

Six Hundred Attend Annual Meeting of N. S. Area Council

The largest annual meeting and Scout Leaders' Appreciation Dinner ever held in the history of the North Shore Area Council took place Tuesday evening at North Shore Congregation Israel in Glencoe. Approximately 600 Scouters with their guests attended this impressive function.

The "Tribute to Commissioned Scout Leaders"—that is, Scoutmasters, Skippers, Cubmasters, and their Assistants, was made by Dr. Lewis W. Sherwin, minister of the Highland Park Presbyterian church.

The Sea Scouts of SSS Quilmette of Wilmette; SSS Albatross II of Wilmette; SSS Blue Nose of Glencoe; and SSS Highlander of Highland Park, worked as waiters with great efficiency.

The "Candlelight Ceremony," involving dramatization of the Scout Oath and Laws, was presented by 16 Scouts of Troop 13 under the leadership of Bob Townley, Scoutmaster of Kenilworth.

The report of the Nominating Committee was presented by Mr. Albert P. Snite. The new officers and chairmen of committees are as follows:

President—Robert F. Doepel of Winnetka. First vice president—T. A. Connors of Lake Forest. Second vice president: Judge Percy L. Parsons of Waukegan.

Finance chairman—Theodore Buenger of Winnetka. Vice-chairmen: A. P. Snite of Highland Park, Henry Fowler of Wilmette, T. A. Connors of Lake Forest.

Chairman of the North Shore Area Council, and to Axel Runnerstrom, Scoutmaster of Troop 111 of Waukegan. The total service of these two men in Scouting on the North Shore is in excess of 30 years.

Chairman of the National Council Committee on Distinguished Awards, upon approval of the executive board of the Council, and are presented for distinguished service to boy-hood in the North Shore Area Council.

Chairman of the National Council Committee on Distinguished Awards, upon approval of the executive board of the Council, and are presented for distinguished service to boy-hood in the North Shore Area Council.

Lipp Team Takes Three Games to Increase Their Lead

The J. J. Lipp Paper company team, led by Captain Harold Bernsten of Bernsten Bros. Grocery and Market, increased their lead in the North Shore Grocers Bowling League by a margin of four full games over Nottoli Bros. Produce team, their nearest rivals, with the fast rolling Peter Pan team right on the heels of Nottoli Bros. only one game back.

The boys from Bernsten Bros. will take no chances of an upset that caused them to lose the championship to the Town Crier Flour team last year, after leading the league all season to the final round, and because of their blow-up in the final games earned for them the title of Pittsburgh Pirates.

Were League Champions in 1937 Bernsten Bros., sponsored in 1937 by Stewarts Coffee, won the championship in brilliant form, and they have always been a serious contender for championship honors each year to the league's existence.

The six members of Bernsten Bros. team take their bowling seriously and if Captain Harold sets a hot pace each member in turn seems to accept the challenge and begin to mow down the pins. Yes, the J. J. Lipp Paper Co. team seems headed for the championship of the North Shore Grocers League.

Must Watch Rugen Family Captain Charles Rugen and league Treasurer Ed Rugen and four other Rugens from Rugens Stores, Glenview, sponsored by Bremner Bros., loom as the team to watch out for, as they are acknowledged to be the best balanced team in the league and are fully capable of breaking all records provided that Richard Rugen controls his famous slide ball and that Gerhardt Rugen presses Father Ed. into fast speed.

Two More Candidates Give Their Views on Garbage Problem

Thoughtful replies from candidates for mayor and commissioners on the subject of Highland Park's garbage disposal situation have been received by the Highland Park League of Women Voters in answer to its letter on that issue. The letters of several candidates have been quoted in these columns. Following are excerpts from others:

Mr. Daniel Davitt, member of the High School faculty and candidate for commissioner, writes: "I personally approve of city garbage collection and a city owned disposal plant. I realize however that in a democracy it is the wishes of the people rather than the wishes of the 'city fathers' that should prevail.

With the idea of achieving the greatest efficiency in garbage collection and disposal and doing so in accordance with the desires of the people, I shall, if elected, recommend the following plan: First, the city council should undertake a scientific study of the whole problem of collection and disposal of garbage. If necessary, the advice of experts in technical fields such as engineering, finance and personnel should be secured.

Second: the plan recommended should be given wide publicity and discussed at a public meeting in Highland Park. Mr. Robert Greenslade, present commissioner of Public Health and Safety and candidate for re-election, says:

"At the time I was first elected City Commissioner, our City was

bonded above the legal indebtedness by general corporate bonds, and during the past years your conservative administration have paid all interest and principal on these general bonds as the same come due, also many old obligations. At the present time our city is still over the legal indebtedness limit by about 28,000; therefore, it has been impossible during this period to contract for and make any improvements except on a cash basis from funds raised by the general taxation each year.

"The garbage department has been a serious problem. The present incinerator is inadequate. It is an eight ton plant, and from present indication, we require at least a 25 ton plant to properly handle the disposal of city garbage. The type of incinerator required would cost approximately \$45,000. It is impossible to raise funds by bond issue to our city being bonded at the present time beyond its legal limit. This seemed to me to be the first problem in this department. During my two terms in office I have with efficient and conservative management accumulated \$27,000 in the Garbage fund from our regular income for that department. It is only a question of a short time when this incinerator can be built.

"I believe the location of an incinerator and city dump, regardless of how scientifically it is managed, has some effect on the value of adjoining property, therefore I have tried to screen our present city dump and incinerator by planting fast growing inexpensive shrubs and trees. Previous to my time the hauling of garbage to an incinerator in an adjoining city proved to be very expensive and extravagant. The hauling and collection seems to me to be our next problem. At the present time the situation is handled by five private business men with equipment that could be improved if their income warranted it. Therefore if some plan can be devised to remedy the present garbage situation, you may rest assured it will have my full cooperation."

Why Wives Go Home to Mother! Where Movie Stars Work for Nothing! Two of the Many Interesting Features Appearing in the American Weekly, the Magazine Distributed With the SUNDAY CHICAGO HERALD AND EXAMINER.

A Scottie's always playful, frisky, Without a drop of Scottish whiskey, He'll eat a slipper, rug or table, At least as far as he is able.

And people who are a little "Scottie" in their buying habits will find real economy in Wilson's IDEAL Dog Food, the F-Course Meal. Wilmette Townsend Club to Entertain

On Friday evening of this week Townsends and their friends of Evanston, Wilmette, Kenilworth, Glencoe and Highland Park will be entertained by Wilmette Townsend Club at a card and bunco party at St. Augustine's parish house, 1140 Wilmette avenue, Wilmette. There will be prizes for the players and at the close of the fun refreshments will be served.

This party takes the place of the regular meeting this week. Admission is free, and all persons interested in the Townsend National Recover plan are extended a cordial welcome.

"Friends Night" Is Observed Wednesday by Campbell Chapter

Wednesday evening, Feb. 15, Campbell chapter O.E.S. observed "Friends Night" with a large attendance of members and friends present. Each officer asked a friend to fill his station and many neighboring chapters were represented.

Mr. and Mrs. Herbert Behrel, worthy matron and worthy patron of Desplines chapter, presided in the East which was beautifully decorated with ferns and white gladiolus. Others participating were: Charlotte Leaf as associate matron, Howard Stewart, associate patron; Katharine Parrish, secretary; Beatrice Wood, treasurer; Vera McClure, conductress; Sophie Shapiro, associate conductress; Jean Dinley, chaplain; Lillian Swanson, marshal; Stella Robinson, soloist; Anna Carlson, Ada; Elsie Peterson, Ruth; Lillian Robinson, Esther; Eleanor Eshstadt, Martha; Elsie Dabor, Electa; Alva Fredbeck, Warden; Norman Culver, sentinel; Arthur Hollands, flag bearer.

Mrs. Elsie Scully, worthy matron of Deerfield chapter, was guest of honor. Following the meeting delicious refreshments were served at attractively decorated tables in the dining room.

The next stated meeting will be held on Wednesday evening, March 1, at the Masonic Temple, after which a play will be presented by the Highland Park high school Drama class.
