SAVITA
A Delicious
Concentrated
YEAST
a meat like
flavoring for
Soups and
Gravies...
TAKE your yeast daily by
using Savita. All the virtues
of yeast — yet delightfully
tasty. As a flavoring, it has
the tang of yeast extract and
yet is purely vegetable. A
real health product that
should be used in your home
daily. It is especially rich
in iron, which is a blood
builder, and is one of the
best sources of vitamin B.
Dissolve quickly in a cup of
hot water for bouillon, and
is delightful for flavoring
soups and gravies — or for
sandwich fillings.
