According to our candid camera man, "Gene" Lockhart, who appears in Dickens' perennial Christmas Carol as "Bob Cratchit" in a show-ing which opened at Chicago's Woods theatre, December 19th, is also a tender made sort of a codger in real life. The camera caught "Gene" sending a Christmas box to his mother. And the gift it contains is no less than one of those nationally popular Wilson Tender Made Hams. In the other picture, the tender-hearted "Gene" is shown with his wife and daughter, contemplating another Tender Made Ham being made ready for sacrifice to the Lockhart family's holiday appetite. Yes, Hollywood knows its food. "Gene" Lockhart has appeared in such big-time screen successes as "Algiers," "Of Human Hearts," "The Devil Is a Sissy," "Gorgeous Hussey," and others, also in "Ah, Wilderness" for the Theatre Guild. Mrs. Lockhart, who has appeared in cinema versions of "The Devil Is a Sissy" and "Career Woman," and daughter also have parts in the "Christmas Carol," which is being released to several hundred theatres throughout the country.

YOU BET WE HAVE A TELEPHONE!

"I can't often leave Tommy to go to market or go shopping—so I go to the stores by telephone. His schedule doesn't allow me much time for visiting—so I keep up with my friends by telephone. And if we should need the doctor in a hurry—or have to meet other emergencies—I know we can depend on the telephone to bring the help we need."

It certainly pays to have a telephone: telephone errands take less time, telephone visits are pleasant, the people and things you need are always closer.
