**CHRISTIAN SCIENCE CHURCHES**

"Matter" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, March 19.

The Golden Text was, "Thou shalt not take the name of the Lord thy God in vain: for the Lord will not hold him guiltless that taketh his name in vain" (Exodus 20:7).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "And the Lord spake unto Moses, saying, Speak unto all the congregation of the children of Israel and say unto them, Ye shall be holy: for I the Lord your God am holy. Turn ye not unto idols, nor make to yourselves molten gods: I am the Lord your God" (Leviticus 19:1, 2, 4).

The Lesson-Sermon also included the following passages from the Christian Science textbook "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Matter is not the author of matter, and the creator of ideas is not the creator of illusions. Either there is no omnipotence, or omnipotence is the only power. God is the infinite, and infinity never began, will never end, and includes nothing unlike God. Whence then is soulless matter?" (p. 249).
