

## Internationally Famous Food Authority Joins Wilson & Company

George Rector, internationally famous chef, restaurateur and authority on good eating has been added to the staff of Wilson & Co.

The coming of George Rector to the staff of Wilson & Co. links together two famous names in the eating world, one renowned for 'cooking good food, the other for producing it.

Recognized as one of the most progressive and forward-looking meat packers in the country, Wilson & Co. has obtained the services of Mr. Rector in order that their products may benefit by the exceptional knowledge and skill of America's greatest culinary expert and food spokesman.

Mr. Rector will act as Director of Home Economics for Wilson & Co., cooperating with Eleanor Lee Wright, in acquainting the consumers with the advantages and uses of their meat and dairy products, and at the same time will act as a consultant in the creation of new products and the perfection of present ones.

Mr. Rector's career since disposing of the famous restaurant that bore the family name, has run the entire gamut of culinary activity. He has written profusely — cook books, magazine articles, food essays and syndicated features.

**Cooking Schools and Radio**  
In addition, Mr. Rector has since

conducted hundreds of cooking schools in all parts of the country, always attended by capacity audiences as anxious to bask in his chef's secrets.

**Wilson Makes Announcement**  
In discussing the addition of Mr. Rector to the Wilson & Co. staff, Mr. Thos. E. Wilson, chairman of the board, asserted: "We are a meat loving nation and accordingly have come to regard meat as the most important part of practically every meal. American tastes demand the very best in meats that can be had. The phenomenal success of Tender Made Ham in the brief space of two years proves that beyond a doubt

## Local Store Profits In Short Change Deal Saturday P.M.

John Dompke, manager of the local National Tea store at 500 Central avenue, outwitted a sharper Saturday, when he attempted to work the "short change" tactics on one of his clerks. Dompke showed a profit of \$9 at the close of the transaction.

About 5 o'clock Saturday evening, the swindler entered the local store and approached Miss Nellie Spangler, a new clerk, with a \$10 bill, asking for change. After completing the transaction the man said, "Oh, I made a mistake, it was a \$1 bill that I wanted changed, and handed her the dollar. Seeing a \$20 bill in the cash drawer, he proceeded to confuse the clerk as she was making change for the \$1, saying that he would give her another \$10 for the \$20 bill.

At that moment, Dompke, sensing the situation, took the \$20 bill out of the man's hand and asked for an explanation. Still suspicious he also grabbed the \$10 in change from the crook. A check of the day's cash was suggested when the man protested, in order to straighten out the matter. As the manager went to the rear of the store to check the day's receipts, the swindler left, saying that he would return later for his change.

The sharper was described as a man about 45 years old, 6 ft. 2 in. in height and weighing about 175 to 200 pounds. He was fairly well dressed.

According to Mrs. Mary Roche Hines, another employee of the National Tea store, this same man had tried to put over a similar deal two weeks ago, but had failed in his attempt.

It is said that short change artists have been working on the North Shore during the past week, and local merchants have been warned by the local police department to be on the lookout.

## Helen Abbott Byfield In Program Feb. 21

On Tuesday, February 21st, Trinity Church Service League will entertain at a "Bon Appetit Luncheon," presenting Helen Abbott Byfield in a program of "More Songs and Sauces." This being Shrove Tuesday and the day before the opening of the Lenten season, it is traditionally a day of feasting and therefore an appropriate day for Mrs. Byfield's delightfully informal discussion of the art of preparing

food. Last year a similar program met with enthusiastic response from a capacity crowd, and her many admirers are looking forward with pleasure to this new lecture, and to her accompanying songs. The program will begin at 11 o'clock in the Parish House, and luncheon will follow. Tickets may be had by calling the church office, 985, or by telephoning Mrs. Chas. A. Wright, president of the Service League.

## IT'S HERE! The NEW Firestone CHAMPION TIRE

with the NEW Safety-Lock Cord Body and NEW Gear-Grip Tread

Stronger Cord Body  
More Non-Skid Mileage

Plus FAMOUS TRIPLE-SAFE CONSTRUCTION

FLOYD ROBERTS  
1938 National Race Champion

Champion race driver, whose very lives and chances of victory depend on the safety, know the construction and that is why they select and buy Firestone Tires for their racing cars.

FIRESTONE triumphs again! This time with the new Firestone Champion, the tire that sets the safety standards for 1939. This new tire provides a combination of safety features never before built into a tire. It is a completely new achievement in safety engineering.

From the experience gained on the speedways of the world and in the Firestone laboratories, Firestone engineers have developed a revolutionary new type of cord body called Safety-Lock, which provides amazingly greater strength. This outstanding achievement makes possible the use of a thicker, tougher, deeper tread which assures much greater non-skid mileage. Because of this new Safety-Lock Cord body and Gear-Grip tread, the modern streamlined Firestone Champion Tire establishes completely new standards of blowout protection, non-skid safety, silent operation and long mileage.

The Firestone Champion Tire embodies the famous Firestone Triple-Safe construction — you get the exclusive and patented Firestone construction features of Gum-Dipping, two extra layers of Safety-Lock cords under the tread and Gear-Grip tread design. Never in all the history of tire building has there been such a triple-safe combination to protect you against the dangers of blowouts, punctures and skidding.

Come in today and equip your car with a set of new Firestone Champion Tires — the only tires made which are safety proved on the speedway for your protection on the highway.
