

Deerfield Camera Club Plans Program of Interest Jan. 20

The Deerfield Camera club will present an interesting program on Friday evening, January 20, in the auditorium of Deerfield Grammar school.

A popular sound talkie, "The Plough That Broke the Plains," will be shown, and an unusually fine series of exhibits are planned. The Daily News will exhibit Clyde Braun's pictures, many of which have been seen in its Rotogravure section. There will be a Lake county exhibit, and also an exhibit for Deerfieldians. Any one may enter this group, having pictures mounted on 8x10 paper. Prizes will be awarded for the best work.

There will be time, and proper lighting facilities, to allow interested photographers to take pictures on this occasion—and any one desiring to do so is urged to bring his camera and try it. The club will also print or enlarge pictures and a complete dark room set up will be there.

Proceeds from the very nominal admission charge will be used by the Camera club for needed equipment and supplies. David Gardner is the club's president, and James Killeoyne Jr. is the business manager.

Margaret Juhrend Is Selected as Candidate for D.A.R. Pilgrimage

At the business meeting of the North Shore Chapter of the Daughters of the American Revolution at the home of Mrs. M. R. Ehle of Ravine lane, announcement was made of the selection of Margaret Juhrend as candidate for the "Good Citizenship Pilgrimage" to Washington. Every year the Daughters of each state send a girl for a week, paying all her expenses. Classmates nominate three girls for outstanding qualities of dependability, service, leadership and patriotism. From these three the faculty make the final choice.

Donations of money were sent to Crossnore, Carr Creek Community, Berry, Kate Duncan Smith and Tamassee schools. The latter is a D. A. R. school in need of a boys' dormitory, so additional money was sent there. Kenmore Association (the home in Fredericksburg, Va., of Betty Washington Lewis) and the Great Lakes Association also received gifts.

In order to raise funds to complete seven new flags that will be added to the North Shore chapter's collection of "Flags That Have Flown Over America"—dessert luncheon followed by a book review will be given at the home of Mrs. E. R. Phelps, Tuesday, January 31, at 1:30 o'clock. "Hatching the American Eagle" by John Finch Barnhill will be reviewed by Mrs. Lewis B. Sinclair.

Radio Entertainers Present Program at Great Lakes Hospital

On Thursday evening, Jan. 12, Mrs. Saylor Shanafelt, Rehabilitation chairman of the American Legion Auxiliary, and several other members, escorted sixteen WLS radio entertainers to hospital 105 at North Chicago, where Lulu Belle and Skyland Scotty, Otto and his Novelodiens and others outdid themselves in entertaining the veterans. The smiles on the faces of these hospitalized men, the hearty applause which they rendered after each song and skit, made the cast feel they were well repaid for their time in making the trip. On their way back, they stopped at the Legion club rooms, where they were served a lunch, and where both the Legion and Auxiliary members had a chance to become better acquainted with these well known personalities.

Puppet Club Attends Program Jan. 16th

Members of the Puppet club enjoyed a delightful party on Friday afternoon, Dec. 30, when Miss Merrett entertained them with games, refreshments and favors, finishing up the old year's activities with a "bang."

The first meeting of the new year was held on Jan. 3, and the group decided to start rehearsing a comedy skit, "Goldilocks and the Three Bears." Three new puppet plays are about ready for casting.

The club is always open to new members—boys or girls—any school age—are invited to drop in to the Puppet room any Tuesday or Thursday afternoon and have some fun. Any one wishing to make puppets can have help from Miss Merrett at the noon hour, or Tuesday and Thursdays at 3:30.

Three new members are now enrolled—Hazel Bubert, Patty Lane, and Mary Lou Coleman. Several additional children expect to join soon.

The Puppet club had an interesting experience on Monday afternoon, January 18, when they gave a performance, on request of the Elm Place school in Highland Park. The show was enthusiastically received

and such interest shown that the Elm Place children are now forming their own Puppet group.

GIRL SCOUTS

The Girl Scouts of Savannah, Ga., are making application to National Headquarters for a Life Saving award for Patricia Evans of that city. Patricia is the granddaughter of Mr. and Mrs. Henry Doty of Highland Park. Mrs. John Evans, the former Elizabeth Doty, now a resident of Savannah, Ga., has been active in Girl Scouting since she belonged to a troop in Highland Park, and even now is a leader of a Girl Scout troop.

On December 30, Patricia was reading in the living room while her little sister, Eva, played with her toys near the fireplace. Suddenly, Patricia heard a frightened cry, looked up, and saw her sister running from the room—her clothing afire.

Without a second's hesitation, Patricia dashed to Eva's rescue. She caught her, rolled her up in a rug, which extinguished the flames, and then (with the assistance of the maid), applied first aid treatment to the burns. Mrs. Evans was called downstairs and Patricia calmly told her what had happened.

First Aid lessons in scouting had averted a tragedy, for when asked where she had learned preparation for quick action, knowledge of what action to take, and First Aid Treatment, Patricia readily replied, "I learned it all in Girl Scouting."

Note: The Girl Scouts of Highland Park have received instructions from time to time from Mr. George Scheuchtenpflug. This fall a very comprehensive course was offered by the American Red Cross to the Girl Scouts at the Y. W. C. A. on Monday afternoons from October to December 15. Forty-two girls enrolled.

There is always some disappointment when such complete and strenuous and difficult courses are pre-

vented for some of the girls because of their youth or crowded programs or various reasons, cannot pass the badge requirements. However, it must be remembered by parents and Girl Scouts that the value of such courses is in the training and knowledge and not in the actual badge, and if the girls do not achieve all in one course they should take it until they are able to pass the tests. Just one life saved would be more than worth the effort.

Student Quartette At Bethany Sunday

One of the male quartettes from the Evangelical Theological Seminary will visit the Bethany Evangelical church on the coming Sunday. They will sing one number at the morning worship at 11 a.m. They will sing several selections at C. E. and conduct the young people's service. They will present about a half hour sacred concert at the 7:45 evening service and one

of the number will preach a short sermon. All members and friends of the church are invited.

Deerfield Auxiliary Reports Activities

The members of Deerfield Unit, American Legion Auxiliary, met at the home of Mrs. Earle Harris on Monday, Jan. 16. Miss Louise Huhn was assistant hostess and 20 members were present. Mrs. Laura Kapschull reported that the unit has \$4 paid up members.

Mrs. W. A. Tennermann gave the Americanization report and stated that the Oratorical contest would be held on Feb. 23 at the Deerfield Grammar school.

Mrs. Leroy Meyer, junior chairman, reported that the Juniors had made 175 tray favors for the hospital at Christmas time. The Juniors will meet Saturday, Jan. 21, at the home of Enith Uchtman.

Mrs. Florence Jacobs, poppy chairman, announced that the four

local schools would again take part in the poppy poster contest.

The Community Service chairman, Mrs. M. O. Olson, distributed 172 articles of clothing valued at \$62.

Mrs. E. G. Jacobson, rehabilitation chairman, reported \$3 sent to the Treasure Chest Fund and she is still asking for old magazines for the hospital.

Mrs. John Welch, child welfare chairman, reported that \$2.50 had been sent to Dorcas home.
