## Nov. 1 Last Day To Register; Many Voters Out Tuesday

Tuesday was the first day for registration of voters in Deerfield and West Deerfield townships. In some precincts the turnout was large due to the readjustment of the boundary lines, causing the change of precincts for some residents, while in others, very few interested voters seemed to know that it was registration day.

The last day on which voters may register will be Tuesday, Nov. 1. All voters whose precincts have been changed and all new voters, including the newcomers to Highland Park, must register on that date, or they cannot vote on election day, Nov. 8, unless they are certified or properly identified to judge of election at the time their vote is cast.

Polling books are to be hung outside polling places until Nov. 1 so that any voter may determine if he is registered. If he is not registered he may register himself as well as the members of his family who are eligible to vote.

Polls will be open on November 1 in Deerfield township from 8 a.m. to 9 p.m. and in West Deerfield township from 9 a.m. to 9 p.m. on that date.

## Garden Class to Meet Next Tuesday

The Garden Class of the Highland Park Woman's Club will meet on Tuesday, Oct. 25, at 2 o'clock at the home of Mrs. Louis V. Francoeur, 910 Lincoln avenue.

Mr. Eldred Green, of the Garfield Park Conservatory, will have as his subject, "Terrariums—How to Make and Maintain Them."

Co-hostesses will be Mrs. A. V. McPhee and Mrs. Geo. L. Livingston.

## J. M. Appel Will Discuss "Banking Amendment"

Mr. J. M. Appel, president of the First National Bank of Highland Park, will address the Lions club at its noon meeting today (Thursday) and will discuss the "New Banking Law with Respect to the Constitutional Amendment."

This is a subject which at the present time is of vital interest to the voters of Illinois, as the amendment must receive a majority of all votes cast at the election on November 8 in order that it may become effective.

Illinois banking laws are out of date. Limitations placed in our constitution in 1870 prevent modernizing them. Our General Assembly, unanimously in the Senate and with only two dissenting votes in the House, approved an Amendment to these banking sections.

Illinois is one of the few states which still has double liability as to bank stock. The Congress, recognizing that added capital is better protection for depositors than the mere right to sue stockholders for assessments, repealed the double liability provision as to national banks. Ten other states have had no provision for double liability for many years, and steps are now being taken in the other nine states to remove this hindrance to the sale of new stock and the strengthening of the capital of their state banks.

Mr. Appel's subject is a most timely one, and should be of great interest to every member of the Lions club. The meeting as usual is being held in the Twig 'N' Thistle on North Sheridan road.

## Judge Persons To Speak Here Monday; Republicans Elect

"Getting Out the Vote" and clearing up the confusion due to changes in precincts will be the immediate objectives of the newly elected officers of the Deerfield Township Republican club. At a meeting last Monday the following officers were elected:

George A. Lloyd, chairman.  
Charles Waite, secretary.  
Fred Tucker, treasurer.

All sections of the township are represented and in addition a large number of block workers will be appointed within the next week to assure a large Republican registration and vote.

A meeting has been called for next Monday, Oct. 24, at 8 p.m. at headquarters, corner of Sheridan road and Park avenue, to which the public is invited.

The speaker will be Judge Perry L. Persons, well known Lake county judge and candidate for re-election. Work will be assigned and committees formed.

Special attention is called to the fact that large maps have been placed at all polling places showing exact boundaries of precincts. Many of these are new boundaries and all voters whose precincts have been changed must register on Nov. 1, otherwise they cannot vote at the election November 8 unless they are certified or properly identified to judge of election at the time their vote is cast.

Polling books are to be hung outside polling places until Nov. 1, so that any voter may determine if he is registered. If he is not registered he may register himself as well as the members of his family who are eligible to vote.

## Roger Balke In Piano Recital At Green Bay School

Roger R. Balke, brilliant young Highland Park artist, will present a piano recital at the Green Bay Road school Wednesday, Nov. 2, at 8:30 p.m. under the auspices of the Green Bay P.T.A.

Mr. Balke needs no introduction to music lovers of Highland Park, for he has appeared on many programs here. The many who have heard him are enthusiastic in their praise.

### Musart Club Meets

The Musart club, under the direction of Mrs. Gladys Hawley, will meet Monday, October 24, at the home of Mrs. Ora Fritsch, 336 Orchard lane. This group was formerly named the Musical Arts Study group.

## H. P. Woman's Club Departments Offer Fine Entertainment

With the opening of the Highland Park Woman's club an event that was a lovely combination of musical and social enjoyment, the departments are offering some especially fine entertainment during the coming week.

On Tuesday, October 25, at 2 p.m. at the home of Mrs. Louis V. Francoeur, 910 Linden avenue, Mr. Eldred Green of the Garfield Park Conservatory, will give a most illuminating talk to the Garden Class on the very interesting subject, "Terrarium—How to Make and Maintain It." Mrs. Francoeur will be assisted by Mrs. Armand V. McPhee as co-hostess. Guests will be admitted upon payment of the usual small guest fee.

The following day, Wednesday, October 26, at 11:45 a.m., the club members and their friends are to be the guests of the Jewel Tea Company at its modern plant in Barrington, Ill. Lunch at a minimum cost will be provided by the company, and a tour of the plant will be conducted by competent guides. After the tour, cards and other games will be played and prizes will be donated by the Jewel Tea Company.

Reservations for this very interesting afternoon must be made before October 27, either to Mrs. A. M. Allison, H.P. 1120, or to Mrs. Leonard Keaster, H.P. 2113. The Home and Education Department of which Mrs. Leonard Keaster is chairman, is sponsoring this unique entertainment.

Those who will participate in this attractive tour will meet at the club house at 10:30 or at the Jewel Tea Company plant at 11:30. The direct route is 22, through Lake Zurich to the sign pointing to Barrington, 2 miles west of Lake Zurich. Turn left and follow to intersection of Route 14. Turn left, again, for a short distance to reach the entrance of the Jewel Tea Company.

## Robert Taylor Stars In "The Crowd Roars" On Alcyon Program

That daring adventurer, the Scarlet Pimpernel, has taken his place beside Charles Chan, Bulldog Drummond, Tarzan and Frankenstein in that his cinema exploits have proved popular enough to rate the production of a celluloid sequel. He is carrying on at the Alcyon theatre on Saturday of this week in "The Return of the Scarlet Pimpernel." As Tommy McCoy, the boy who fought his way from the slums to the heights, Robert Taylor presents the finest, most vigorous acting job he has ever essayed in "The Crowd Roars," screening at the Alcyon on Sunday, Monday and Tuesday. The picture is packed with thrills, warm romance and gripping suspense. A cast of champions supports the star. Frank Morgan, Edward Arnold, Maureen O'Sullivan and Nat Pendleton. Everyone makes a stand-out of his or her characterization.

A story as rich in sentiment, homespun charm and humanness as "Little Women" will be shown to local moviegoers when "Mother Carey's Chickens" comes to the Alcyon as one of the Double-Feature attractions next week Wednesday, Thursday and Friday. A top-ranking best seller by Kate Douglas Wiggin, this picture brings to the screen Ruby Keeler in her first dramatic role and a notable cast which includes Ann Shirley, James Ellison and Fay Bainter.

Included on the same program is that amazing Mr. Moto, the trigger-witted Saturday Evening Post detective created by J. P. Marquardt. He faces his most sensational adventure in "Mr. Moto Takes a Chance" with Peter Lorre and Rochelle Hudson in the stellar roles.

## Lincoln School P.-T.A. Changes Date of Card Party to Nov. 4

Because the Community Chest committee has chosen the date of October 25th for their dinner, the Lincoln school P.-T.A. card party date has been changed to Friday evening, November 4.

Mrs. Halsted and her committee have arranged such a delightful evening for this party which we hope will again prove to be a successful community affair which it was last year, that we hope this change of date will not keep anyone away from attending, but rather that many others will find this new date a more convenient one.

## H. P. Community Chest Fourth Annual Drive Opens Oct. 25th

### Creative Writing Class Holds First Session Next Week

"Art is a pattern—writing cannot be just a piece of life alone but a piece of life taken out and put into a pattern. . . . There is a need for teen age literature, for that transition period between the carefully chosen and guarded books for children and the sophisticated, depressing novel. . . . Wherever the writer shifts from the narrative to the dramatic style he has things in his favor. . . . The short short story cramming a big situation into little space requires real technique. . . . Pure delight and sheer beauty are regarded as educational in themselves by the modern children's editors."

Developing such points as these, Rowenna Bennett carried the discussion at last week's meeting of her class in Creative Writing which meets Thursday mornings at the Y.W.C.A. into a philosophy of life itself. The Wednesday evening group, open to both men and women, will hold its first regular class session on Wednesday, Oct. 26, following an enthusiastic organization meeting held this week.

Tickets are transferable between the two groups and a joint manuscript program will be given at the close of the ten weeks. All types of writing are being done by members as there are no set assignments.

### Redeemer Church Presents Film On Lutheran History

The romance of 100 years of Lutheranism will be told in the moving picture film, "The Call of the Cross" at the Redeemer Lutheran church Thursday, Oct. 27, at 8 p.m.

This picture tells the story of the Saxon Immigration 100 years ago caused by the liberal and rationalistic attitude of the Saxon State Church on fundamental doctrinal truths.

A small and faithful group, rebelling against the manner in which the Lutheran doctrine was being modernized in the fatherland left their country for America where they could worship according to the dictates of their conscience. Leading their expedition were Pastors Stephan and C. F. W. Walther, two stalwarts, who steadfastly preached the Word of God in its purity.

Continuing, it deals with the anxieties, hardships and privations of the pioneer life of these immigrants. Without proper housing or water supplies, malaria thinned their ranks rapidly. Did the colonists constitute Christian congregations with authority to call ministers and did these ministers have the right to hold their office, having left their charges in Germany?

Notwithstanding these and other trying problems, they courageously and with foresight decided in a school of learning in which religion, the languages and the usual academic subjects were to be taught. The log cabin erected was the forerunner of the present Concordia Seminary in St. Louis and 16 sister colleges and seminaries throughout the United States, which have educated thousands of young men for the ministry and teaching profession in the Lutheran church.

The picture concludes with scenes showing the printing of the first official paper of the church, and the development through the years to the present Synod.

Sister Synods to the Evangelical Lutheran Synod of Missouri, Ohio, and other states are the Joint Synod of Wisconsin, Minnesota, Michigan, and other states; the Norwegian Synod of the American Evangelical Lutheran church, and the Slovak Evangelical Lutheran Synod of America.

These Synods comprise the Evangelical Lutheran Synodical Conference of North America with a total baptized membership of 1,700,000.

### French Classes to Be Held in Ravinia

There will be classes for both adults and children. Anyone interested in attending may call Mrs. Arvid Tanner, H.P. 2834.

Special Gifts Committee Chairman Jerome P. Bowes, Jr., reports that his committee has been actively engaged the past week soliciting the larger gifts, and is making successful progress. Mr. Bowes is hopeful that he will be able to announce at the opening dinner an encouraging number of subscriptions.

Publicity to Back Workers  
A splendid publicity program has been worked out by the publicity committee under the direction of George Hartman, publicity chairman, which will become effective early next week to aid the workers in the general campaign.

Campaign headquarters which have been opened at 4 North Second street will be open evenings during the campaign for the benefit of volunteer workers and the subscribing public. The Chest is indebted to H. and R. Anspach, who have donated the use of the building.

President Herman A. Zischke of the Highland Park Community Chest was deeply grateful to the Lincoln School P.T.A. for postponing the dessert bridge party which was originally scheduled to be held the evening of October 25 at the school.
