 John L. Udeil, Publisher and Managing Editor
 Mrs. Florence W. Bartel, Associate Editor
 Mrs. Robert W. Pettis, Deerfield Editor

ALL CITIZENS SHOULD VOTE

On Tuesday next (February 28th), the citizens of Highland Park will be afforded the opportunity of casting a vote in the City Primary election.

This election may seem unimportant to some citizens, but however small a community, or simple its problems, its citizens should be vitally interested in its government.

The fundamentals of good government rest with the voters. The success or failure of your CITY GOVERNMENT depends upon the men whom YOU select as your representatives.

This is your opportunity to KNOW your town. Don't accept another's advice as to how you should vote. Acquaint yourself with the men who are seeking office and learn their qualifications. Then, let YOUR conscience be YOUR guide and vote for the men who will give Highland Park the kind of a city government you would like to have.

Headmaster of N. S. Country Day School Speaks at Wellesley

Mr. Perry Dunlap Smith, headmaster of the North Shore Country Day School, Winnetka, spoke to students of Wellesley College today on "Democracy in Education."

He said that in answer to the challenge of Hitler and the totalitarian states that Democracy has failed, we must see to it that it doesn't fail. An educated citizenry is essential to a workable democracy. If democracy is to be taught in the schools, it must be incorporated into the school system in all its relationships from the pupils to the school boards. We must live democracy.

The Wellesley audience was especially interested in Mr. Smith's description of the Frances Parker school, the North Shore Country Day School, and the Winnetka public schools. The work they are doing is widely known. Wellesley girls who went to the North Shore Country Day School are: Anette Jones of Highland Park, and Mary Randall, Priscilla Blackett, and Christina Freeman of Winnetka. Jo-Jacera, aphmuSh

"Stooges Stunts" Is Successful Show

The Parent Teachers Association is highly gratified by the fine turnout at its first dramatic production, "Stooges Stunts" last Saturday night. The idea in getting the whole district together for a jolly good time was more than justified. It was hard to tell whether the cast or the audience was having the best time. Although the tickets were sold at one low price the show was a financial success too and between the unusually large proceeds from the candy sale under the leadership of Mrs. Walter Oweiss and sale of tickets there will be a very substantial sum to turn over to the Scholarship Fund.

The P.T.A. is indebted to many parents, teachers and friends of the school for their hard work and their willing help in making the show a success, and especially to Miss Elyse Rinckenberger and her student stage staff for their technical assistance.

Deerfield Women Plan "Fun Day" on Tuesday Afternoon

The Deerfield Women's club will hold its annual "Play Day" on Tuesday afternoon, February 28, beginning with a one o'clock luncheon. Each guest will prepare and bring her favorite recipe for the pot luck luncheon. The party will be held at the home of Mrs. Walter B. Metcalf of County Line road and Mrs. C. W. Boyle will be in charge of the program.

LOOKING BACKWARD

at progressive Highland Park through the files of The Press.

TWENTY YEARS AGO

February 20, 1919
 Major Henry S. Vail and Dr. Henry S. Haskin, both valued citizens of Highland Park, died Sunday at their homes here.—Little Bobby Golden, two and a half year old son of the Edward Golden's, who fell from the second story window in their home last Thursday, sustained only a slight cut over his right eye.—Lieut. Lester Levin was seriously injured in an automobile accident in France, recently.—Mrs. Mary Sheahan, one of Highland Park's early settlers, passed away Monday at her home on Green Bay road.—Mr. and Mrs. Hills of Joliet announce the marriage of their daughter Myrtle to Rev. Arthur Meierhoff on Feb. 5th.—Helen Reichelt of Deerfield entertained 12 little girls at a patriotic valentine party Friday evening.—The Carl Pfanstiel's are receiving congratulations on the birth of a son, born Thursday.—A son was born to the Roland Bleimel's Tuesday morning.

TEN YEARS AGO

February 21, 1929
 Extensive enlargement of the men's furnishing department of the J. B. Garnett store is in progress. Part of the Meierhoff Hardware store occupied this space until recently when the lease expired and as the property of the Garnett family; it was decided to make use of it.—Robert W. Patton, a long time resident of Highland Park passed away yesterday.—Ask bond issue for new High school for Lake Forest.—Two of the oldest and best known business houses, Geiser and Sobey meat markets, are to merge about March 1.—Thomas Dooley died Tuesday after a brief illness of pneumonia.—The Ellandee Shoe shop carrying a full line of Walk-over shoes will open here soon.—Mr. and Mrs. Morris Noethling of Ridgewood drive announce the birth of a son Feb. 16th.—The L. F. Hoppe's returned Sunday from New Orleans, La., where they attended the Mardi Gras.—The Paul Marty's of Second street announce the arrival of a son.—Mrs. Caroline Seofker of Deerfield died at her home early Monday morning.

Deerfield Auxiliary Continues Program on Americanism

Deerfield United American Legion Auxiliary held its regular meeting in the Community room of the Deerfield Grammar school on Monday, Feb. 20.

Continuing the civic talks for the seventh and eighth grades of the local seventh and eighth grades of the local schools, Mrs. W. A. Tennerman, American chairman, announced that Judge Perry L. Persons would be the speaker for Thursday, Feb. 23. This meeting is open to the public and is held in the Deerfield Grammar school. On Feb. 27, the county sheriff, Thomas E. Kennedy, will speak in the Grammar school and in the evening he will speak at a joint Legion and Auxiliary meeting which will be open to any one interested. The evening meeting will also be in the Grammar school.

The date for the Oratorical contest sponsored by the Post and Auxiliary has been changed to March 9. Eighth grade pupils of the four local schools will compete in the contest and it is to be held in the Auditorium of the Deerfield Grammar school.

Mrs. Mary Welch, Child Welfare chairman, reported that the Unit sent ice cream to the Dorcas home and the Juniors sent cookies as a valentine treat. Birthday cakes and a gift also was given to one of the World War orphans at the home.

Tenth District Director, Mrs. Lydia Whyte, of Waukegan, was a

guest speaker and gave an impressive talk on "The Coming Citizen."
 Superintendent Lester Ball of the Deerfield Grammar school was also a guest speaker and his subject was

"Education for Democracy." He stated that the school should be a community center and all organizations should take some active part in it.

To the VOTERS OF HIGHLAND PARK:

During the past eight years I have served as your commissioner, trying to give, at all times, the best service possible with the funds at my disposal.

I deeply appreciate the kind words that have come to me at different times, and your cooperation.

I have lived in this country over forty years. Thirty of those years have been lived amongst you. My life has been an open book to all of you. I have been in business for a number of years and have always given value received.

For thirty years, or rather thirty-five years, I have been a citizen of this country. During this time I have made many friends, and have tried to give to all the people unselfish service.

As a minister, I have baptized your babies, and married your young people. When the shadows of even-tide have come to your home, I have buried your dead. Always alert to the need of the sick and of those in need of kindness. For the work of the ministry, I was trained in my native England.

I yield to no man in my devotions and loyalty to my adopted country.

Here, friends, is my record. May I have your vote on February 28, 1939?

For reference, ask your minister.

Respectfully,

JOSEPH H TAYLOR.

The Safety Sensation of 1939!
THE NEW Firestone CHAMPION
 The Only Tire Made with the **NEW SAFETY-LOCK CORD BODY** and **NEW GEAR-GRIP TREAD...**

NEVER before in our experience has a tire met with such instant and unanimous approval as the new Firestone Champion Tire. It's the Safety Sensation of 1939! Our customers have started a word-of-mouth campaign that is making this the biggest selling tire we've ever had. Motor car manufacturers have been so impressed by its superior performance that they have adopted it for their 1939 models.

Why? Because the Firestone Champion Tire is an entirely new achievement in safety engineering.

Stronger Cord Body. This is accomplished first, by the use of a completely new type of tire cord called "Safety-Lock," in which the cotton fibers are more compactly interwoven to assure cooler running and provide greater strength. Then, the fibers in each individual cord, the cords in each ply and the plies themselves, are all securely locked together by a new and advanced Firestone process of Gum-Dipping which provides amazingly greater strength. And greater strength means greater safety.

More Non-Skid Mileage. The new Safety-Lock cord construction provides the extra strength needed for the use of the new, thicker, tougher, deeper Firestone Gear-Grip tread which delivers remarkably longer non-skid mileage. This sensational new tread is called "Gear-Grip" because of its unique design — it has more than 3,000 sharp-edged angles which grip the road with a sure-footed hold to protect against skidding and assure a safe stop.

Drive in today and equip your car with a new set of Firestone Champion Tires — the only tires made that are safety-proved on the speedway for your protection on the highway.

LOUIS MEYER
 Only Three-Time Winner Annual Indianapolis 500-Mile Race
 Champion race drivers, whose lives and chances of victory depend on tire safety, know the construction and that is why they select and buy Firestone Tires for their cars.

Firestone LIFE PROTECTOR
 the Tire within a Tire

This amazing new Firestone development makes a blowout as harmless as a slow leak.

Should a blowout occur the exclusive Firestone Safety-Valve holds sufficient air in the inner compartment to support the car until it is brought to a safe stop.

What am I bid for a fine telephone call?

How much is a telephone call worth?

It may be a pleasant chat with a friend... may save a trip to the store in unpleasant weather, close an important business deal. It may bring the doctor... the firemen... the police... in some emergency.

No one can estimate the true value of the telephone in dollars and cents, for a single call may be worth more than you would pay for a whole lifetime of telephone service.

But there can be no doubt that you get good value in your telephone. You have at your

command not only the millions of dollars' worth of equipment of the Illinois Bell Telephone Company — the finest equipment that science can design and skilled manufacture produce — but you have also the services of twenty-three thousand trained Illinois Bell employees whose tradition it is to see that your call goes through, night or day, good weather or bad, to any one and anywhere.

Truly, of all the things you buy, few give so much... or cost so little... as your telephone service.
