Winton, 10 Indian Hill road, Winnetka, the North Shore Alumnae of Gamma Phi Beta got under way with enthusiasm. The program for the ensuing year was announced by Mrs. Hubert L. Hardy, vice-president and chairman of the Program committee.

Four of the founders are planning to come to Evanston for the festivities, two of them coming from the Pacific coast.

Following registration at the Gamma Phi house on Saturday morning, October 15, there will be a buffet luncheon served, with Mrs. Godfrey Jacobi of Winnetka in charge of arrangements. That evening a banquet will be held in the ballroom of the Orington hotel, with Hope Summers as toastmistress. Dr. Bode Noted Educator to Speak in Evanston Sept. 28

A meeting of interest to North Shore parents, teachers and students with Dr. Boyd Bode as speaker will be held on Wednesday, Sept. 28, at 8:30 in the auditorium of the Orington school, Evanston. Dr. Bode is a friendly critic of progressive education. He has challenged the underlying assumptions of "interest," basing school activities on the child's "felt needs," "self-direction," and like terms used freely by the progressivists.

Dr. Bode is Dean of the School of Education at Ohio State University. He is a noted philosopher and thinker in the field of education. His most recent book, published last spring, is entitled "Progressive Education at the Crossroads." Dr. Bode is not only a forceful speaker, but he holds his audience with his penetrating wit.

This meeting is sponsored by the North Shore Area Branch of the Progressive Education Association and is open to the public. This meeting opens a series which will bring to the North Shore noted speakers on several areas of human relations, such as education, public welfare, business, labor, religion, and politics.
