GARNETT'S

FOR

County Judge
of Lake County
ROBERT P. SULLIVAN
of Prairie View
Democratic Candidate
Election November 8, 1938

A Statement and a Pledge:

In submitting my candidacy for the office of County Judge I wish to point out to the voters that the County Judge in this state holds an important position in regard to taxation in the County. He appoints the members of the Board of Review, whose duty it is to equalize the taxes and to whom complaints are made if taxes appear to be unfair.

To the tax payers of Lake County I pledge that if elected County Judge I will appoint as members of the Board of Review men who have had experience in taxation and who know real estate valuations in Lake County—men to whom any tax payer can go for adjustment if the tax levied is actually unfair. While the statute in effect, provides that members of the Board of Review shall be of both political parties, it is possible to comply in this respect with the statute and still select men actually qualified by training and experience.

The election machinery of the county is controlled and under the jurisdiction of the County Judge. I am particularly interested in providing honest elections. I believe that the majority of the citizens of Lake County are equally interested in seeing that the 1934 fraudulent election does not recur. It will be recalled that Russ Alford, the duly elected candidate for County Clerk, was actually kept out of office for eleven months.

I am pledged to the principle of equal justice to all.

Regarding my qualifications, I am thirty-five years of age, was born in Edgar County, down state, and for several years have been engaged in the practice of law.

I solicit the support of all of those interested in the civic welfare of the county.

Sincerely,

ROBERT P. SULLIVAN.

Young Republicans Hold Hallowe'en Dance Next Monday

Realizing the importance of the coming election, the Highland Park Young Republican club has put on a very vigorous campaign this fall to bring out a larger vote than ever before. There are many votes that have never been cast here before, and with this vote they feel that there is a good chance to offset their opponents in their strongholds.

Plans are being perfected for a big Hallowe'en dance to be held next Monday evening (Oct. 31) at Witten hall, to which the public is invited. The committee headed by John O'Connell, general chairman, has been putting forth every effort to make this one of the largest affairs ever held in Highland Park.

Other committees are, Program committee: Hugo Schneider, Jr., Kenneth Niebler, C. F. Becker, Margaret Simmers, Edith Kratzer, Edna Schneider, Mrs. C. F. Becker, Mrs. W. F. Veech.

Publicity committee: Wm. F. Veech, Sam Martin, Jim McNeill. Finance committee: John Sweeney, Mathilda Hahner.

Decoration committee: Grace Jacobson, Margaret Simmers, Edith Kratzer, Wm. F. Veech, Dick Schnieder.

Reception and House committee: Bob Skidmore, Chet Skidmore, C. Strinker, T. O. Palmer.

The Deerfield Township Republican club agreed to come as a body to the dance after the regular meeting on Monday, October 31, which indicates splendid cooperation between the two clubs.

The Highland Park Young Republican meeting is November 2, at 8 p.m. at Sher-Park building.

If you are not already registered, don't forget to do so before election.

Hold Tryouts For Barn Dance Show In Highwood Nov. 10-11

On Thursday, Friday and Saturday, November 17, 18 and 19, a WLS-Prairie Farmer Home Talent show will be presented at the Oak Terrace school auditorium in Highwood. Plans are progressing rapidly for the benefit of the Highwood Boy Scouts, and it is anticipated by the committee that this will be a bigger and better show than the previous ones given in Highwood. Tryouts for this production will be held at the Highwood City Hall on Thursday and Friday, November 10 and 11. Anyone wishing to register may do so by calling Highland Park 3712.

Tickets can be purchased from the Highwood Boy Scouts, members of the Scout Drum and Bugle Corps or at the Ermine Cleaners. A beautiful door prize will be given away each evening of the show for persons who have purchased their tickets in advance.

Edward Burwell To Discuss "Third Term" Wednesday Evening

Mr. Burwell of the Social Science department of the Highland Park High school will address the members of the Current Affairs group on the "Third Term" on Wednesday evening, November 2, at 8 p.m. Such a topic has definite interest for everyone because of the possibility of President Roosevelt seeking re-election at the end of his present term of office.

Mr. Burwell's fund of information on United States history and his excellent delivery will assure his audience a very interesting and worthwhile evening.

Registrations in the various classes on the Adult Education program are still coming in and the total registration is now well over 550.

The Drawing and Painting class has the largest enrollment of any art class offered since the start of

Highland Park's Adult program. Students are enjoying very much the excellent instruction given by Mrs. Degenhardt.

All classes now have registrations sufficient to insure the continuance of classes in all subjects throughout the first term.

Persons interested can still enroll on Monday and Wednesday evenings at the Highland Park High school.

Rummage Sale Nov. 3

A rummage sale, the proceeds of which will benefit Ridge Farm Pre-ventorium, will be held at 388 Cen-

tral avenue, Thursday, Nov. 3.

All those interested should phone Hugo Schneider, Phone 3298, Highland Park, Ill.
