Mrs. Eva Mills Jewett passed away on Saturday, October 29, at her home on County Line road. Funeral services were held on Tuesday at the home with Dr. W. F. Weir of the Deerfield Presbyterian church officiating, and burial was in Howell, Mich., where she spent her early life before coming to Chicago.

Mrs. Jewett was a very capable business woman and conducted a large and successful enterprise in Chicago for many years. In addition to her restaurant business, she was a talented musician and a graduate of a music conservatory.

The Jewetts have occupied their present home, which was the former James Galloway farm, for many years. Surviving are a son, Charles and a daughter, Miss Josephine. Mr. Jewett preceded his wife in death about twelve years ago.

W. H. Wolhiser Will Bring Interesting Message to Deerfield

The Deerfield Woman's club is presenting Mr. W. H. Wolhiser, village manager of Winnetka, at a special meeting Wednesday, November 9, at 8 p.m. in the auditorium of the Deerfield Grammar school.

Mr. Wolhiser was invited to speak at the regular afternoon meeting of the club, but his talk is of such interest that an evening lecture was arranged so that husbands of club members, and interested Deerfield citizens might have the privilege of hearing this much-sought speaker.

Mr. Wolhiser will discuss village problems and plans of village organization. His services, much appreciated in Winnetka, have been requested by much larger towns and cities, but he believes he can be of more service in this area. Winnetka's government is rated among the highest among villages in the United States for efficiency in operation. Discussion and questions by the audience will follow the lecture. Mrs. Charles Turner, chairman of the Social Service department, is in charge of this program.

The book reviews will be given at 2:30 p.m. Tuesday, November 8, instead of the originally scheduled hour 1:15 p.m., in the library at the Deerfield Grammar school. The following books will be reviewed: "Little Known Facts About Well Known People," Dale Carnegie, by Mrs. E. C. Becker; "My Son, My Son," Howard Spring, by Mrs. Robert E. Many Plan to Leave Early for Florida

Advance inquiries and reservations to Florida indicate that many travelers will head South earlier than usual this year—many planning to leave this month. This is confirmed according to reports received from officials of the Chicago & Eastern Illinois railway, the Louisville & Nashville, Chattanooga & St. Louis railway, whose Florida trains are operated over the famous Dixie route from Chicago. Trains over this route run via Nashville, Chattanooga and Atlanta, passing through the heart of the historic Civil War battlegrounds in Tennessee. Two daily trains are operated, the Dixie Flyer and the Dixie Limited, both of which carry through sleepers and coaches between Chicago and Jacksonville. (Car - to - car transfer from St. Louis. On January 2, the Dixie-land will resume service, the only train reaching all Florida points only one night en route. Last year the Dixie-land was the most popular of all Florida trains from Chicago.

"Swing Club" Begins Season Saturday at Woman's Club

Known as one of the outstanding civic organizations in the community, the Highland Park Woman's club is particularly proud of its sponsoring of that important activity for the young people of the town, called the "Swing club." This attractive entertainment for senior, junior and sophomore girls and boys should receive the wholehearted support of the community, since it provides splendid recreation at such a nominal cost.

The "Swing club" will open at the club house this coming Saturday, November 5 from 9 until 12 o'clock. A long list of girls is already registered, but there is still room for a few more boys. Mrs. Claburn Jones, H.P. 714, will be glad to give any further information and to take registrations.

having Lind Johnson's famous dance orchestra to provide its usual peppy music for the dancers' enjoyment. She has also been fortunate in securing the services of Jess Bailey as master of ceremonies. This clever young man, although only a senior at Northwestern university, has already won honors as the best tap dancer in America, has acted in RKO vaudeville, and in a Paramount picture, has been with Billy Rose and the Fort Worth Centennial and was a dance lead in Northwestern's show, "Of Thee I Sing." He can teach all the new dances, even the very latest, "The Steamboat Shuffle." He has had much experience in managing dances and will be popular with the boys and girls in Highland Park.

There will be two informal dances in November, the 5th and 19th, and eight others throughout the fall and winter. Everyone who attends them is assured of a happy time, and a large and enthusiastic group is expected to enjoy the opening dance this coming Saturday evening.

3. Proposed section 8 repeals the provision of present section 6 making stockholders of a State bank liable to the creditors of the bank over the amount of stock held by such stockholders for liabilities of the bank.
