CHRISTIAN SCIENCE CHURCHES
"Salvation" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, January 8.

The Golden Text was, "The bread of God is he which cometh down from heaven, and giveth life unto the world" (John 6:33).
Among the citations which comprised the Lesson-Sermon was the following from the Bible: "The preparations of the heart in man, and the answer of the tongue, is from the Lord. All the ways of a man are clean in his own eyes; but the Lord weigheth the spirits" (Proverbs 16:1, 2).

The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "The Illuminations of Science give us a sense of the nothingness of error, and they show the spiritual inspiration of Love and Truth to be the only fit preparation for admission to the presence and power of the Most High" (p. 596).
