improvement of the Highland Park Police radio system is being completed, and will early in October become a four city police network. It is probable that the department will adopt the same wave length on its transmitter as Glencoe, Kenilworth and Winnetka.

A loudspeaker is being set up in the local station by Radio Engineer Eugene Becker, where all police calls sent out by these three departments will be received, and through similar hookups the three other departments will receive the calls sent out by the members of the new radio network. Highland Park is the only one of the four cities which does not have a two way radio communication. With this new system, the work of the police department will be greatly facilitated.

Aged Resident Dies, Lived Here 81 Years

Miss Julia Ann Monahan, a resident of Highland Park for the past 81 years, died Friday morning at the home of her niece, Mrs. Albert I. Sawyer, 922 N. St. Johns avenue. Born in West Lake Forest Sept. 16, 1849, she came with her parents to Port Clinton, which is now known as North Highland Park at the age of three.

Funeral services were held Monday morning at St. James church, Highwood, with interment in St. Mary's cemetery, Waukegan.

Miss Monahan is survived by another niece, Mrs. N. Faucett of Glencoe, and two nephews, Grover C. Cox of Austin and Eugene Cox of Kenosha. She was a great aunt to Floyd Cox and a great great aunt to Don Cox of this city. Fifteen other nieces and nephews also survive.

H. P. Recreation Is Open For Play

The Highland Park Recreation, located in the basement of the Lencioni building on N. Second street, is now open for play. The interior of the bowling alleys has been redecorated and repaired, and the alleys are in fine condition for play.

Women are invited to organize teams, and instruction will be given those who wish to learn to bowl.

Lions-Rotary Golf Tournery Wednesday Is Wet Affair

Perhaps the Lions-Rotary Clubs golf tournament last Wednesday wasn't intended to be a "wet affair," but never the less it was, and so much so that only a few of the golfers turned out to brave the elements. Ever since Labor Day, the old rain clouds have hovered over Highland Park, and surely old sunshine wouldn't be kind enough to smile on these golfers. The game was scheduled for 1:30 o'clock followed by dinner in the evening at 7 o'clock.

A goodly attendance was present at the buffet supper, and a delicious meal was enjoyed. During the dinner Dick Martin in charge of the day's program announced that a tournament would be played off at a later date, possibly in October, at which time prizes would be awarded.

The regular meeting of the Highland Park Lions Club will be held at noon today at the Twig 'n Thistle. The program will be limited as many of the members are planning to attend the Waukegan Lions Club Golf tournament in the afternoon.

"Bud" Lytle, Former Resident, Passes On

Funeral services were held Monday afternoon at 3 o'clock in St. Mark's Episcopal church, Evanston, for Harry V. ("Bud") Lytle III, 17 year old son of Mr. and Mrs. H. V. Lytle, former residents of Highland Park, who now reside in Evanston.

"Bud" died Saturday following a major operation at the Henrotin hospital in Chicago. He had been in ill health for several months.

Besides his parents, the deceased is survived by four sisters, Mildred, Hettie, Connie and Annie Lee.

Mrs. Hughes Plans Bazaar To Finance Welfare Project

Mrs. Charles C. Hughes, a former resident of Highland Park and at one time a teacher in the Highland Park Public schools, is sponsoring "The Milk and Bread Bowl," a non profit American Welfare project, to be opened soon in the city of Waukegan.

Other members of the organization are Mrs. E. M. Eskridge, vice president and Mr. Robert Fitzgerald, manager.

In order to finance the project a bazaar is to be held in Waukegan, early in October. Contributions are

being solicited from business men and prominent citizens, and among the contributors already approached and who will aid this worthy cause are, Marshall Field & Co., Carson Pirie Scott, Boston store, The Fair, Walgreen's and Liggetts. Because the building in Waukegan is not ready, and there will be no one there to protect contributions, goods for the bazaar should be sent to Mrs. C. C. Hughes at 337 Central avenue.

The project which may appear fantastic, is the result of years of work and thought by Mrs. Hughes as to how the unfortunate and undernourished might obtain milk which is so greatly needed to maintain strong healthy bodies. There is so much poverty throughout the world, and so many deserving are in such dire need, that it was felt if such institutions could be established where these people could go and procure nourishment they would be better fitted to face the world and seek positions.

Mrs. Hughes proposes to establish a home where the needy and hungry may obtain "milk and bread for a penny if you have it; if you haven't, you may have it for the asking". The low price is merely asked to take away the sting of poverty, for there are many who would rather starve than to go into Public Welfare bureaus to sign away their freedom or give names of friends who are questioned about their private affairs.

There is great quantities of surplus milk and bread, that can be purchased reasonably, rather than, perhaps, have it made way with, when some worthy soul is in need.

If the project in Waukegan proves a success, it is hoped to establish similar institutions in large cities all over the country.

Braeside P.T.A. Will Launch Fall Season With Sports Review

Launching the fall season for an enthusiastic group of members, the Braeside Parent-Teachers-Civic association announces "The Kick-Off" as its opening meeting on Monday September 26 at 8 p.m. Appropriate to the autumn interest in sports will be a football preview by Major John L. Griffith, Commissioner of Big Ten Athletics, editor and publisher, technical advisor to coaches, former army officer and coach. His talk will be preceded by a resume of school plans and projects for the year by Mr. Clark G. Wright, su-

perintendent of District 108. An informal social hour and reception for the teachers will follow, and refreshments will be served by the Social committee.

The second meeting has also been scheduled, for November 14, the annual Harvest Home Dinner. This will have a new feature this year, a Floor Show provided by local talent. Ticket sales and all other details will be in charge of Mrs. Frank Frable and her assistants.

Mr. S. A. Alter is president of the Braeside association for 1938-39, Mrs. Theodore Uehling vice president, Mr. Stanley Grace, treasurer, and Mrs. J. David Dickinson, secretary. The board of directors includes Mrs. Ethel Elder, Mr. Clark G. Wright, Mr. Jens Erickson, Mr. Malcolm Kerr, and Mr. Edgar B. Carter. Committee chairmen are Mr. J. David Dickinson, sports; Mr. Jens Erikson, arts; Mrs. C. L. Felske, piano; Mrs. Frank Frable, social; Mrs. Alan Kidd, dancing; Mrs. Walter Oweiss, kitchen supplies; Mr. C. Eugene Pfister, civics, and Mrs. Theodore Uehling, program. The plans of these commit-

tees are rapidly taking shape for a full and interesting year, and the organization with its broad scope of civic, athletic and cultural activities aims to fulfill all the offices of a civic center as well as a Parent-Teacher association.

MARIAN KEENEY SCHOOL OF THE DANCE

"THOSE 3 CALLS ON THE TELEPHONE SAVED ME A WHOLE FORENOON OF RUNNING AROUND"

- #1 He saved a trip to town for a tractor part
- #2 He called his neighbor to trade work
- #3 He got an important report on the cattle market

In summer, particularly, a farmer's work is "never done." How important, therefore, to let the telephone run your errands while you stay right on the main job yourself! A telephone saves time, saves energy and actually saves money. If you haven't a telephone, order one today.
