Registration For Adult Classes To Be Held Jan. 4-5

An opportunity for registration for members of the community who have not attended the classes during the first term will be offered January 4, 5 and 9 at the main office of the Highland Park High school from 7:30 p.m. to 9 p.m.

Registration for the new classes in archery, photography and pottery must be made early in order that the council may decide whether the community wants these activities or not.

Persons who are interested in tap dancing are urged to register for Miss Daley's Monday evening classes.

Only a few persons can register for woodwork as this class has nearly been filled by the advance registrations.

More than 100 registrations have already been received (by the council) for the second term.
