CHRISTIAN SCIENCE CHURCHES "Truth" is the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, January 22.

The Golden Text was, "Ascribe ye greatness unto our God. He is the Rock, his work is perfect: for all his ways are judgment: a God of truth and without iniquity, just and right is he" (Deuteronomy 32:3, 4).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "I will praise thee, O Lord, among the people: I will sing unto thee among the nations. For thy mercy is great unto the heavens, and thy truth unto the clouds" (Psalms 57:9, 10).

The Lesson-Sermon also included the following passages from the Christian Science textbook "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "Mortals try to believe without understanding Truth; yet God is Truth" (p. 312).

The halls are part of lifes highway Where its drama moves along: A womans moans; a baby's born; The nurses make their ceaseless rounds; A heart beats low and, with the morn, Is stilled within its mortal bounds. Such trying tasks they daily face In service to their great ideal! To make the hospital a place Where minds find peace while bodies heal. And sometimes, when I've made a call, I go home with a silent prayer That God may let His blessing fall On those who dispense His mercies there. —WILLIAM J. ACKER.
