JOIN RED CROSS

FOR

County Judge

of Lake County

ROBERT P. SULLIVAN

of Prairie View

Democratic Candidate

Election November 8, 1938

A Statement and a Pledge:

In submitting my candidacy for the office of County Judge I wish to point out to the voters that the County Judge in this state holds an important position in regard to taxation in the County. He appoints the members of the Board of Review, whose duty it is to equalize the taxes and to whom complaints are made if taxes appear to be unfair.

To the tax payers of Lake County I pledge that if elected County Judge I will appoint as members of the Board of Review men who have had experience in taxation and who know real estate valuations in Lake County—men to whom any tax payer can go for adjustment if the tax levied is actually unfair. While the statute in effect, provides that members of the Board of Review shall be of both political parties, it is possible to comply in this respect with the statute and still select men actually qualified by training and experience.

The election machinery of the county is controlled and under the jurisdiction of the County Judge. I am particularly interested in providing honest elections. I believe that the majority of the citizens of Lake County are equally interested in seeing that the 1934 fraudulent election does not recur. It will be recalled that Russ Alford, the duly elected candidate for County Clerk, was actually kept out of office for eleven months.

I am pledged to the principle of equal justice to all.

Regarding my qualifications, I am thirty-five years of age, was born in Edgar County, down state, and for several years have been engaged in the practice of law.

I solicit the support of all of those interested in the civic welfare of the county.

Sincerely,
ROBERT P. SULLIVAN.
