Accident Injuries Fatal To Youth

Hugh Eckert, 18, 84 Robart road, Kenilworth, died Tuesday in the Highland Park hospital from injuries sustained in an automobile accident on the Skokie highway March 8.

The youth had been discharged from the hospital, but had returned Sunday to undergo an operation. Eckert was injured when he lost control of his car near Deerfield road, causing it to leave the pavement, overturning in a field.

I feel that Mrs. Somens should be highly commended very highly for displaying such community spirit and civic interest. It seems to me that the least we can do is to get behind her 100%, put her over the top by sending to her our subscription for the Highland Park Press and bring that \$700.00 CASH PRIZE to Highwood, and at the same time bring to Highwood a sheet of community news, each and every week.

Mr. John L. Udell, the Publisher of the Highland Park Press, has promised to give Highwood real space representation in the Highland Park Press each week in the form of local news if his subscription list up here in Highwood would warrant such consideration.

The P.T.A. organization of the Oak Terrace school are sending two delegates, Mrs. Andrew Wysoki, president, and Mrs. Philips, vice president, to the Parent and Teachers convention in Chicago. Many of the other members are also going.

Mr. George Sopkin, cellist with the Chicago Symphony orchestra, played two numbers, "Ave Maria" by Schubert, and "I'll Take You Home Again Kathleen."

WHO IS MY OPPONENT FOR MAYOR?

I have awaited in vain for the announcement of a platform by my opponent for Mayor. Instead, a candidate for commissioner announced a platform committing the next city council of Highland Park to do things legally impossible and to spend funds far in excess of our city's ability to pay—!

Who Is My Opponent? I would like to know if my opponent advocates the hasty proposals suddenly made 12 days before election? And if he does, why nothing was done to promote them during the past four years of his administration—!

Who Is My Opponent? The only statement made in behalf of my opponent is one claiming 'conservatism' yet the candidate commissioner's platform contradicts every principle of conservatism.

Who Is My Opponent? My opponent's statement fails to reveal anything accomplished during the past four years except payments on bonds, neglecting to mention that the only alternative would have been bankruptcy and the loss of our city's credit.

Who Is My Opponent? I also believe in "conservatism," but I do not believe that conservatism means a "do nothing policy." This is economy without a plan, purpose or objective.

Who Is My Opponent? What is the official platform or program of my opponent? Is it the brief statement issued in his behalf and no more? Or is it the so-called platform issued by the candidate commissioner who asks the support of men who will see that it is carried "swiftly to completion?"

Who Is My Opponent? Three of us seem to speak as candidate for the office of Mayor of Highland Park. Isn't that one too many?

Who Is My Opponent? Here's the situation. My opponent offers no platform. A candidate commissioner assumes to do so. I speak for myself. I offer a definite 18 point program of civic betterment on which I respectfully seek your support.
