Following the service the guests are invited to partake of a home cooked chicken dinner, which is being served by the women of the parish.

THE STAGERS

The Stagers report the passing of the first week of the rehearsals for "The Ninth Guest." Owing to the acute tension in the present European crises no practice with firearms as yet have been attempted. The special posters that are being made of various members of the cast are also progressing favourably, and as soon as a committee can decide which looks like who (and this should not take more than two weeks) they will be placed on display among the various other posters throughout Deerfield, Highland Park, Glencoe, and surrounding district. The usual monthly meeting was held at the Presbyterian church last Tuesday, no casualties reported.
