## Harvey S. Olson To Give Illustrated Talk In Ravinia

The "local boy makes good in big city" theme will be a predominant one when, on Friday evening, November 4th, at 8:15 p.m., Harvey S. Olson, one of the versatile and talented of Highland Park's native sons, will present his natural technicolor moving pictures of Europe accompanied by his lecture, "The Colorful Old World," in the Ravinia Village house.

"Harv" Olson, as he is known to his many North Shore friends, was born and reared in Ravinia where he attended the Ravinia grade school and the Deerfield-Shields Township high school. While at high school he was an outstanding athlete, being voted an all suburban football and basketball player, and was chosen as the most valued basketball player in the State of Illinois during his senior year.

As a member of the "Boiler-maker" football squad of Purdue university, Harv brought further fame to the community when he was elected captain of the 1928 squad, which team was one of Purdue's outstanding ones. In addition to his activities on the gridiron, he was a member of the golf team, a member of Iron Key and in his senior year an honor student.

For each of the past ten summers, Mr. Olson has traveled extensively in Europe. In the summer of 1929 he traveled as assistant to another of the community's illustrious sons, Dr. Dudley Crafts Watson, from whom he secured many invaluable pointers in the fine art of tour leadership. Since 1932 Mr. Olson has been president of Campus Tours, Inc. which company is today one of the outstanding concerns organizing and conducting groups through Europe and each summer he and his company handles fifteen or more parties abroad.

In a recent interview, Mr. Olson pointed out that among his many thrilling experiences in Europe are such highlights as meeting Ex-King Alfonso of Spain in Italy this past summer, a meal with Dr. Hugo Eckener in Germany, a personal audience with His Holiness Pope Pius XI, and a golf match on the links with the Duke of Windsor, as well as a ping pong game with Walt "Mickey Mouse" Disney at Lake Como. These and a host of other experiences equally fascinating serve as a background for the lecture and the beautiful natural color movies taken by Harvey's brother, Robert Olson, and which depict a journey through six of Europe's most glamorous countries and an ocean passage in the world's largest and fastest liner, the R.M.S. Queen Mary.

Tickets for the lecture are for sale at Gsell's drug stores. They have been very much in demand and an early sell out is predicted.

## Girls Choir Appears for First Time Next Sunday Morning

The Highland Park Presbyterian church has made a complete revision of its musical program this autumn. Since the first of September a male quartet known as the Orison quartet has proved a great addition to the church service.

This coming Sunday, Oct. 16, at the 11 o'clock service the Vester Girls' choir will make its initial appearance—in addition to the quartet. The choir, under the excellent direction of Mrs. Helen Abbott Byfield, has been in preparation for several weeks and is well prepared to enrich the worship service.

This enlarged musical program has been brought about by a committee composed of Mrs. F. N. Bard, Mr. F. M. Knight, and Mr. A. T. Sihler, who have been very fortunate in securing so able and well-known a director as Mrs. Byfield.

The choir is made up of about forty girls with Mrs. H. W. Murray and Mrs. E. C. Wampler as choir mothers. The officers and personnel are:

## Former Russian Statesman Speaker At Legion Meeting

Now that history has dropped into high gear and the map makers have to work overtime changing the boundaries of nations as they are altered by dictators and such, it is a rare opportunity to hear a first hand account of modern statecraft. Highland Park Legionnaires will have such an opportunity the evening of October 13. On that date Elias Neushul, former member of Alexander Kerensky's cabinet, will be the guest speaker of Dumaresq Spencer Post.

Mr. Neushul, now an American citizen, is a personality of extraordinary interest in his own right, as well as a recognized authority on international affairs. He was born in Moscow, educated at Geneva and the Sorbonne in Paris and speaks English fluently. He was imprisoned for his activities in the revolution of 1917, appointed to a high office when the House of Romanoff fell, and fled to Siberia when the bolsheviks came into power.

If you thrill to adventure; if you enjoy a peep behind the scenes of diplomacy and intrigue, you will not miss this, the first of a series of informal talks by notable people now being scheduled to make the season of 1938-1939 a high point in the history of our post. Wives of members are specially invited to this meeting. Also ex-service men and members of other Legion posts residing in Highland Park are tendered a special invitation to attend as guest of the Post.

Starting the 1938-'39 season with an increase in membership of more than 45 local women, the Highland Park Woman's club will hold its opening meeting, Tuesday, October 18th at 2 o'clock with an exceptionally brilliant program.

Mrs. Herbert R. Smith continues as president of the club which continues to be known as a cultural center for Highland Park women.

Mrs. Poyntz M. Murray and her able committee members are presenting a world famed violinist and her capable accompanist, Amy Neill and Agnes Conover. Miss Neill scored a series of phenomenal triumphs on her European and American tours, and is considered to be the foremost woman violinist in the world today. Endowed with real musicianship, she has acquired a sure technique, perfect intonation, vigorous style, smooth and firm tone, steady and animated, and depth and warmth of tone.

In private life Miss Neill is the wife of an attorney, Avern Scolnik, an amateur violinist and member of the Chicago Business Men's Orchestra. Amy Neill has the good fortune to possess a certified Guarnerius del Gesu violin, dated 1736, widely sought for more than 150 years by leading collectors of two continents, and her beautiful renditions on this wonderful instrument will captivate her audience.

Following this interesting meeting, Mrs. Armand McPhee and her able committee members will serve tea in the charming club lounge to the members and their many guests.

## Mrs. Utley Will Discuss European Crisis, October 19

A first hand account of events in Europe preceding and during the recent crisis is the treat in store for members of the Highland Park League of Women Voters at their opening meeting Wednesday, October 19, at 1 o'clock at the Highland Park Y.W.C.A.

The speaker is to be Mrs. Clifton Utley and her subject will be "Inside the European Crisis." The League is congratulating itself in having signed Mrs. Utley up before she went to Europe last June, for

Mrs. J. Sigurd Johnson, President League of Women Voters

Highland Park is one of the first on the list to hear the account of her adventures. No one is better able to interpret the recent events in Europe and their probable consequences.

Mrs. Utley together with her husband who is director of the Chicago Council of Foreign Relations and is well known as a lecturer, took their car and spent the summer touring Central Europe. Because they have been in Europe many times they have intimate contact with leading personalities in many countries. They also went behind the scenes visiting small towns and villages in troubled areas interviewing peasants and townspeople. There is a first hand picture of a situation which has been of paramount interest to the whole world in these last weeks.

Mrs. Utley has been intimately connected with the League of Women Voters for several years. She is at present chairman of the department of Government and International Relations of the Illinois League. A graduate of the University of California, she took her masters degree in political science at the University of Chicago under Charles Nierman and Quincy Wright.

The Highland Park League wishes the public to know that its programs are open to anyone interested as well as to members.

New members as well as old members will be welcomed at this opening meeting by Mrs. J. Sigurd Johnson, president. Plans for the year will be discussed and study groups organized in the six departments.

Mrs. Philip Ringer, program chairman, will introduce Mrs. Utley. Mrs. Ferdinand Kramer is local chairman of the department of Government and International Relations which is sponsoring this program on foreign affairs.

She was a missionary to Egypt before her marriage to Dr. Robinson. The address of the afternoon is to be given by Mr. Walter Soboleff. He is coming here especially for this from Dubuque university, where he is now studying. Mr. Soboleff is a Thinglet Indian with some Russian ancestry. ### Add Four Precincts; Many Boundary Changes

Registration days in Deerfield Township will be held Tuesday, October 18th and Tuesday, November 1. All eligible voters, including those who have just come of age, must be sure that their names appear on the poll books, or their right to vote may be questioned on election days, which is November 8, and considerable embarrassment and trouble be involved.

Judges will be at the polls from 9 a.m. to 5 p.m. on Oct. 18, the first registration day, and will again be at the polls from 8 a.m. to 9 p.m. on November 1, the last day on which to register. During the period from October 18 to November 1st, poll books will hang outside the polling places for the convenience of the voters, who wish to ascertain whether their names are listed.

Absentee ballots may be secured from Precinct committeemen or by writing the County Clerk in Waukegan, giving your name, address, Precinct number and political affiliation. Ballots must then reach the County Clerk from outside of town, three days previous to election day.

On account of the large increase in population in various sections of the township, due to an intensive building program, which made the vote larger than the statutory regulations, an increase in precincts was found necessary. There are now 16 instead of 12 precincts. By this increase many of the boundary lines were changed, so that many citizens will not be registered in the precincts in which they formerly voted. If in doubt as to where you are to vote, go to your former poll-you where you are to register.

Precinct committeemen should have a map showing the boundary lines of all precincts, and this map together with the poll books should be hung outside the polling places in the various precincts.

The precincts and voting places are as follows:

- 1st Precinct, South Park House, Lake Forest.
- 2nd Precinct, City Hall, Highwood.
- 3rd Precinct, Swedish church, Everetts and Highwood avenue, Highwood.
- 4th Precinct, Oak Terrace school, 230 Prairie avenue, Highwood.
- 5th Precinct, Delicatessen store, 506 N. Greenbay road.
- 6th Precinct, Highland Park high school, 300 Vine avenue.
- 7th Precinct, F. B. Williams office, 541 Central avenue.
- 8th Precinct, N. S. Radio Shop, 10 N. Sheridan road.
- 9th Precinct, Haak's Auto Supply Co., 28 S. Second street.
- 10th Precinct, N. S. Gas Co., 47 S. St. Johns avenue.

## Shirley Temple's Latest Picture On Alcyon Screen

Shirley Temple always turns in a fine performance, but this time she gives you the time of your life. If you're thrilled, "Little Miss Broadway" is the musical thing to thrill to. Shirley, along with Geo. Murphy, Jimmy Durante, Phyllis Brooks and Edna Mae Oliver, will be on the Alcyon theatre screen this Thursday, Friday and Saturday.

When a girl's in love with a millionaire and her family is imbued with an overbearing consciousness of the importance of the Great Middle Class, there's bound to be comedy galore, and that's what there will be at the Alcyon on next Sunday, Monday and Tuesday where this new laugh hit, "Rich Man, Poor Girl" will be presented.

That grand and glorious film, "Smilin' Through," is to be one of the attractions on the double-feature program for the next week Wednesday, Thursday and Friday. So many requests have been coming in to the box office of the Alcyon to rescreen this film featuring Norma Shearer, Frederic March and Leslie Howard that the management felt obliged to bring it back.

"Racket Busters" which is to be presented on the same program, is an absorbing, dramatic tale fashioned around a topic taken right from the front page of today's newspapers. As a fighting independent truckman, George Brent has one of the best roles of his career.
