

Lake Forest School Closed As Flu Attacks Children

High School Shuts For Week; Over 100 Ill. Health Dept. Issues Warning

With 29 new cases of flu discovered among high school students Wednesday morning, and about 90 children from the school already confined to their homes with the disease, the Lake Forest High school yesterday morning declared classes suspended until next Monday.

While flu cases in Chicago have shown an increase this year over the same period in February last year, it is in the north and west parts of Lake county that the malady is striking with greatest force. In Antioch the high school has already been closed and in Waukegan an approximate 400 high school students are suffering with flu.

Local Artists Are Honored At Exhibit

Works of Rudolph F. Ingerle, noted artist, a resident of this city, have been accepted by the jury of the 43rd annual exhibition of artists of Chicago and vicinity which are on view at the Art Institute of Chicago from February 9th to March 12th.

C. Warner Williams of Chicago, formerly of Deerfield, also has been awarded the Municipal Art League prize of \$300 for his "Study of Children."

It is a great honor to have works of art accepted for this exhibition chosen from within a radius of 100 miles of Chicago in which there are eight prizes, totaling \$1,800, awarded each year.

Corno Party Success

The Pythian Sisters held a very successful corno party at the City Hall, Monday, Feb. 6. The prizes and refreshments were donated by the members. It is expected that another corno party will be held at the end of the month. Watch for the date.

Prosperity Club Entertains

The Prosperity club announces plans for a party for members and their friends at Labor Temple, Highland Park, Feb. 21. This will give the members an opportunity to invite a friend and have a social evening of dancing, and playing cards. Refreshments will also be served by the members.

Social Evening Feb. 14
The Ladies Aid Society of the Redeemer Lutheran church, located on W. Central avenue, will hold a social evening for their members and friends, Tuesday evening, Feb. 14. Games will be played and refreshments served.

Find Candidates Vitrally Interested in Garbage Problem

(Continued from page 1)

ed. If elected mayor I shall recommend the immediate erection of whatever disposal facilities are needed to correct the present unsatisfactory conditions, these facilities to be owned by the city and managed by a competent man.

"I also favor city collection of the garbage either by city employees or under city contract to the lowest bidder, under bond. This work to be supervised and inspected by the police department."

Mr. Robert C. L. Price says in part:

"I am most happy to state that my views coincide with the League's findings, both as to city collection, and as to the construction of a modern efficient disposal plant. In comparison to other similar cities and villages, I feel that Highland Park has been very backward and short-sighted in this respect. One of the objections to city collection might be that such a plan would put the present collectors out of work. I do not believe that this would be a serious objection for undoubtedly the majority if not all of the present collectors would be employed in a like capacity by the city or at the garbage plant."

Mr. J. H. Taylor, present commissioner and candidate for re-election, states:

"It's the old question of garbage. It has been with us at different times for the past twenty years. Of course something should be done about it. Personally, any plan of

merit will have my approval and support. I think something could be built around the suggestion contained in your letter.

"We need the incinerator. Highland Park is growing. To my way of thinking, it should have been bought 15 years ago when money was easy.

"You want better service. Will you get it under the city administration? I wonder. By all means try. I am with you all the way."

Stay Slim! HOLLYWOOD HEALTH BREAD

WE HAVE IT!

SLENDERIZE!

Take a tip from those who have included Mary Ann HOLLYWOOD HEALTH BREAD in their daily reducing diet. Most Hollywood stars must stay slender. Many of them eat this type of bread at every meal. Sustain the body, maintain the strength by eating HOLLYWOOD HEALTH BREAD that supplies energy, but not fat. The starch in the flour used in HOLLYWOOD HEALTH BREAD has been "washed out." Only the energy-giving proteins remain. Low in calories, filling but not fattening. Buy it at your grocer's today.
