H. P. Girl Scouts Annual Banquet To Be Held March 10

The annual banquet of the Highland Park Girl Scouts is to be held in the Ravinia school on Friday, March 10, at 6:45 o'clock.

Singing, folk dancing, choristic verse speaking, and dramatic skits will be the portion of the program contributed by the troops. This will be a demonstration of the various avenues of "self-expression" and interests chosen by the girl scouts and developed under the supervision and guidance and instruction of consultants and leaders.

Mrs. Charles G. Mason was a member of the Highland Park Girl Scout Council when it belonged to the Skokie area. She is keenly interested in the progress made in the comparatively short time that the Highland Park Girl Scout Council has been incorporated as an independent council. Mrs. Mason will speak on the subject of "The Needs and Benefits of Girl Scouting in Highland Park."

Dr. Louis W. Sherwin will offer the invocation.

Mrs. Roy O. Nereim, Girl Scout Council, was at one time the Juliette Low representative on the Skokie Area Council. Mrs. Nereim knows well the colorful and roman-

tic story of Mrs. Low's founding of the girl scout movement in the United States. Perhaps this inspiration more than any other is responsible for her tireless efforts in behalf of the girl scout organization and program. When asked to say a few words about Juliette Low, Mrs. Nereim replied: "It will be difficult to condense in a few words the admiration I feel for Mrs. Low, but I will be very glad to say a few words of tribute to her and to her marvelous contribution to the past, present and future."

Reservations for the banquet are being made with Mrs. Robert Thompson. The final date has been set for Monday, March 6. Since the reservations will be limited to 350, girl scouts are urged to get their tickets as soon as possible.

Albert S. Lewis of Social Security Board, Here March 8

Albert S. Lewis, manager of the Bureau of Old Age Insurance of the Waukegan office of the Social Security Board, will be in Highland Park Wednesday, March 8.

Employers of employees desiring any information may confer with him at his headquarters in the Highland Park post office between the hours of 10 a.m. and 4 p.m.

Tuberculosis Clinic Postponed for Week

The Lake County Tuberculosis Association reports that no clinics will be held this week as Dr. Pettey will necessarily be in Chicago on Wednesday, March 1, and Miss White will attend a Post Seal Sale meeting in Chicago at the Palmer house on Friday, March 3.

The Post Seal Sale will be conducted by Mr. C. L. Newcomb, Seal Sale director, and Miss Frances Brophy, Seal Sale consultant, of the National Tuberculosis Association.

Secretaries from several states and counties will attend this meeting in Chicago as its one of four conferences being held in the United States. The problems and special features of the Seal Sales in the different localities will be considered by the secretaries present in a round table discussion.

Miss Martin, office secretary of the Lake County Tuberculosis Association, will assist with the registration of the representatives at the Chicago conference.

The Association wishes to again emphasize the fact that it is not too late for the recipients to unanswered Christmas Seal letters to send in their contributions. Help the Association rank at least second of all counties in Illinois, outside of Cook county.

Some drivers feel that their ability to get out of a tight spot is a demonstration of skill. They drive recklessly, heedless of traffic rules, feeling secure in the knowledge that they know how to handle a car.

A driver may get a thrill from getting out of a tight spot by quick and expert handling of his car, but he should not boast about it or get "cocky," because a good driver rarely gets into a tight spot. He is always careful on the approach to intersections, schools, crossroads, and other places where there is a possibility of his meeting other drivers.

The anticipation of an accident at these spots is the practice of all good drivers.

Don't Lose The Right To Drive Your Car

The Financial Responsibility Section of the Drivers' License Law has been in force since July 12, 1938, and in order to drive a car, you will have to have a license shortly after the first of the year.

Failure of any driver to pay damages as the result of an automobile accident WILL BAR HIM FROM FURTHER OPERATING A CAR, and UNTIL HE CAN PROVE THAT HE WILL BE FINANCIALLY RESPONSIBLE IN THE FUTURE.

Your Home & Your Health

Let VOGUE Protect Them!

Take an inspection trip through your home, from attic to cellar. If you find that your house is in apple-pie order, you will be gratified. If you find that there is cleaning to be done, you will be glad to do what is necessary to make your home more healthful and more beautiful.

INSPECT THOROUGHLY RUGS AND CARPETS
 Rugs should be properly cleaned at least once a year to insure against germ laden dust and harmful grit.

DRAPES AND CURTAINS
 Adequate ventilation is important to health. Improperly cleaned curtains and drapes do not permit this; cleaning of these items should be done by a qualified expert.

UPHOLSTERED FURNITURE
 Upholstery gathers germs and dust—the cause of common colds. Moths, harmful to fabrics, gather in seams and corners. All these can be removed by expert dry cleaning.

WEARING APPAREL
 It is imperative that wearing apparel be cleaned periodically for the sake of health and for beauty and durability in the fabrics.

CHILDREN'S CLOTHING
 Everyone gives special attention to the health of growing children. Clothing cleaned by an experienced cleaner is reasonable insurance.

MATTRESSES AND PILLOWS
 The important part of the bed is under the sheet! Mattresses specially processed in our plant give more comfort—more health—and MORE SLEEP!

BLANKETS AND COMFORTERS
 If you spend 8 hours daily in bed, you spend one-third of your life there. Fluffy, airy, blankets and quilts, cleaned of course by experts, give proper ventilation and yet retain the heat of the body.

Firemen To Hold Yearly Event March 17 At Labor Temple

The annual dance of the Highland Park Fire department will be held Friday evening, March 17, in the Labor Temple on North avenue. For many years this yearly event has been held at the local high school, but due to a recent ruling, the school will not be available for public dances.

This is the yearly opportunity afforded Highland Park citizens to indicate thru liberal patronage their appreciation of the efficient and faithful service of the local fire fighting force, which has for several years maintained a notable record for few serious fires within the city. The prompt measures always taken to control fires when they start and to avert them in so far as possible by careful inspection and cooperation is responsible for this fine record.

It is hoped that the sale of tickets for the fireman's dance will be as large a one as in former years. The proceeds benefit the firemen's pension fund.

Mrs. Margaret Jones Is Buried Saturday

Mrs. Margaret Cecilia Jones, aged 85, died Thursday evening at her home, 1411 Judson avenue, following a brief illness of pneumonia. She had been a resident of Ravinia since 1902 and was the wife of the late Louis E. Jones.

She was born in Elmira, N. Y., May 14, 1854, and came to Chicago several years before the Chicago fire.

Funeral services were held Saturday morning at the Immaculate Conception church, followed by burial in Memorial Park cemetery.

Oak Terrace P.T.A. To Meet March 14th

The regular Oak Terrace P.T.A. meeting has been postponed from the first Tuesday of the month to March 14. Mr. James Hvale of Hvale Forge, Deerfield, will be the principal speaker of the evening. He will speak on Hobby Lobbies as well as exhibit his hobby. A fine display of other hobbies will be shown.

Brazelton Lecture At Y.W.C.A. March 8

"Islands in the Public Eye" is the title of the 522d lecture to be given by Mrs. F. M. S. Brazelton on March 8 at 10:30 a.m. at the Y.W.C.A. The proceeds of this lecture in the remaining series of lectures will go to the Solomon Cottage Endowment Fund for the Park Ridge School for Girls.
