

### County Council of Religious Education Convenes October 18

Plans for the annual county convention of the Lake County Council of Religious Education have been completed, and the meeting is to be held at the Lake Forest Presbyterian church on Tuesday, October 18. Programs have been sent to all Sunday schools, young people's societies and churches by the officers of the organizations, which is this year holding its sixty-eighth annual convention.

William C. Haltenhoff, of Lake Forest, is president of the Council, and Irene Rockenbach of Deerfield is secretary. Ruth Minto of Millburn has charge of the county young people's group, which will hold a meeting at Lake Forest on the evening of the same day. Rev. Dewey Eder, of the Naperville Evangelical church, and North Central pastor, will address the young people's conference on "The Call to Service," after a brief devotional service led by Rev. F. G. Piepenbrok, of St. Paul's Evangelical Reformed church, Deerfield. The evening session will close with a social and recreational hour, in charge of Rev. T. W. Potter, of Lake Bluff Methodist Episcopal church. The young people's group of Lake Forest Presbyterian church will act as hosts to the young people of the churches of the county. Conferences of this type have been held at various places and times in the county throughout the past year, and have drawn a very large attendance of young people and their leaders.

The morning convention program, beginning at 10 o'clock a.m., will be addressed by Miss Edith F. Welker, of Chicago. Miss Welker is the national director of children's work for the Methodist Episcopal church, having been appointed to this important post last February, to succeed Miss Sarah Green, well known in Methodist churches of this county. Her topic will be "The Teacher of Children", to be followed by an open forum on questions concerning the work with children.

Dr. Robert Lee Sawyer, president of the Presbyterian College of Christian Education, Chicago, will address the convention during the afternoon, on "Present Day Trends in Christian Education." Dr. Sawyer, as an educator and head of an institution devoted to the training of workers in the church, is an authority in this field, and will present a far-view of the opportunities confronting the educational movement in the Protestant church.

The informal conferences of the

afternoon have long been an interesting part of the organization's meetings, and will present an opportunity of fellowship and vital importance to teachers in the Sunday school, where they may gather in groups and discuss practical matters concerning the work in their own particular departments and classes. Leaders in these discussion groups will be, in the children's workers' group: Faith Bushnell, Waukegan, Mrs. Earl D. Fritsch, Highland Park, Mrs. S. W. Degner, Diamond Lake, and Irene Rockenbach, Deerfield; in the young people's group: Dr. Robert W. Hartness, Lake Forest, and Floyd Walton, Libertyville; in the adult group: Harry E. White, Mundelein, and Mrs. J. G. Cook, Half Day.

Rev. C. Arthur Jevne, pastor of the Mundelein Congregational church, will open the morning and afternoon sessions with a quarter-hour of worship, prayer and spiritual meditation.

Other features of interest are the

arrangements and plans for between session—the book table, walks and drives about beautiful Lake Forest, the opportunity to inspect the convention church and educational equipment, fellowship with workers from other churches, and the convention luncheon, served in the church dining room.

### Duck Hunters Await Opening of Season Which Begins Oct. 15

by Jim Mooney

Next Saturday morning at 7 o'clock the Illinois duck and goose season opens. Hunters in this central zone have been hearing so much regarding the waterfowl season that it appears we are going to not only have a banner crop of ducks to hunt but also the greatest number of ninnies out than in many years. Last year more than 760,000 bought waterfowl stamps (Get yours at the local postoffice, some of the smaller town offices may not have a supply

in when you get out and the warden do not accept alibis.) In all the central states hunters will find a great supply of ducks. That we are on the greatest flyaway range gives us the privilege of having as good a shooting area as can be found. Reports are still very good from the Illinois river area as well as all the lakes in northern Illinois.

Grass lake will again be the most populated in the Chicagoland. Most all the boats have been rented and every spot will be covered. The ducks will be kept moving, that can be assured. Coos will be the greater part of the bag on most of the waters in that region after a few hours of shooting, as is generally the way that lake produces.

If you have not built a blind on some local marsh your chances of finding a good spot is going to be very slim. Hunters have been out for the past two weeks getting things in form for the opening day.

In the vicinity of Lacon and Henry, Ill., on the Illinois river, there

are some fine shooting grounds. Blinds can be rented by the day and prices range from \$5 up. The larger hunt clubs are generally filled during the first week. If the weather stays mild the birds will stay on and give us the benefit of the early season this year.

Reports from Ducks Unlimited, the National sportsmen's organization, are very favorable for the

The state has increased the warden force so it will be wise to abide greatest flight from Canada in years, by all the regulations and keep the bag limit in mind at all times.

I will give you information on the snipe and rail season and some good shooting grounds next week.

Be sure the gun is in good order—then remember that we have the other hunter to look out for as well as ourselves.

**Rectors Guild Meets**  
The regular business meeting of the Rector's Guild of Trinity Episcopal church will meet in the home of Mrs. W. L. Winters, 188 Laurel avenue, on October 17. The meeting will start at 1:30 p.m. with dessert and coffee being served followed by sewing.

## VOTE YES VOTE

**PRESERVE OUR STATE BANKING SYSTEM**  
by Ratifying **CONSTITUTIONAL AMENDMENT**  
VOTE YES NOV. 6

Protect yourself by voting to strengthen your State Banking System.

Removal of double liability will stimulate the purchase of bank stock and give banking facilities to communities that are without them and strengthen the existing banks.

Increased capital gives real protection to depositors and added service to all bank customers.

Double liability has not proven effective protection for depositors and has resulted in hardship for many stockholders.

Deposit insurance is now being furnished at the expense of stockholders which provides for the prompt payment in full of all deposits up to \$5000.

Strengthen your State Banking System by ratifying the proposed Constitutional Amendment.
