

## All America Marks 29th Boy Scout Anniversary

THIS poster, showing how "Scouting Carries On American Ideals", theme of Boy Scout Week from Feb. 8 to 14, marks the 29th anniversary of the incorporation of the Boy Scouts of America. 39,750 Boy Scout Troops, Cub Packs and Sea Scout Ships now include 1,233,950 boys and men, a membership gain of better than 15% in the past year. Since the beginning of Scouting in America 8,400,000 boys and men have been identified with the Movement.

### Announce Exams for Civil Service

The United States Civil Service Commission has announced an open competitive examination for the position of Junior Professional Assistant, \$2,000 a year, including the following options (all in the junior grade): Administrative technician, agronomist, bacteriologist, biologist, botanist (taxonomic), dairy husbandman, economist, engineer, entomologist, examination assistant, forester, geologist, home economist, pharmacist, plant pathologist, plant physiologist, pomologist, range examiner, soil scientist, statistician, textile technologist, and veterinarian. Applicants must have completed a 4-year college course. Un-

der certain specified conditions applications will be accepted from senior students. Applicants must not have passed their thirty-fifth birthday.

Applications must be filed with the U. S. Civil Service Commission not later than February 27 if received from States east of Colorado, and not later than March 2 if received from Colorado and States westward.

Full information may be obtained from Raymond F. Seiffert, Secretary of the U. S. Civil Service Board of Examiners, at the post office in this city, or from the Secretary of the U. S. Civil Service Board of Examiners at any first- or second-class post office.

### Mrs. Lloyd Faxon To Review 3 Best Sellers February 13

Mrs. Lloyd Faxon will give another lecture in her series of book reviews, next Monday, Feb. 13, at 2 p.m. in the Parish House of the Highland Park Presbyterian church. This will be unusually stimulating, for she is reviewing three well known books—best sellers: "Disputed Passage" (Douglas); "Dynasty of Death" (Caldwell); "Danger Signal" (Bottome). This is open to the public at a nominal fee.

### Deerfield School Board Meets Monday

The history of "Flags That Have Flown Over America" was given to the upper grades in the Deerfield Grammar school on Tuesday morning by a member of the North Shore chapter of the Daughters of the American Revolution. Each of the 28 flags used to illustrate this lecture was displayed by pupils who formed a semi-circle on the platform which made a most colorful pageant.

#### Safety Slants

"One mad action is not enough to prove a man mad," according to proverb; but, reminds the Illinois Automobile club, it is enough to put a motorist in the morgue. Safety at the wheel pays immeasurable dividends in life and limbs; caution and courtesy are the only investment.

Famous last words: "It's a funny thing about me — no matter how much I've had to drink I can always drive like an expert."

Food for thought, in figures: When traveling at less than 20 m.p.m., says the Illinois Automobile club, one injury accident in 70 is fatal; at 20 to 30 m.p.h., one in 45 dies; at 30 to 39, m.p.h., one is 37 is killed; at 40 to 49 m.p.h., one in 30 and at over 50 m.p.h., one in 13 meets death. Speed, the club reminds, is the assassin of human life. Death rides your throttle; think before you "step on it."

The road to the morgue is paved with traffic violations!

When the Caesars ruled in ancient Rome, the Temple of Janus, Latin God of Beginnings, was closed only in times of peace. Needless to say, the temple was usually open. To modern traffic authorities, January, named after the image, is also an omen of "beginnings" — beginnings of more death and injury. If a modern Temple of Janus were to be erected, based upon traffic deaths, the dual-faced God would get no rest—a man is killed approximately every 15 minutes in the United States!

There was a man in our town Who was not wondrous wise; He fell asleep while driving, And never did arise.

### OF CONCERN TO ALL CITIZENS OF HIGHLAND PARK

Our city is faced with a number of unsolved problems that vitally affect the public welfare and safety of the community.

I refer to school safety, the garbage situation and existing conditions at grade crossings.

As a citizen of Highland Park, a taxpayer, and the father of a family, I want these problems solved. These and other unsolved problems have prompted me to become a candidate for the office of Commissioner in the coming election.
