Highwood Citizens Ask Referendum On Waterworks Project

wood residents demanding a referening the present term may enroll at may be secured at the door the eve- dum concerning the \$217,000 waterning of the party. The proceeds works project now under construcing last Wednesday evening. An- posed waterworks system. other hearing will be held Friday

evening, when a report by the judiciary committee of the Highwood City Council and City Attorney Earl Cook as to its legality will be given. A group of more than 80 petition-

ers were present at Wednesday's meeting to hear their spokesmen, Attorney Paul C. Behanna of Highland Park and ex-Alderman Herman Juhrend assert that the proposed municipally-owned waterworks will after ten years cost the consumer more than he has to pay now because of depreciation.

The city of Highwood at present purchases water from the Highland Park city-owned works and then re-

sells it to residents. Charles DeLeuw, of Highland Park, head of the consulting engi-A petition signed by 400 High- neering firm bearing his name, answered the depreciation charge with figures which he said proved the financial soundness of the project.
