"The Coronation Scot," Grand Central Station

country before it goes on exhibition at the New York World's Fair Special exhibits of sights to be seen at the New York World's Fair are carried by the Coronation Scot, including a model of the Ford Motor Company's exposition.

The streamliner on its present tour will cover 3,121 miles through New York World's Fair are accompaning the train, bearing messages to the mayors of the 37 cities and the governors of the states in which the train is to be exhibited

As one of the New York World's Eair axhibits, the Ford Exposition model shows some of the outstanding features of the building. Ford Motor Company expects to show millions of visitors at the Fair years of productive activity have return day for the hearing of all claims against the above named Estate. All persons having claims against said Estate are hereby notified and requested to attend the give them a glimpse of the changed world the motor car may bring into being in the near future.

The Ford model clearly shows the "Road of Tomorrow," an elevated highway winding for more than half a mile through and around the Ford Exposition. Visitors will ride over this high-way Exam. for Junior in Ford, Mercury and Lincoln-Zephyr cars. Garden Court of the Mr. Vaughan's name was accidentally left out of the adjudication notice appearing in the Highland Park Press of March 28. Families of Highland Park and vicinity pay \$1,884,012 in hidde chases alone, a survey by the Nashowed today.

This burden, the report stated, paid as a concealed part of the price of food, clothing, fuel, medicine and other daily purchases. The figure driving. Why? does not include sales tax revenues.

through local study groups "unne- utmost care. Self-preservation cessary taxes that penalize consumers by increasing the cost of living." Mrs. Franklin M. Miller, of Chica- ed statement: when driving an augo, national committee member

they know it or not, carry a major your actions. It is a definite person share of the local, state and national al responsibility tax burden," Mrs. Kenneth C. Frazier, president, said in the report. "Hidden taxes, increasing the cost of even the necessities of life, produce 63 per cent of all tax revenues. The taxes are levied first against producer, manufacturer, shipper and distributor and then passed on

The report, which said NCTC study groups in 3,900 communities have added their forces to the crusade, pointed out that the local hidden tax figure concerns retail sales only and does not include many other taxes, hidden and direct, that families here have to pay.

The analysis, directed from the NCTC headquarters in Chicago, was based on total retail sales in Highland Park of \$12,077,000 as reported by the U.S. Bureau of the
