Red Cross Roll Call and Xmas Seal Sale Two Distinct Functions

The regular weekly chest clinics sponsored by the Lake County Tuberculosis Association with Dr. Charles K. Petter as examining physician will be held Wednesday and Friday mornings from 8:30 to 11 a.m. at St. Therese hospital, Waukegan.

To prevent confusion in the public mind regarding the fund raising campaigns of local chapters of the National Tuberculosis Association and the American Red Cross, the two national organizations have issued a statement explaining that "there is no official or other connection between the Roll Call and the Tuberculosis Christmas Seal Sale."

Because the official emblem of each organization is a cross, and because both are red, although of different design, many people fail to distinguish between the two welfare groups, Dr. Robinson Bosworth, president of the Illinois Tuberculosis Association, pointed out.

ican Red Cross is a Maltese Cross in which each arm is of equal size.

The Red Cross Roll Call is to be held from Armistice Day, Friday, November 11, through Thanksgiving Day, Thursday, November 24. The Tuberculosis Association Christmas Seal Sale begins Friday, November 25.

Tuberculosis associations, however, are permitted by the agreement to deliver seals in advance to corporations and merchants who use them on bills mailed before the end of November.
