Varied Program For Armistice Day Plan Of Legion

The Dumaresq Spencer Post of the American Legion in Highland Park announces that elaborate plans to commemorate Armistice Day, Friday, Nov. 11, will include participation in school programs, a public ceremony in the morning and a dinner and entertainment in the evening.

The morning ceremony will take place at Central and First street beginning shortly before 11 o'clock. Mayor Wm. M. Dooley will make a brief address and the program which will be conducted by Commander Paul Webb, Senior V. C. Leslie McCaffery, Adjutant Miller Schreiner, Mr. Logan, Post Chaplain, and J. T. Farmer, Junior Vice Commander will include a military escort from Ft. Sheridan, colors and the attractive ritual dedicated to proper observance of the day.

As all of the schools in Highland Park will be closed on Armistice Day, programs in the schools will take place on Thursday, the day preceding. These will include special ceremonies in the Highland Park high school, and at Lincoln, Elm Place and Braeside schools.

Major Frank Roman of the American Legion will be the speaker on the Lincoln school program which will be marked by the presentation of a new American flag by the Dumaresq Spencer Post. The presentation will include a flag raising ceremony and will be conducted by the officers of the post. Presentation will be made by the post adjutant, Miller Schreiner, who is also Senior vice commander of the Tenth District of Northern Illinois.

The program at Elm Place school which is being arranged by Mr. Price will feature as guest speaker Marvin Wallace of the American Legion who will make a brief talk on the origin of Armistice Day and its importance to every American boy and girl. A similar program will be conducted at the Braeside school in the morning of that day which will be in addition to ceremonies at the Ravinia and Ridge schools.

The program of observance and ceremony will be climaxed on the evening of Armistice Day by a Legion celebration of the day to take place at the Twig 'n Thistle tea room where the members of the post will assemble for dinner, special entertainment and a good time. All enrolled members are invited to attend as guests of the post and reservations may be made by communicating with Arthur Swanson, chairman, in charge of the evening.

Many new residents of Highland Park are eligible to membership in the local Legion post. Nov. 11th is National Join-up day for the American Legion and all who are eligible are invited to affiliate with Dumaresq Spencer post. Do so if possible on Armistice Day.

P. O. to Observe Armistice Day

The Highland Park Post Office will be closed all day, Friday, November 11, Armistice Day. This is in conformity with the law passed at the last session of Congress which made Armistice Day a National Holiday. There will be no delivery of mail by carriers that day. The regular schedule of incoming and outgoing mails will prevail, however, and "Specials" will be delivered as usual.

The Post Office department is calling the attention of its patrons to the fact that this month — November — has been designated National Parcel Post Month, in celebration of the 25th or Silver Jubilee anniversary of the inauguration of Parcel Post. Adopting the slogan: Send It Parcel Post, "from anywhere to everywhere," convenient low-rate service, the public is invited to make still greater use of this most popular postal facility or service.

Many Christmas parcels are mailed from Highland Park for foreign countries. Owing to the long sea travel frequently involved and to customs inspection abroad, such parcels should be mailed in November (as early in the month as practicable) to assure delivery by Christmas Day.

In view of climatic conditions, the length of the journey, and the numerous handlings and risks to which parcels for foreign destinations are unavoidably subjected en route, the importance of securely and substantially packing every parcel cannot be stressed too strongly, the post office warns. Detailed information as to the best method of packing and wrapping will be gladly furnished by the window clerks at the Highland Park Post Office or you can phone H.P. 1367.

As regards the closing dates at Highland Park for mailing letters intended for Christmas delivery in foreign countries, announcement is made that letters, post cards and newspapers should be mailed on or before Christmas in the countries stated:

- Siam—November 16.
- Australia—November 19.
- Philippine Islands—November 23.
- Hong Kong—November 23.
- Strait Settlements—November 23.
- India—November 24.
- China—November 29.
- Egypt—November 30.
- Persia—November 30.
- Bolivia—November 30.
- Chile—November 30.
- Ecuador—November 30.
- Peru—November 30.
- South Africa—November 24.
- Siberia—November 24.

Closing dates for mailing Christmas letters to most other foreign countries are in December and will be announced later. It is pointed out, however, that all parcels for Christmas delivery abroad should be mailed as early in November as possible.

Interesting Program Promised Sunday At Community Vespers

China, Japan and Hawaii will be represented in story, song and pictures by three young women who have lived in these countries when the Community Vesper Service opens on Sunday, November 13, at the Highland Park Y.W.C.A. Everyone is invited to come to the interesting program offered under the auspices of the National College of Education as its contribution to the World Fellowship Work of the Young Women's Christian Association.

Armistice Day, Nov. 11, 1938

AMERICA'S ANSWER

*REST YE IN PEACE, ye Flanders Dead,
The fight that ye so bravely led
We've taken up. And we will keep
True faith with you who lie asleep
With each a cross to mark his bed,
And poppies blowing overhead,
Where once his own life-blood ran red.
So let your rest be sweet and deep
In Flanders fields.*

**FEAR NOT that ye have died for naught,
The torch ye threw to us we caught.
Ten million hands will hold it high,
And freedom's light shall never die!
In Flanders fields.**

R. W. LILLARD.

Nearly \$10,000 Short Of Goal; Climax Friday

Still approximately \$10,000 short of the goal of \$45,000, the volunteer workers in the Fourth Annual Highland Park Community Chest Campaign were making every effort this week to secure the necessary balance by Friday evening, November 11, the scheduled date for the final report meeting of the campaign.

"The District workers in this year's campaign have done an extraordinary job to date," said General Campaign Chairman R. R. Wible yesterday, following Tuesday evening's report meeting, which brought the general campaign total to \$34,525.

"In the ten days of actual campaigning, these volunteers have rolled up 70 percent of the district quota and the general total for the campaign which includes the subscriptions secured by the Special Gifts committee brings us up to 77 percent of our total goal.

"We are most hopeful that by Friday evening of this week we will reach the goal. I know every worker (Continued on Page 7)

Chaplain Reilly To Speak On Armistice Day At Lions Club

A very interesting speaker is scheduled to appear before the H. P. Lions club at their noon day meeting today at the Twig 'n Thistle. Stanley J. Reilly, captain chaplain of the United States Army, stationed at Fort Sheridan, will address the local group on Armistice Day.

Chaplain Reilly was born in San Francisco Oct. 23, 1905, where he spent his early life receiving his primary schooling. He entered St. Patrick's seminary, Menlo Park, Calif., in Sept. 1919, a student for the Priesthood in the Catholic church. He was ordained in June 1930.

After the required three years of civilian ministry in Oakland, Calif., he entered the Officers Reserve Corps, and was ordered to active duty August 11, 1933, with the CEC camps in Oregon, Idaho and California. He was commissioned in the regular army in November 1935 and was ordered to duty with the Air Corps at Hamilton Field, Calif., and Francefield, Panama. In June 1938 he was transferred to Fort Sheridan.

Rev. Reilly is deeply interested in the boys' movement and has been most successful in his work both in the CCC camps and in army posts. He is being sponsored today by Mr. Roebler.

St. James Church Plans Card Party

A card and bunco party has been planned by the St. James society to be held Thursday evening, Nov. 17, at 8 o'clock in the Labor Temple in Highland. A splendid party is being arranged with a varied assortment of attractive prizes including turkeys. All members and their friends are invited.

State Officials To Discuss Stop Lights Tuesday

The annual meeting of the Highland Park Citizens Safety Committee, to be held Tuesday evening, November 15, at 8 o'clock, in the auditorium of the Highland Park library, assumes added importance with the announcement by Edwin Gilroy, chairman, that two important state highway officials will attend to advise concerning the proposed plan to install stop lights in Highland Park.

At this meeting, which will include reading of the annual report, Mr. C. H. Appel, district engineer of the State of Illinois, will offer advice and information concerning the proposed plan to accomplish the installation of traffic lights and decide on ways, means and which locations in the city should receive first consideration.

Mr. Appel will be accompanied by Mr. T. Walberg, State Director of Safety, who has been kind enough to accept an invitation to make a brief talk on community safety, which he will illustrate with a special motion picture produced by the state. The fact that this motion picture is both highly instructive and entertaining has made it a feature sought by schools and organizations throughout Illinois, and therefore an attraction very much worth while.

Another important matter to come up at this annual meeting of the Safety Committee is the plan which has been worked out to correct the shrubbery hazard, which it is thought will do much to correct this condition. Details of the procedure will be submitted and plans for other safety measures will be discussed. These will include a report by Philip Cole, city engineer, concerning the proposed underpass at Braeside, greater school safety, and means of greater safety at the grade crossings.

All church, school, civic, fraternal and business organizations in Highland Park are members of the Highland Park Citizens Safety Committee which is devoted to accomplishing greater community safety. There are no dues and all organizations are urged to have representatives attend this important meeting in order that they may take part in this all-important cause and civic activity.

Special Services Plan Sunday at St. Johns Church

The members of St. Johns Evangelical church, corner of Greenway road and Homewood avenue, have just completed a building and renovation program. A dedication service will be held Sunday afternoon at 2:30 o'clock to commemorate the completion of this work. The Rev. Elmer Ringe of Bensenville will be the guest speaker. The combined choir of St. Paul's and St. John's will offer the special singing.

At 7:30 in the evening, a special program of music with the choir of St. Peter's Evangelical church from Chicago will be given. Members and their friends are invited to attend.

Book Fair Nov. 14-16 at Elm Place School; Mrs. Harshaw Speaks

The Elm Place Book Fair will be held Nov. 14, 15, 16 in the Hall of Pictures, Monday, 8:45 to 5:30; Tuesday and Wednesday 8:45 to 5:30 - 7:30 to 10 p.m.

The Book Fair is again under the capable and efficient leadership of Mrs. Richard A. Keillon, chairman and Mrs. Samuel Bingham and is held to commemorate National Book Week. During this week the attention of the schools throughout the country, and especially Green Bay road and Elm Place schools, is directed toward good literature, the joys of owning books and the pleasures of book companionship. Selected books for all interests and ages will be on exhibit.

To further celebrate Book Week and in connection with our own Book Fair, a pageant, "Book Marks," will be given Tuesday evening at 7:30 in the auditorium, under the direction of Misses Fern Sprague, Ethel Fallsted, Hazel Blackman, Ethel McBroom and Mrs. Zimmerman. The pageant will represent book friends from the nursery, from realms of fantasy, from older days and distant lands and will be presented through singing, pantomimes, processions, stage pictures and dramatizations. Dorothy Evans and Jerry Fell will read the prologue and the other parts will be taken by the children of the schools. There is no admission charge for this splendid performance but no child will be admitted unless accompanied by parents.

In addition to the pageant, Mrs. Ruth Harshaw will give a short talk. We are indeed fortunate to have Mrs. Harshaw, who, besides being director of the Educational Service Bureau, Carson Pirie Scott & Co., has written several books for children. In the well known public schools of Winnetka where Mrs. Harshaw taught for many years, she served in many capacities—principal, teacher of dramatics, and supervisor of social activities. More recently with four children of her own in the schools, she has taken an active part in the Parent-Teacher organization.

On Wednesday evening no assembly program will be given but the Book Fair will remain open from 7:30 to 10 p.m. to enable parents to do their Christmas book shopping. By patronizing the Elm Place Book Fair you not only help yourself but help add to the library of Elm Place and Green Bay Road schools since the profits of this sale are devoted to purchasing books for the school libraries.

Alcyon To Have Matinee Friday, Armistice Day

Flashing by the screen of the Alcyon theatre this week Friday and Saturday is a concoction of mirthful adventures that should not be missed by any one seeking the diversion of hearty laughter. "Blockheads" begins with a giggle and ends with a guffaw. Here are Laurel and Hardy at their funniest. These being Double-Feature nights we may also see "Penrod's Double Trouble," in which the uncanny similar Mauch Twins are co-starred.

Melody, comedy, romance and dancing form the quadruple basis of "Carefree," new musical hit reuniting Fred Astaire and Ginger Rogers. To be presented on the Alcyon screen on Sunday, Monday and Tuesday.

Painted against the stark background of a big city and replete with fresh dramatic turns which make it an original amongst the more familiar types of anti-gangland film. "I Am the Law," as one of the Double-Features at the Alcyon on Wednesday and Thursday, with Edward G. Robinson convincingly starred as its dynamic fighting prosecutor. The second attraction is very good screen entertainment. "Army Girl" featuring Midge Evans, Preston Foster and Neil Hamilton.

Rotary Club Hears Dr. Preston Bradley at Combined Meeting

"Doctor Preston Bradley of Chicago spoke at a Rotary luncheon on Thursday, November 3, on foreign complications in Russia and Germany and their effect on this country. He said, 'The best defense against Nazism, Fascism and Communism is a happy, employed nation'.

"The Deerfield Rotary club was host to the combined Rotary clubs on the north shore on their eighth anniversary of installation. The meeting was held at Phil Johnson's."

Republicans Make Clean Sweep In Lake County

Republican candidates made a clean sweep of Lake county offices in Tuesday's election including the office of county clerk held by a Democrat during the past four years.

In Deerfield and West Deerfield township the Republican candidates also took the lead with the majorities averaging about 2500.

Jumping into the lead with the first returns from Deerfield, the seven Republican county candidates continued to gain over their opponents until the total unofficial returns in the 95 precincts gave them larger majorities than in any election since 1930.

The returns from the sixteen Deerfield precincts follow:

REPUBLICAN	DEMOCRAT
County Judge	
Persons 4500	Sullivan 1845
County Clerk	
Morse 4305	Alford 2083
Probate Judge	
Decker 4465	Yager 1860
Probate Clerk	
Nelson 4547	Heblor 1751
County Treasurer	
Leaf 4478	McMillan 1856
Sheriff	
Kennedy 4488	Tyrell 2030
Supt. of Schools	
Petty 4421	Simpson 1920

Judges Perry L. Persons and Martin C. Decker and Supt. W. C. Petty were re-elected, while Morse, Nelson, Leaf and Kennedy were new prospects. They will assume the duties of their respective offices on Monday, Dec. 5.

Morse, a former county treasurer, won the office of county clerk held during the past four years by Democratic Russ Alford, who sought re-election. Morse's majority was 7,278. Morse carried 69 of the 95 precincts, while Alford led in 26.

Richard J. Lyons, Republican nominee for the United States Senate, carried Deerfield and West Deerfield townships by a large majority over the winning Democratic candidate Scott W. Lucas, who took the state by an overwhelming majority. Lyons carried Lake county by a 12,047 edge.

Ralph Church, Republican candidate for re-election as representative in Congress from the Tenth district, defeated Joseph F. Elward, his Democratic opponent by 39,425 over the whole territory, which is a substantial increase over two years ago when Roosevelt carried the district for President and Church won for Congress by 18,000. He carried Deerfield township 4992 against his opponent's 1767.

Nick Keller and Harold D. Kelsey, Republicans, and Thomas Bolger, Democrat, candidates for Members of the General Assembly, were unanimously elected due to the fact that three were to be elected and there was no opposition.

In West Deerfield township the total vote cast was 1372. In Precinct 1, out of the 601 votes cast there were 363 straight Republican and 70 straight Democratic tickets. In Precinct 2, of 487 votes cast, 313 were straight Republican and 48 straight Democratic tickets, and in Precinct 3, where 284 votes were cast, 166 were straight Republican and 53 straight Democratic. West Lake Forest, which is Precinct 3, and which has previously gone Democratic, showed a Republican plurality of about 3-1.

All of the county Republican candidates carried West Deerfield by a margin of 3-1.

Lyons defeated Lucas in this township 1053 to 293 and Church won over his opponent Elward 1090 to 250.

The Banking Amendment to the Illinois constitution did not receive enough votes to pass.

Also the proposal was widely publicized the majority of the voters overlooked the issue on the large ballot believing that the smaller ballot (which was the William Hale Thompson public policy bill), given them, was the banking amendment ballot. There were also those who overlooked the issue entirely, and failures to vote on the proposition was a vote against it.

Tuesday's election was the first time a constitutional proposition was printed on the main ballot carrying the names of the party candidates.

General Truesdell to Address Rotary Club
