Miss Lea Taylor, daughter of the late Graham Taylor and head resident at Chicago Commons, will speak briefly at the tea to be held at the home of Mrs. Harry A. Sellery, 215 Bronson avenue, from 3 to 5 on Tuesday, October 25.

The object is to interest Highland Parkers in the Ravinia Commons Auxiliary either as active workers or on a dollar a year inactive basis. It is hoped that many will take this fine opportunity of hearing Miss Taylor and of acquainting themselves with the work of the

Commons. The Auxiliary is headed by Mrs. Myron Bennett and her co-chairmen, Mrs. J. M. Watkins, Jr., with Mrs. Ross Marvin as secretary and Mrs. E. E. Kern treasurer. Anyone interested in coming to the tea or in joining the group is cordially invited to call either Mrs. Watkins, H.P. 1526, Mrs. Fred Laur, H.P. 2988, or Mrs. H. C. Baumgartner, H.P. 2841.

**Tom Russell Heads Highwood Group Of Young Republicans**

At a meeting of the Highwood Young Republicans club held Tuesday evening in the Highwood city hall, Tom Russell was elected chairman and Albert Bernardi, vice chairman. Due to having several fine speakers, the election was not completed. Next Tuesday evening another meeting will be held at which time a secretary, treasurer and two representatives to the Lake County Young Republican club will be chosen. All members are urged to bring guests with them. Refreshments will be served. Among the speakers at Tuesday evening's meeting were Thomas Kennedy, candidate for sheriff, Harold D. Kelsey, Nick Keller, Allan D. Nelson and Congressman Ralph Church.

**Large Attendance At First Current Affairs Lecture**

Approximately 125 attended the first lecture of the Adult Education series on last Wednesday evening at the high school. Prof. Strevey's talk on the four-power pact was enthusiastically received by his audience. At the close of his talk an interesting discussion was held on problematic points in the lecture.

Prof. Strevey will present his second talk on Wednesday evening, October 26, at the high school.

The enrollment in all classes has already passed the 500 mark with indications of the largest attendance since the project was started. The classes in woodwork, sewing, bookkeeping and one class in beginning typing are filled while enrollment is heavy in advanced typing, shorthand, badminton, metal work, drawing and painting and public speaking.

There is still a chance for enrollment this week in several classes for those who have not yet had an opportunity.

This year's enrollment in the commercial course is the largest ever. More than 30 students are attending the shorthand classes which are being offered for beginning and advanced students.

More enrollments are necessary in leatherwork and mechanical drawing.

**Mrs. W. W. Ramsey Addresses D. A. R. at Opening Session**

Mrs. Warren Danley, Regent, presided at the opening meeting of the North Shore Chapter of the Daughters of the American Revolution at Exmoor Club. "Your Government and You" was the subject of Mrs. W. W. Ramsey's address. Subscriptions to the National Defense News published in Washington by the National Society of the Daughters of the American Revolution are to be placed in the Deerfield library, the Lake Forest high school and library, the Oak Terrace school and the Highland Park library and high school. This paper stresses National Defense through patriotic education.

The president-general, Mrs. Henry M. Robert, Jr., spoke at the luncheon given in Chicago in her honor which several North Shore chapter members attended. Her message was an appeal to each Daughter to forward the work in her community as outlined in the objects of their organization—to perpetuate the memory of the men and women who achieved American Independence, preservation of historic spots, patriotic education and good citizenship.

**Former Ravinia Resident Presents Delightful Program**

Miss Olga Trevisan gave a program of Italian, French and English songs before a large audience at the Ravinia Woman's Club on Wednesday, October 12. The opportunity to hear Miss Trevisan was a two-fold pleasure: first, the privilege of hearing a singer of operatic rank whose beauty and brilliance of tone combine with a vivid personality, and second, to welcome back to Ravinia a former resident and daughter of the world-renowned basso, Vittorio Trivisan.

Miss Trevisan looked like an Italian painting and her intelligent and generous communication with the audience made her distinguished expressive voice the more enjoyable. Miss Ray Shelters accompanied the songs.

**"Gridiron Glide" for Highland Park High Homecoming**

The annual Boys club-Girls club dance at Highland Park High school is to be called "Gridiron Glide" in honor of this year's football team. The dance will be held in the Boys gym on Saturday, October 29, at 8 p.m. following the Homecoming game with New Trier.

Alumni are urged to bring their friends and help the high school students show their appreciation for the fine work the team and coaches have been doing.

The services of Russell Kobow and his ten piece dance band have been secured. This organization comes from Park Ridge and is new to the North Shore. They feature Mr. T. Day and his all electric Hammond organ, an \$1800 instrument. This organ gives a quality that makes their music distinctive and the dance committee believes that everyone will find it most enjoyable. It is undoubtedly the best equipped orchestra to every play at a high school dance.

Alumni may reserve tickets by calling H.P. 4300 before 4 p.m. and H.P. 3126 after 7 p.m. One member of each couple should be a graduate of the local high school. Students must be accompanied by students now in school or former students. John Heath heads the ticket committee. Jean Jenkins and Andy Jacobs are the social chairmen.

Campbell Chapter Dessert-Bridge  
Campbell Chapter Guild will have a dessert-bridge on Friday, Oct. 28 at 2 o'clock, in the Masonic Temple, with Mrs. John Armstrong, Mrs.

Elmer Brown, and Mrs. Hamer as hostesses.

**FOR County Judge of Lake County**  
**ROBERT P. SULLIVAN**  
of Prairie View  
**Democratic Candidate**  
Election November 8, 1938

**A Statement and a Pledge:**

In submitting my candidacy for the office of County Judge I wish to point out to the voters that the County Judge in this state holds an important position in regard to taxation in the County. He appoints the members of the Board of Review, whose duty it is to equalize the taxes and to whom complaints are made if taxes appear to be unfair.

To the tax payers of Lake County I pledge that if elected County Judge I will appoint as members of the Board of Review men who have had experience in taxation and who know real estate valuations in Lake County—men to whom any tax payer can go for adjustment if the tax levied is actually unfair. While the statute in effect, provides that members of the Board of Review shall be of both political parties, it is possible to comply in this respect with the statute and still select men actually qualified by training and experience.

The election machinery of the county is controlled and under the jurisdiction of the County Judge. I am particularly interested in providing honest elections. I believe that the majority of the citizens of Lake County are equally interested in seeing that the 1934 fraudulent election does not recur. It will be recalled that Russ Alfred, the duly elected candidate for County Clerk, was actually kept out of office for eleven months.

I am pledged to the principle of equal justice to all.

Regarding my qualifications, I am thirty-five years of age, was born in Edgar County, down state, and for several years have been engaged in the practice of law.

I solicit the support of all of those interested in the civic welfare of the county.

Sincerely,  
**ROBERT P. SULLIVAN.**
