Active pall bearers were George Greene, Lyle Gourley, Walter Meierhoff, Charles Sanborn, Leo Larson and Virgil Musser.

Attending in bodies were city officials, uniformed police and firemen, who were not on duty, members of the Highland Park Masonic lodges, Rotary club, Chamber of Commerce and officers of the Presbyterian church.

Amazing New Machine Is Now Available to Local Gardeners

To the Garden enthusiasts of Highland Park a new machine that will take the place of spading, or in one operation, plow, disk and harrow, is now available.

It is adaptable to use on flower beds, lawns or gardens, and in one operation sharp revolving teeth tear up the soil into a lumpless perfect surface. It mixes thoroughly to a depth of eight inches, peat moss or manure and breaks up the new ground too.

In a fraction of the time required by hand work, the soil is ready for planting.

From a width of twenty inches to acres, this wonderful new machine does a perfect job. Mr. Sam Gore, who has brought this device to us, says it is the only machine that does so much to make gardening easy and remove the drudging from it. The rental cost is moderate and a call to him at Highland Park 424 is all that is necessary for an estimate.
