CHURCH NEWS

First Church of Christ, Scientist
First Church of Christ, Scientist, Highland Park, Illinois, 381 Hazel avenue, is a branch of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass.

The Sunday morning service is held at 11 o'clock and the Wednesday evening meeting, which includes testimonies of Christian Science healing, is at 8 o'clock.

Sunday school is open to pupils up to the age of 20 years, and is held Sunday morning at 9:30.

Subject for next Sunday's Lesson sermon, "Doctrine of Atonement."

A free public reading room is maintained by this church at 43 N. Sheridan road, which is open daily from 9 o'clock in the morning to 6 in the evening, except on Saturday when it is open from 9 a.m. to 9 p.m. Here the Bible and authorized Christian Science literature may be read, borrowed or purchased.

On Sunday the reading room is open from 2:30 to 5:30.

All are cordially invited to attend the services and make use of the reading room.

CHRISTIAN SCIENCE CHURCHES
"Are Sin, Disease, and Death Real?" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, October 9.

The Golden Text was, "I will restore health unto thee, and I will heal thee of thy wounds, saith the Lord" (Jeremiah 30:17).

Among the citations which comprised the Lesson-Sermon is the following from the Bible: "For ever, O Lord, thy word is settled in heaven. Thy righteousness is an everlasting righteousness, and thy law is the truth" (Psalms 119:89, 94).

The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "There is but one primal cause. Therefore there can be no effect from any other cause, and there can be no reality in aught which does not proceed from this great and only cause. Sin, sickness, disease, and death belong not to the Science of being. They are the errors, which presuppose the absence of Truth, Life, or Love" (p. 207).

Heavy Registration Monday Increases Enrollment To 400
Heavy registration on Monday evening indicates that total enrollment in evening classes will reach the highest total ever in Highland Park. No return will be accounted for in Current Affairs and Boys' Basketball until next week. Enrollment in these classes will be larger than any other course offered.
Due to the heavy enrollment in Badminton for Monday evening both gymnasiums will be used and the class in basketball will be offered on Wednesday evening instead of Monday.
So many students have indicated

their desire for a class in beginning shorthand that a course will be started on Wednesday evening. This class will meet on both Monday and Wednesday evening throughout the year.

Students who still wish to register for classes may do so on Monday evening.
Registrations are closed only in a few classes. Opportunity is still open in all classes except sewing, advanced typing and woodwork.

More students are necessary if the classes in leatherwork and mechanical drawing are to be continued.
Notice about additional lectures in the Current Affairs series will be published next week.

Persons enrolling in the Badminton classes will also have an opportunity to play ping pong in the boys' gymnasium on Monday evenings.
Support this vital community project by your presence!

Ethel Jean Selig, Monmouth College freshman from 933 Waukegan road, Deerfield, was elected vice-president of Marshall Hall Dormitory in a recent meeting. The organization of the dormitory consists of a House Council composed of the House officers. Marshall Hall is one of the two freshmen girls dormitories on the Monmouth campus.
