NUMBER 35

Homecoming Saturday At Highland Park High School

Announce \$19,490 Already Subscribed In Chest Campaign

The 350 volunteer workers attending the opening dinner of the Fourth Annual Community Chest Campaign held at Northmoor Country Club Tuesday evening, were given a big boost toward the successful culmination of their campaign efforts, by the announcement by Chairman Jerome P. Bowes Jr., of the Special Gifts Committee of the Chest, that \$19,450 had already been subscribed.

Chairman Bowes stated that his Special Gifts Committee of forty members had been vigorously campaigning to reach their share of the \$45,000 goal with the splendid results reported, and that he had every assurance that they would complete their job within the next few days.

The annual dinner, presided over by President Herman A. Zischke, was attended by the largest group of volunteer workers yet recruited in a Chest Campaign.

Everyone of the sixteen districts in the general city-wide campaign, which got under way yesterday, was well represented.

An interesting and informative program was presented at the close of the dinner.

Invocation was given by the Rev. Louis Sherwin, and brief introductions of Chest officers, past and present, were made by President Zischke. These were followed by the report of Chairman Bowes of the Special Gifts Committee and on an inspirational talk by former Chest President Herbert M. Lautmann.

General Campaign Chairman Raymond E. Wible gave final instructions and encouragement to his workers emphasizing the need this year of securing a far larger number of individual subscribers than ever before.

One of the highlights of the program was a stimulating talk by Allan T. Burns, executive vice president of the national organization of Community Chests and Councils of New York, who came on special invitation to be present at this opening dinner of the local campaign. Mr. Burns expressed pleasure at the splendid interest of Highland Park citizens in their Community Chest as indicated by the large and earnest group of volunteers who were present.

Previous to the formal business of the evening, an excellent program of entertainment was provided, under the direction of Walter L. Rubens, who had secured the volunteer services of well known radio and stage entertainers. They were Olive Johnson, soprano; Dick Gordon, tenor; the "Kelly Kids," who are Highland Park's own talented young entertainers; and Russ Wilk, accompanist. All the numbers were greatly enjoyed.

The first report meeting of the General Campaign solicitation, Chairman Wible announced, would be held on Friday evening at 8 o'clock p.m. at Chest headquarters, 18 North Second street.

Roger R. Balke in Recital Wednesday

One of the outstanding programs of the Green Bay P.T.A. for the current year is being presented next Wednesday evening, Nov. 2, at 8:30 p.m. Roger R. Balke, brilliant young artist, and a product of Highland Park, will appear in recital at the Green Bay road school.

Mr. Balke has studied abroad under some of the world's greatest teachers of music, and has also received high praise from music critics here, following his recent return to America.

He began his study of music with Maria Milinowski, master pupil of Creno, who is now professor of music at Vassar. Further piano studies were directed by the well known Chicago teacher, Howard Wells.

Mr. Balke then went to Europe for a period of intensive study at Paris and at Fontainebleau under L. Philip. His study in musical theory was directed by the late Adolf Weidling and by Felix Borowahi, noted Chicago critic and composer. In Paris he continued his composition and counterpoint with Mlle. La-Croix and Mlle. Bulanger, considered the leading woman exponent of musical theory in the world.

Dr. Ruth Alexander To Speak Monday At Woman's Club

Members of the Highland Park Woman's Club are asked to mark off the days November first and second in red letters on their calendars.

For beginning at 10:30 Tuesday morning, November 1st, the new Collectors' Study Group will present the first of its series of informal morning talks, given by experts in their lines, to members and their guests. Mrs. Bentley F. Ramsdell will speak on the interesting subject of "Early American Historical Chinaware." She will cover the various types of china made in Staffordshire for the early American trade, and will illustrate her talk with examples from her own very fine collection. Members are admitted free to this talk, and non-members will be welcome upon payment of the usual small guest fee.

At 12 o'clock, Mrs. Sarah B. Kriebel and her assistants will serve one of her delicious "Hostess for Party Foods" luncheons, at an insignificant cost. Reservations for luncheon must be made before Saturday evening, October 29, either to Mrs. A. M. Allison, H.P. 1120, or to Mrs. Leonard Keaster, H.P. 2113.

At 2 o'clock, one of the outstanding programs of the year will be held at the club house. Dr. Ruth Alexander (Mrs. Raymond Redheffer) will address the club members and guests on the vitally important subject, "Shall Man or the State Survive?"

Dr. Alexander combines rare personal charm, force of character, and a clear speaking voice with exceptional knowledge and judgment. She is a trained economist, writer and lecturer, a graduate of Northwestern, where she obtained her doctorate also. Her researches into the relationship between human nature and forms of the state are among the few original contributions being made to politico-economic thought today. Her talk will be particularly fitting at this time of general political upheaval, and her views will be expressed so clearly and forcefully that any listener can well understand and enjoy her.

On Wednesday morning, at the club house, the first of the series of ten lessons in Parliamentary Law and Club Ethics conducted by Mrs. Gertrude C. Lieber will be held at 10 o'clock. Mrs. Lieber's attractive personality and thorough knowledge of her subject make it a privilege to attend her classes. They are free to members and non-members are welcome upon payment of a small guest fee.

The Autumn Rummage Sale is to take place at the club house on Thursday, November 3, from 9 a.m. until 5 p.m. Members are requested to spare all that they can, especially warm winter clothing, and take the articles to the club any morning before the third. If they cannot take them, Mrs. Frank Blake, chairman of the Finance committee, will be glad to have them picked up.

Hallow'en Pranks Can Be Wholesome Not Destructive Fun

Traditionally Hallow'en, the evening preceding All Hallow or All Saints Day, is devoted to merry-making with playful ceremonies and charms.

American enthusiasm and indulgence has turned this Hallow eve into an occasion of boisterous amusement and devilment. Instead of just observing the one day, effects of the coming event may be seen and felt for days and even weeks preceding it.

Hallow'en will not be officially celebrated until Monday, although shop windows and cars in Highland Park have already felt the effects of the young pranksters.

Nearly everyone enjoys clean, wholesome fun, and few are wont to deprive youngsters of some pleasures on Hallow'en, but there are those who carry this merriment too far. It is hoped that this city will be able to boast when Hallow'en is over, that "we have the finest group of youngsters on the North Shore, for they did not destroy anyone's property or cause any serious damage just for fun."

The Highland Park police will be out in full force over the weekend and Monday, so you mischief makers better look to your laurels, "for it won't be the goblins that'll get you, if you don't watch out."

Proclamation For Navy Day

Thursday, October 27, the birth date of Theodore Roosevelt and the anniversary of the establishment of the American Navy by the Continental Congress in 1775, has been designated as NAVY DAY; and

In these times, it is of vital importance that the United States have not only a Navy of adequate strength to maintain our national policy of peace and security, but also a Merchant Marine commensurate with our national interests; and

This day will be observed by the citizens of this country as a tribute to the past and present services which the Navy of the United States has rendered to the Nation during one hundred and sixty three years, and to the men who have responded in time of peril to the call to arms, and who stand ready at all times to uphold and defend the ideals and institutions of this great country.

NOW, THEREFORE, I William M. Dooley, Mayor of the City of Highland Park, Ill., by virtue of the authority vested in me by law, do designate Thursday, October 27, 1938, as "NAVY DAY," and urge that our appreciation of the loyal services of the Navy be shown by a display of the national colors, and that appropriate exercises be held to commemorate the occasion.

WILLIAM M. DOOLEY
Mayor

H. P. Hospital Annual Meeting Monday Evening

The annual meeting of the Highland Park hospital will be held Monday evening, October 31, in the Board Room of the hospital.

Fifteen trustees will be elected for a three year period to fill the vacancies of those whose term has expired.

The present Board of Trustees is as follows:

L. Abbott, H. B. Aiston, G. C. Baldwin, A. G. Ballenberg, R. Bard, E. A. Belmont, Carroll Binder, Carl Bingham, D. Boynton, Mrs. G. Childs, Ralph Cleary, T. Creigh, J. M. Esston, E. F. Friedlich, E. James Fucik, Mrs. E. Fyffe, J. B. Garnett, Mrs. H. Getz, F. L. Grinnell, Mrs. R. T. R. Hastings, S. S. Hastings, C. L. Henkle, S. Holmes, H. E. Hoover, J. S. Johnson, E. Kuh, Jr., Bruce Logie, R. MacPherson, D. D. McCormick, Mrs. E. Millard, E. V. Moccogni, John Newey, R. K. O'Hara, Mrs. E. Randall, L. Rieser, R. P. Sherer, M. E. Shire, A. T. Sihler, L. B. Sinclair, Mrs. E. Tullis, Mrs. S. R. Vail, F. A. Watkins, Mrs. W. A. Wieboldt, C. H. Witt, Mrs. Tom Wyles.

An interesting program has been arranged by Miss Marjorie Ibsen, superintendent, and in addition to remarks by Dr. Grady, president of the medical staff, Dr. J. T. Case, radiologist, and others. Those present will inspect the newly completed Sheldon Memorial X-ray department.

This will be an open meeting and the general public is invited.

"Alexanders Ragtime Band" Outstanding Film at Alcyon

On Saturday of this week the Alcyon theatre is again going to present that outstanding picture of a few years ago called "Hell Divers." Clark Gable and Wallace Berry are the stars with a most able cast supporting them in this thrilling aviation film which everyone will surely want to see again.

At last, the picture that is greater than your average expectations... that fulfills all that you have heard about it... Irving Berlin's "Alexander's Ragtime Band" will be presented at the Alcyon on Sunday, Monday and Tuesday coming. It's a heroic drama rich in memories and the haunting melodies of Berlin, but richest in the thrilling life drama of three who rose from the brawling Barbary Coast together. Tyrone Power, Alice Faye and Don Ameche with a stellar supporting cast give you their most brilliant performances.

James Cagney and Pat O'Brien have been reunited and they will come to the screen of the Alcyon on Wednesday, Thursday and Friday, November 2, 3 and 4 as the co-stars of "Boy Meets Girl," the film version of the comedy of the same name which was so big a hit on the stage. Dennis O'Keefe, Ann Morris, Lewis Stone and Nat Pendleton share honors in the second picture on the program, "The Chaser," a fast moving comedy-drama of the ambulance-chasing racket.

Annual Visiting Night Nov. 1 At H. P. High School

Reservations for the Highland Park high school annual turkey dinner and Visiting Night must be made by next Tuesday, Nov. 1. The dinner will be served in the school cafeteria at 6 p.m. on Thursday, Nov. 3.

This is always a popular P.T.A. meeting. Besides the dinner in the room where the students have their daily luncheon, there is the personal contact with the teachers, which parents have come to appreciate. Parents of freshmen students who met their children's teachers at the Freshmen Teas, now have a chance for a "follow-up" interview which should prove helpful. A P.T.A. member will act as hostess with each teacher to facilitate the conferences.

Refreshments will be served in the English clubroom during the evening by the hospitality chairman, Mrs. Paul Date, and her committee. Parents who can not attend the dinner are welcome to come for the evening conferences and social hour.

Remember the reservation to be made by Tuesday, Nov. 1, or sooner with your district chairman. They are:

Oak Terrace—Mrs. David Olson, Highwood 2220.

Elm Place—Mrs. Herman Pomper, H.P. 1086, or Mrs. Gustave Bichler, H.P. 3104.

Lincoln—Mrs. J. C. Griswold, H.P. 2171.

Ravinia—Mrs. K. E. Wagner, H.P. 3113.

Braeside—Mrs. Harold Pfister, H.P. 1742.

West Ridge—Mrs. L. R. Haas, H.P. 4169.

Deerfield—Mrs. Harry Oendorf, Deerfield 467 or 185.

Bannockburn—Mrs. Harold Norman, Deerfield 375.

Wheeling, Prairie View and Northbrook—Mrs. H. S. Bingham, Wheeling 60J1.

Beautiful Display Of Fall Flowers At Bahr's Greenhouses

Fritz Bahr, our local florist, extends a cordial invitation to all readers of THE PRESS to visit his greenhouse located at Park avenue and Ridge road.

More than 6,000 chrysanthemums are beginning to come into flower, from the smallest pompon and anemone sorts to the large exhibition varieties; a 150 foot greenhouse of snapdragons is in full bud and bloom and the same is true of the house of blue ribbon carnations. Another house contains rare specimens of cacti and various succulents. Then there are buddleias, camellias, bouvardias and many other interesting plants. The men are busy planting lilies, tulips, daffodils, hyacinths and other bulbs for this coming winter and spring flowering at which time Mr. Bahr's silver medal pansies will again form one of the main attractions.

Praises Home Talent Production Staged in Deerfield Friday

The following letter of commendation is self explanatory and bespeaks the merits of home talent school, a novelist who declares she productions as was evidenced in the "Ninth Guest" last Friday evening by the Deerfield Stagers.

It was more by accident than design further prompted by curiosity, that I found myself viewing an amateur dramatic production presented at the Deerfield Grammar school last Friday night. My work carries me from coast to coast so naturally I get the opportunity of seeing many kinds of shows, but it is seldom that I find one that can go one better than the original production in New York.

The electrical effects, however, were certainly an improvement on the neon light effect used in New York, and the staging generally was something more than I ever expected to see in an amateur production especially in a village of what I am given to understand is of only a couple of thousand. Congratulations, Deerfield, and good luck for the future.

JAMES MORTON SCOTT,
Trenton, New Jersey.

Many Notables of Travel World to Attend Lecture Nov. 4

Since the recent announcement of Harvey Olson's presentation of his natural color movies and lecture to be held in the Ravinia Village House, Friday evening, November 4, at 8:15 p.m., many notables of the travel world have signified their intention of being present. Among them are Mr. Wm. Franklin Crum, western general manager of the Cunard White Star Line; Mr. James Nolan, western general agent of the French Line; and Mr. William Lancsweert, western passenger manager of the U. S. Lines and the International Mercantile Marine, as well as Mr. Fred Robinson, general manager of Raymond Whitcomb, Inc. Highland Park's own Russ Ahrens, aviation executive, will be present.

Several dinner parties are being planned to precede the lecture. Mr. and Mrs. Fred H. Norton, Jr., of Evanston, recently of Highland Park, are entertaining a group of friends, and will attend the lecture. Mr. and Mrs. Norton, Sr., of Burlington avenue, are also having a lecture party. Miss Peggy Osborn of 1835 Kincaid, will entertain a party of friends including her brother, Ted, and his fiancée, Miss Mary Moore.

So much advance interest has been displayed that another talk is being planned in the future to be held in the Highland Park Woman's Club early in December.

Coach Lauer Was Former Member of New Trier Team

When the Fresh-soph teams of Highland Park (see picture) and New Trier meet in the annual Homecoming game here Saturday at 12:30, it will be a case of student meeting "teacher." Chas. "Chuck" Lauer, head Fresh-soph coach and acting athletic director at H.P.H.S. graduated from New Trier in 1926. While there he played football and basketball under "Duke" Childs and Walt Aschenbach, present athletic director and football mentor at the Winnetka school.

Highland Park's 0-0 draw at Waukegan makes the locals slightly the favorites in Saturday's battle. Mark Panther assists Lauer as coach of the aggressive underclass eleven.

Meyers Bakery To Celebrate Birthday

Meyers Bakery, formerly Crist's bakery, located at 505 Central avenue, is celebrating its first anniversary on Nov. 1. Mr. August Meyers, proprietor, is deeply grateful to his friends and patrons for their loyal patronage during the past year.

He has endeavored to maintain his products at the same high quality which was featured by his former owner. During the next few days he will feature fancy pastry and bakery goods for Hallow'en for which orders will be taken.

Alumni Urged To Attend Pep Meeting Games and Dances

Students of the Highland Park High school are welcoming the alumni of H.P.H.S. and of the Deerfield-Shields High school to three Homecoming events scheduled for this week-end. On Friday morning at 8:45 there will be a pep-meeting in the school auditorium to which alumni are invited. Saturday afternoon the varsity and fresh-soph teams meet New Trier in the Homecoming games. And Saturday night the Boys and Girls club are sponsoring a Homecoming Dance "The Gridiron Glide."

Elmer Maiman '33, now a senior at Lake Forest college and a star basketball player, will speak for the alumni in the pep meeting Friday morning. Maiman was one of Deerfield's star basketball and baseball players and the winner of the American Legion award to the school's outstanding athlete. Also on the program will be Captain Eugene Juhrend of the Highland Park varsity eleven and Coaches Dave Floyd and "Chuck" Lauer.

The Homecoming game with New Trier bids fair to be a veritable grid classic. Waukegan, which defeated New Trier 6-0, was barely able to take a 7-6 game from Highland Park last Saturday. Highland Park's team is the strongest in years so that the outcome of this annual colorful battle will be in doubt till the final whistle.

Sixteen seniors will don the mole-skins for their last H.P.H.S. game. These players include Bill Bange, John Boone, Chas. Dean, Clyde Dorr, Al Frost, John Hoie, Captain Juhrend, Bill Jones, Neil and Bill Lorimer, Bill Peters, Larry Wygal, George Gressie, Hiram Nichols, Bob Nichols, and Jerry Parsons.

All alumni are also invited to attend the "Gridiron Glide" in the boys gym from 8 to 12 p.m. on Saturday night after the game. One member of each couple must be a graduate of the high school and the other may be a guest.

In order to help the refreshment committee in particular, alumni are urged to make reservations in advance. They may call Highland Park 4300 before 4 p.m. or Highland Park 3126 after 7 p.m. Tickets may be paid for at the door at \$1 per couple.

Music will be furnished by Russ Kobov's ten piece orchestra. A Hammond Organ is the unusual instrument featured by this organization. The Hammond Organ makes use of electric currents and radio tubes to produce music of unusually pure tone. It is an instrument which can produce enormous volume because of the electrical amplifiers it uses. There are no pipes or bellows involved and the organ can be played as rapidly as any piano. Mr. T. Day will play solo numbers during the dance intermissions.

"Gridiron Glide" promises to be one of the most enjoyable dances ever held at the Highland Park High school. Committees on tickets, floor show, decorations and refreshments have been active for more than a week making arrangements to welcome alumni and students.

The idea of Homecoming originated at the University of Illinois, and has spread to practically every college and high school in the country. With such an array of activity, this 1938 H.P.H.S. Homecoming should be the best in its history.

Dr. I. M. Greenberg Opens Dental Office

Dr. I. M. Greenberg, who for the past 15 years has been a resident of Highland Park, is opening a dental office at 394 Central avenue.

Turning from a musical career to enter the field of dentistry, Dr. Greenberg attended Northwestern University Dental school.

Dr. Greenberg was one of the early patrons of Ravinia Park, and can recall the days when he used to frequent this haven of summer concerts, when programs were given twice daily, and the admission price was 25 cents. He is a graduate of Chicago Musical college and at one time was a member of the St. Paul Symphony orchestra. He and his family reside at 1329 Judson avenue.
