Taxicab Driver Leaves Accident Scene; Is Fined

Stanton Kryger, 313 McDaniels avenue, a Highland Park cab driver, was released on bonds following his arrest Saturday when he was charged with leaving the scene of an accident. Kryger allegedly fled after a boy crashed his bicycle into

the side of his cab. **Raymond Moorman, 13, of 240 N. Greenbay road, riding his bicycle west on Central avenue, crashed into the car as it suddenly swung into a driveway at 611 Central avenue.**

The youth was taken to his home by Francis Rohr of Central Hardware company who witnessed the accident. The boy was cut and bruised, and his bicycle badly wrecked. At a hearing last evening Kryger was fined \$25 and costs.

Bazaar Saturday To Finance New Welfare Project

Mrs. Charles C. Hughes announces the opening of a bazaar, Saturday, October 8, at 1 o'clock at 218 S. Genesee street, Waukegan.

Mrs. Hughes, widow of the late Charles C. Hughes, vice president of the Chicago and Northwestern railroad, and a former resident of Highland Park, says "The proceeds of this bazaar will go toward the maintenance of 'The Bread and Milk Bowl', a non-profit American

Welfare project, which is to be established in Waukegan at an early date."

Many very fine gifts have been sent to Mrs. Hughes for the bazaar which opens Saturday, by numerous large business houses in Chicago.

The Bread and Milk Bowl, which she plans to establish in Waukegan for the needy and hungry, will offer a bowl of milk and bread for a penny to those who have it, and those who haven't may have it for the asking.

Surplus milk and bread, which in reality are day old products, will be purchased from local organizations at a nominal cost.

Many underprivileged persons as well as children, through dire need, cannot secure the foods which they actually need. It is a most humanitarian act to see that these foods, which otherwise might be wasted, are brought within the reach of those actually in want.

Mrs. Hughes has given this condition considerable thought, and has worked on the problem for years, with the hope of some day she might achieve the goal worked for. If this project proves successful she hopes to establish similar institutions in large cities all over the country.

Not only should milk and bread surplus be put within the reach of those less fortunate, but many other commodities could be handled in a similar manner.

Deerfield P.-T.A. in Membership Drive

A concerted effort is being made this coming week to have 100 per cent membership in the Deerfield Grammar school Parent-Teacher association. Miss Jean Nygard, third grade teacher is in charge of memberships and each child will bring home a letter from the school tomorrow inviting the parents to join

the P.-T.A. Mrs. George R. Bailey, the president, urges every mother to attend the monthly meetings and hopes that all will become members. The new superintendent of schools, Mr. Lester Ball and his faculty are to be introduced at the first meeting on Friday afternoon, October 14, and this will be an opportune time to meet the teachers and discuss your children's problems.
