CHRISTIAN SCIENCE CHURCHES "Christ Jesus" was the subject of

the Lesson-Sermon in all diurybes of Christ Scientist, on Sunday, Fee The Golden Text was, "Let the

word of Christ dwell in you richly in all wisdom; . . . And whatsoever ye do in word or deed, do all in the name of the Lord Jesus, giving thanks to God and the Father by him" (Colossians 3:16, 17).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "The people that walked in darkness have seen a great light: they that dwell in the find of the shadow of death, upon them hath the light shined. For unto us a child is born, unto us a son is given; and the government shall be upon his shoulder: and his name shall be called Wonderful, Counseller, The mighty God, The Everlasting Father, The Prince of Pence" (Isalah 9:2, 6).

The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy "Throughout all generations both before and after the Christian era. the Christ, as the spiritual idea,the reflection of God,-has come with some measure of power and grace to all prepared to receive Christ, Truth. Abraham, Jacob, Moses, and the prophets caught glorious glimpses of the Messiah, or Christ, which baptized these seers in the divine nature, the essence of Love" (p. 888).
